Terror In The Andes The Deception:

Terror in the Andes Sandra Owen, 2009-04 When a Cessna carrying a cargo of cocaine crashes in the Peruvian Highlands Canadian University students John Emerson and Phil MacAllister who are camping nearby rush to the scene They witness the pilot and co pilot fleeing on foot John and Phil continue to discover the wreckage and its illicit contents Shortly thereafter two Peruvian National Police Officers Officer Ramirez and Officer Pared s arrive at the scene They stage the murder of Phil MacAllister confiscate a portion of the cocaine for themselves and arrest John Emerson for drug trafficking Private defense investigators Stella Bennett and Victor Caballero team up and set out with the difficult task of proving John s innocence They are lead on an adventure of intrigue and suspense as they search for incriminating evidence against the officers who murdered Phil MacAllister and framed John Emerson When the suspect is finally released he assists lead Detective Walter Di z in the case by working with a sketch artist to help identify the pilot When the sinister pilot Malcolm Murray learns from an inside source that the prisoner has been released and a portion of his precious cargo was stolen he kidnaps the young tourist John Emerson believing that he is the culprit He wants his precious cargo back **The Ultimate Deception** Delbert

Moad, 2012-10 Two men from humble beginnings and living a continent apart may be destined to become the two most powerful men in the world As the plan of one and the dream of the other intersect neither has any idea of the powerful chain of events about to occur Paul Stevens is a bright young man facing an uncertain future His father Raul Contreras is a man of vision and infinite patience but most importantly a man of action Raul and his business associate Rafael Saltas hold the reins to an empire that rivals those of ancient European warlords Paul is caught between his father s dream and the harsh reality of his drug empire As he attempts to meet his father s expectations Paul soon finds himself becoming more and more like him every day Meanwhile Caroline Williams Rafael s strong willed daughter struggles to come to terms with her father s outdated restrictions Helplessly caught in their fathers webs of deceit Paul and Caroline align themselves with a charismatic future presidential candidate without any idea that a determined DEA agent is hot on their trail In this political thriller time is of the essence as Paul and Caroline sacrifice nearly everything in a valiant attempt to achieve their fathers dreams Le Grand

Chef Des Aucas. Tom. 2. The Pearl of the Andes. A Tale of Love and Adventure. Translated by Sir F. C. L. Wraxall Gustave AIMARD (pseud. [i.e. Olivier Gloux.]), 1874 Politics In The Andes Jo-Marie Burt, Philip Mauceri, 2004-02-22 The Andean

region is perhaps the most violent and politically unstable in the Western Hemisphere Politics in the Andes is the first comprehensive volume to assess the persistent political challenges facing Bolivia Colombia Ecuador Peru and Venezuela Arguing that Andean states and societies have been shaped by common historical forces the contributors comparative approach reveals how different countries have responded variously to the challenges and opportunities presented by those forces Individual chapters are structured around themes of ethnic regional and gender diversity violence and drug trafficking and political change and democracy Politics in the Andes offers a contemporary view of a region in crisis providing the

necessary context to link the often sensational news from the area to broader historical political economic and social trends

Indians of the Andes Harold Osborne,2013-09-13 This book traces the history and ecology of the Aymaras and the Quechuas the highland peoples of the Central Andes who formed the nucleus of the great Inca Empire which extended for two thousand miles along the Pacific coast to the fringes of the tropical interior In twenty millennia the Indians of the Andes had had no cultural contacts with the Old World yet they had already passed independently through stages of development usually associated with the Neolithic Age and had achieved a degree of technical and artistic excellence In four centuries of contact there has of course been appreciable acculturation and osmosis Originally published in 1952 **The Andes and the Amazon; Or, Across the Continent of South America** James Orton,1876 *The Andes and the Amazon* James Orton,2025-08-29 Reprint of the original first published in 1875 The Antigonus publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Andes and the Amazon; Or, Across the Continent of South America** James Orton,2023-08-22 In *The Andes and the Amazon Or Across the Continent of South America* by James Orton readers are taken on an adventurous journey through the diverse landscapes of South America Orton s descriptive writing style immerses the reader in the beauty and grandeur of the Andes mountains and the lushness of the Amazon rainforest Written in the mid 19th century the book is a valuable account of the region s natural history indigenous peoples and Orton s own experiences as a naturalist exploring unfamiliar territories James Orton a prominent American naturalist and geologist was driven by a passion for exploring and studying the natural world His expertise and dedication to scientific inquiry are evident in the meticulous details and observations found within the pages of *The Andes and the Amazon* Orton s firsthand encounters with local flora and fauna provide readers with a rich understanding of the region s biodiversity and environmental significance For readers interested in natural history exploration and adventure *The Andes and the Amazon Or Across the Continent of South America* is a must read Orton s vivid portrayal of South America s landscapes and his scientific insights make this book a valuable resource for anyone seeking to understand the beauty and complexity of the continent **The Andes and the Amazon: Or Across the Continent of South America ... With a New Map of Equatorial America, Etc** James ORTON (of Vassar College.),1870 **Trilogy of Terror** Alfonso Moret,2013-02-21 Roman and Elsbone were veteran animal trappers and hunters They were warned by the Chalukyas tribesmen that the Devil Dogs were ferocious and did not fear man or any other animal The hunters were experienced predators and huntsmen and knew that the wild beast that the tribesmen were leery of were just Himalayan tempestuous wolves The Chalukyas tribesmen disclosed to the hunters that they had seen two Devil Dogs bring down a huge wild boar and tear it apart one evening at the base of the Mahila Mountains It is known amongst hunters and wildlife individuals that no wild animal beasts or man want any part of the violent desolate fierce boars these Devil Dogs were fearsome and vicious The major deciding factors that finally made the huntsmen want to seek and

capture the wolves were these main issues One the Los Angeles zoo was offering a large amount of money for two legendary Devil Dogs from India The second aspect was they heard that a single Devil Dog had fought and killed a Siberian Tiger this factor increased their inquisitiveness and curiosity of this sensational beast and its folklore Their egos also played a part in their judgment to capture the animals An element they had to contemplate and had caused them concern was that they were told that the beast only come out after the sun has set Nightfall this is an advantageous factor for the nighttime predator So these beasts were nocturnal hunters this was not an odd characteristic for any wolf but still it was a concern for the hunters All these tidbits of information just enticed Roman and Elsbone even more and it heightened their hunting and ego desires The two English veteran hunters were now traveling toward their prey and compensations as they were now heading toward the foothills of the snowcapped Himalayas the hunting grounds of the Devil Dogs The huntsmen eventually had left their regular and familiar stomping grounds of South Africa years earlier because of the civil turmoil that continues to cause chaos and havoc with many of the unsettled tribes and conformed city dwellers The other object and issue was now there are all the new restrictions and hunting laws causing hardship on hunters and trappers also there were the conservation laws protecting the wild beast limiting them even more Elsbone and Roman left Africa and went and took their trade to South America But after some time they grew tired of the humid atmosphere the different language and customs along with the constant damp eerie rain forest So now they were here in India following the harsh rumors of the ferocious wild Devil Dogs that killed cattle pigs and villagers and now they also heard even killed mountain lions The hunters journey did have some hardships They needed to travel far through hot rough desolate deserts with very cold nights
