Terrorism Americas Incurable Disease:

The Incurable Disease of Anti-Semitism Raphael Israeli, 2024-04-23 There was a time in international relations when in spite of the regular interests and intrigues used to seek them some were able to keep the fundamentals of decency truth conscience the respect for facts traditions and history and the search for an objective truth Nowadays political positions can change from one day to the next facts can be reversed narrative is as valuable as fact and history and all opinions appear to be as valid as others The world is globalized no national culture or value can rival any woke ist claim or sentiment of what is or what must be for the world oppressors are never right These developments or rather this degeneration is the result of social media which have not only addicted people to produce fake news at will but have allowed opinions to be presented instantly and universally as fact including the routine lies sycophancy and betrayal by Arab and Muslim terrorists

The CityCenter Capers George H. Stollwerck,2012-03-08 It was 0310 hours 3 10 a m civilian time when the Colonel heard someone beginning to stage a pre dawn assault on their hideout He had heard them and god damn it the sorry ass excuses for sentries that were stationed in the derelict metal sheds around the missile launch silo should have damn well heard them too Instead of the sounds of scorpions and rattle snakes that he was disturbing scurrying around in the cool sand of the abandoned shed over his shoulders and into the pockets of his fatigues he should be hearing the sounds of the stolen Humvees being started up After his men finished loading them with the military small arms weapons they had been stashing in some of the larger tin sheds that still had insulation on their inner walls and doors The men had orders to only start the Humvee s engines after first checking to ensure that they were muffled down as much as possible so it was possible that the NCO s in charge were just being overly cautious He imagined that the authority s SWAT teams would head west on a more or less straight line toward the gang s hideout A determination of how the authorities had zeroed in on the location of their hideout would be evaluated and dealt with later He figured the cops would react as most infantry units would Plan A backed up by a team or so from the GCB and the way the colonel s luck was running probably one

or more FBI HRT teams However his team would be following Plan B to escape and evade fleeing due south until they hit Highway 159 and following it until they hit Highway 160 There they would split up the Green team in their two wheel capable vehicles heading northwest as fast as they could go on the road until they got to Pahrump Nevada and Blue team their four wheelers would double back and ambush the cop s Zebra team on its right flank following which they would break off contact and retreat into the inhospitable badlands of the Red Rock Recreation Area **Journal of the American**
