Terror Counterterror Women Speak Out:

Defending Our Dreams Shamillah Wilson, Anasuya Sengupta, Kristy Evans, 2005-10 This book brings together analyses by feminists of diverse identities on themes including women's rights and economic change, new technologies, sexuality, feminist organizations and movements. It presents key issues arising out of the experiences of young women living in both North and South, the challenges confronting young feminists and the agenda for a new era of feminist leadership and activism.

Gender, National Security, and Counter-Terrorism Margaret L. Satterthwaite, Jayne Huckerby, 2013-02-15 In the name of fighting terrorism, countries have been invaded, wars have been waged, people have been detained, rendered and tortured, and campaigns for hearts and minds have been unleashed. Human rights analyses of the counterterrorism measures implemented in the aftermath of 11 September 2001 have assumed that men suffer the most, both numerically and in terms of the nature of rights violations endured. This assumption has obscured the ways that women, men, and sexual minorities experience counterterrorism. By integrating gender into a human rights analysis of counterterrorism and human rights into a gendered analysis of counterterrorism, this volume aims to reverse this trend. Through this variegated human rights lens, the authors in this volume identify the spectrum and nature of rights violations arising in the context of gendered counterterrorism and national security practices. Introduced with a foreword by Martin Scheinin, former UN Special Rapporteur on Human Rights and Counter Terrorism, the volume examines a wide range of gendered impacts of counterterrorism measures that have not been theorized in the leading texts on terrorism, counterterrorism, national security, and human rights. *Gender, National Security, and Counter Terrorism* will be of particular interest to scholars and students in the disciplines of Law, Security Studies, and Gender Studies.

Feminist Philosophy and the Problem of Evil Robin May Schott, 2007-05-11 This volume advances philosophical discussions of evil and terrorism in ways that only those working from a feminist perspective would be able to do. Tracy Isaacs, The University of Western Ontario: Any glance at the contemporary history of the world shows that the problem of evil is a central concern for people everywhere. In the last few years, terrorist attacks, suicide bombings, and ethnic and religious wars have only emphasized humanity's seemingly insatiable capacity for violence. In *Feminist Philosophy and the Problem of Evil*, Robin May Schott brings an international group of contemporary feminist philosophers into debates on evil and terrorism. The invaluable essays collected here consider gender-specific evils such as the Salem witch trials, women suffering during the Holocaust, mass rape in Bosnia, and repression under the Taliban, as well as more generalized acts of violence such as the 9/11 bombings, the Madrid train station bombings, and violence against political prisoners. Readers of this sobering volume will find resources for understanding the vulnerability of human existence and what is at stake in the problem of evil. This recent collection is part of the current genre of works that present uniformly well-argued essays by women philosophers on topics that specifically reference women in this case, with respect to the problem of evil. Those who are interested in evil and the moral complexity of the present will find numerous insights in this

collection Recommended Choice **Counter-Terrorism** B. Spalek, 2012-05-29 This book examines community based approaches to counter terrorism through an analysis of the notions of community partnership engagement gender and religion in order to shed new light on the potential of and drawbacks to these approaches Dr Spalek stresses the need for policy makers and practitioners to reflect on the effectiveness of the initiatives that they are engaged with particularly in relation to how community targeted or community focused they are Research Handbook on International Law and Terrorism Ben Saul, 2020-04-24 This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field including new topics for this edition such as foreign terrorist fighters the nexus between organized crime and terrorism and the prevention of violent extremism **Contemporary India and South Africa** Sujata Patel, Tina Uys, 2013-11-12 This book deals with the legacies of the Indian experiences of migration and diaspora in South Africa It highlights the social imaginaries of the migrants and citizens as they negotiate between a reconstructed notion of India and their real present and future in the country of citizenship Both South Africa and India have had a long history of group based identity movements against exploitation around caste and race intersecting with class gender language religion and region The combined history has allowed them to participate in novel ways in the global arena as regional powers The book suggests that the question of identity concerns itself with exploitation and oppression of excluded groups in both countries The authors are particularly attentive to the manner in which the two democratic states have confronted the challenges of history together with contemporary demands of inclusion and discuss the dilemmas involved in resolving them The volume also raises questions regarding future roles especially in the fields of education and the environment It will be of interest to those in the fields of sociology political science international relations history migration and diaspora studies as well as to the general reader Missing Sunaina Marr Maira, 2009-05-01 An ethnographic exploration of how young South Asian Muslim immigrants living in the United States experienced and understood national belonging or exclusion in the years immediately following September 11 2001 *State Department's Counterterrorism Bureau* United States.
