The Weekly Khutbah Volume 1: 2013-2014 Saiyan Islam, 2016-02-06 Every week Friday comes and for us Muslims Friday is very crucial in the sense we have our Jummah prayers Along with the Jummah prayers we have our weekly sermons What happens is that most of us tend to forget the sermons delivered by the Imams So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the chance to learn from the weekly sermons The males can easily record their learning and teach the women at their home All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons Sometimes the Imams may tend to refer to weak Hadiths I have tried my best to classify them as much as possible May Allah have mercy upon us all and may we get guided to the Straight Path Ameen

WORD Shaykh Al-Islam Ibn Taymiyyah, The Critical Qur'an Robert Spencer,2022-05-03 A unique resource for understanding the Islamic Holy Book As Islamic terrorism becomes a distressingly common feature of life in North America and Europe it has become increasingly important for non Muslims to be aware of the ideology that animates and motivates jihad violence and Sharia oppression of women and others an ideology that s rooted in Islam s holy book the Qur an English speaking people however have found attempts to understand the Qur an and Islam impeded by unclear densely worded translations and explanatory notes written by Islamic apologists attempting to conceal rather than reveal how Islamic jihadis use the texts and teachings of the Qur an to justify violence and supremacism and to make recruits of peaceful Muslims The Critical Qur an in contrast makes clear the passages that are used to incite violence Historian and Islamic scholar Robert Spencer elucidates the Qur anic text with extensive references to the principal tafsir or commentaries that mainstream Muslims use today to understand the Qur an showing how interpretations that sanction violence are unfortunately not outliers but central in Islamic theology The Critical Qur an is the Islamic counterpart to numerous critical and skeptical editions of the Bible that have appeared over the last century and more It is the one edition of Islam s book that doesn t shy away from elucidating why the holy book of Islam is so frequently quoted and referred to with reverence by people who commit and or justify acts of violence It is a basic resource for everyone who wishes to understand the persistent phenomenon of Islamic terrorism and the peculiar provenance of this most provocative book
