Queen of the Ebony Isles Colleen J. McElroy, 1984-09-17 An award winning poetry collection depicting the world of the African American woman *Night-fighter Deception* George Wunder, 1988 **Outlaws of the Sea** Robert J.

Antony, 2024-11-15 In *Outlaws of the Sea* Robert J Antony provides a comprehensive account of the history of maritime piracy in coastal south China from the 1630s to the 1940s He neither romanticizes nor maligns pirates but rather analyzes them in the context of their times and the broader world in which they lived The author demonstrates that Chinese piracy was a pervasive force shaping maritime society as it ebbed and flowed between sporadic small scale ventures and professional large scale enterprises in the modern era This book offers important new insights into the underside of modern China's history and the interactions between pirates foreign traders local communities and the state How can the voices of pirates be retrieved Robert Antony convincingly illuminates the shadowy landscape of the maritime world A stalwart in pirate studies his exemplary scholarship offers a rich and compelling narrative This book is essential for anyone captivated by the

underside of Chinese history and the lore of the sea Ronald C Po London School of Economics and Political Science Antony combines primary and secondary sources with notes from his extensive fieldwork trips and interviews to create a compelling narrative Besides providing a necessary update to the scholarship on the South China pirates the biggest contribution of the current volume is its scholarly coverage of piracy beyond the early nineteenth century Antony delves into previously untreated topics including the Portuguese occupation of Coloane colorful women predators such as Lai Choi San and racially inspired associations of Chinese pirates with the Yellow Peril during the age of high imperialism Written in an easily accessible manner it can appeal to students of criminology global issues and Asian history as well as members of the general public Xing Hang The Hong Kong Polytechnic University

Women Vigilantes and Outlaws in American Popular Media Gregory Bray, Andrew J. Ball, 2025-08-14 This interdisciplinary collection of essays examines how women vigilantes social bandits outlaws and anti heroines were represented in American novels movie serials radio dramas films comics and pulp fiction from the post Civil War era through World War II Demonstrating a broad spectrum of methodological and critical approaches the book includes essays from seasoned as well as emerging scholars The collected essays fill a gap in present popular culture studies and intersect with outlaw studies gender studies feminism historical studies and media archaeology along with citizenship and national identity The volume also considers how representations of women relate to matters of class sexuality and ethnicity By analyzing female outlaws both real and imagined this study highlights the ways that these women have become symbols of justice and social transformation in American cultural memory This book is an ideal resource for researchers and academics in popular culture studies media studies outlaw studies comparative literature and feminist studies as well as historians who focus on media in the late nineteenth and early twentieth centuries Rats, Cats, Rogues,

and Heroes Robert J. Antony, 2023-01-09 History has many untold stories In Rats Cats Rogues and Heroes the author provides glimpses into China's hidden past through the native's point of view Rather than simply writing about ordinary people this book is written from the perspective of ordinary people how they told their own stories about themselves their communities and their pasts The author examines historical consciousness as revealed in people's everyday lives and as expressed through customary rituals sociocultural conventions language and the complex symbolism of common human experiences The focus is on ethnic groups and individuals who have been routinely discriminated against in mainstream society and treated by officials as rogues and criminals They were denizens of the underworld of rivers and lakes jianghu a sociocultural category that includes bandits sorcerers conmen and prostitutes To get at their silent history the author spent decades conducting field research in rural areas of southern China collecting rarely used unconventional sources folklore legends myths rumors and hearsay that reveal nuggets of new information and insights not found in the conventional sources in libraries and archives This book challenges many commonplace assumptions about how academics write history by offering alternative possibilities for China's past

Popular Texts in English Antonio Ballesteros González, 2001 This book

comprises a collection of articles devoted to the academic study of popular texts in English Authors analyse genres which had been habitually looked down on by canonical approaches to literature and art They take into serious consideration forms like horror literature the gothic fantasy detective fiction science fiction best sellers films and television series of different kinds among some other representations of what conservative scholars had been considering as marginal The referential richness of the perspectives reflected here demonstrates that popular texts can be enjoyable for readers and audiences at the same time that they can be significant in order to reach a better understanding of our culture and ourselves at the beginning of a new millennium
