

The background of the book cover is a photograph of a still life. It features a bouquet of orange and pink flowers in a clear glass vase. The vase is wrapped with a gold-colored, textured material that has a grid of small, raised circular patterns. The vase sits on a dark, reflective surface. In the background, there is a wall with a red and gold patterned wallpaper. The title "Terrific Texture Techniques" is overlaid in a large, white, serif font.

Your Home - A Living Canvas Curtis Heuser,2011-06-30 Uncover the glory in your home Use paint to create inspired living spaces that reflect your style and your home s character Once upon a time there was a sad little Victorian house on the corner abandoned by its previous owners and abused by time Your Home A Living Canvas is the Cinderella story of that house and its transformation into a charming historic home thanks to the loving care of acclaimed decorative artisan Curtis L Heuser From the grand staircase to the cozy third floor master suite this book takes you along on the complete floor to ceiling room by room makeover You ll learn about the design concepts and inspirations for each space along with real world how to s behind the wall treatments ceiling features architectural highlights and other exquisite details A series of 25 step by step demonstrations show how Heuser used murals trompe l oeil and faux finishes to blend old with new reclaiming the spirit of the house s former glory while incorporating unique personal touches Covers a range of decorative styles from the exotic crackle finish bookcases in the study to the Italian country villa inspired kitchen to a sophisticated dining room that embodies the Old World ambiance of classic European interiors Offers a wealth of expert decorating advice on using color to evoke mood displaying your collections mixing and matching eclectic furnishings and more Whether you re interested in a simple faux finish technique or are dedicated to preserving the architecture and charm of your own historic dwelling this book will help you create a living environment rich in color texture and atmosphere a place called home Teen Spaces Kimberly Bolan Taney,Kimberly Bolan,2003 A guide to creating interesting and exciting spaces for young adults in the library explaining how to solicit input and discussing planning design and decor and promotion Includes worksheets and a list of resources Junius B. Bird Pre-Columbian Textile Conference, May 19 and 20, 1973 Ann Pollard Rowe,Elizabeth P. Benson,Anne-Louise Schaffer,1979-06 Modern Technique in Painting & Decorating John Penrhyn Parry,1950

Transactions of the American Philosophical Society ,1967 Held at Philadelphia for promoting useful knowledge

Polychrome Sculpture Johannes Taubert,2016-02-15 In the decades since its initial publication in German in 1978 *Polychrome Sculpture* has come to be widely regarded as a watershed text on the making and meaning of European medieval and Baroque painted wood sculpture An early proponent of interdisciplinary research Johannes Taubert played a pioneering role in combining the rigorous scientific analysis of materials with a fuller understanding of form and function an approach that has led to the development of technical art history as practiced today Many of the essays in this volume apply such scientific techniques as microscopic analysis to an art historical understanding of Romanesque and late Gothic wood sculpture revealing that far from serving a merely decorative function the painted surface of these works was intricately connected to their meaning The paint layers on the sculptures for example which the author spent years documenting through close examination and analysis were intended to impart a heightened sense of reality to the life sized sculptures

thereby enhancing the viewer's experience of worship Taubert believed it was crucial for conservators to understand this context before undertaking any treatments No other book offers such a focused subtle and interdisciplinary examination of the subject as *Polychrome Sculpture* This influential work is now available in English for the first time in a meticulous translation enhanced and updated by new color illustrations annotations to the original text and a new introduction
