Terror Train:

The French Terror Wave, 2015-2016 Marc E. Vargo, 2021-02-02 A torrent of Islamist terrorism swept across France in 2015 and 2016 executed by militant jihadists on behalf of al Qaeda and the Islamic State ISIS Their targets ranged from the Paris offices of Charlie Hebdo magazine to the Bataclan Theatre on the Boulevard Voltaire to a parish church in a Normandy village and a beachfront promenade on the Mediterranean This book reconstructs these and other terrorist offensives France weathered during this period Placing each attack in its sociopolitical context the author examines the backgrounds and motives of the perpetrators the attributes of the victims and the legacy of the attacks for the people *Blood Money* Richard Nowell, 2010-12-23 Scholars have consistently applied psychoanalytic models to representations of gender in early teen slasher films such as *Black Christmas* 1974 *Halloween* 1978 and *Friday the 13th* 1980 in order to claim that these were formulaic excessively violent exploitation films fashioned to satisfy the misogynist fantasies of teenage boys and grind house patrons However by examining the commercial logic strategies and objectives of the American and Canadian independents that produced the films and the companies that distributed them in the US *Blood Money* demonstrates that filmmakers and marketers actually went to extraordinary lengths to make early teen slashers attractive to female youth to minimize displays of violence gore and suffering and to invite comparisons to a wide range of post classical Hollywood s biggest hits including *Love Story* 1970 *The Exorcist* 1973 *Saturday Night Fever* 1977 *Grease* and *Animal House* both 1978 *Blood Money* is a remarkable piece of scholarship that highlights the many forces that helped establish the teen slasher as a key component of the North American film industry s repertoire of youth market product **New York Magazine** ,1980-10-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1980-10-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Going to Pieces** Adam Rockoff, 2016-03-04 John Carpenter s *Halloween* released on October 25 1978 marked the beginning of the horror film s most colorful controversial and successful offshoot the slasher film Loved by fans and reviled by critics for its iconic psychopaths gory special effects brainless teenagers in peril and more than a bit of soft core sex the slasher film secured its legacy as a cultural phenomenon and continues to be popular today This work traces the evolution of the slasher film from 1978 when it was a fledgling genre through the early 1980s when it was one of the most profitable and prolific

genres in Hollywood on to its decline in popularity around 1986 An introduction provides a brief history of the Grand Guignol the pre cinema forerunner of the slasher film films such as Psycho and The Texas Chainsaw Massacre and cinematic trends that gave rise to the slasher film Also explained are the slasher film s characteristics conventions and cinematic devices such as the final girl the omnipotent killer the relationship between sex and death the significant date or setting and the point of view of the killer The chapters that follow are devoted to the years 1978 through 1986 and analyze significant films from each year The Toolbox Murders When a Stranger Calls the Friday the 13th movies My Bloody Valentine The Slumber Party Massacre Psycho II and April Fool s Day are among those analyzed The late 90s resurrection of slasher films as seen in Scream and I Know What You Did Last Summer is also explored as well as the future direction of slasher films
