your forefather Brian was summoned to Westminster to attend the great Council there You declined a little in Oliver Cromwell's time but to no serious extent and in Charles the Second's reign you were made Knights of the Royal Oak for your loyalty Aye there have been generations of Sir Johns among you and if knighthood were hereditary like a baronetcy as it practically was in old times when men were knighted from father to son you would be Sir John now Ye don't say so In short concluded the parson decisively smacking his leg with his switch there's hardly such another family in England Daze my eyes and isn't there said Durbeyfield And here have I been knocking about year after year from pillar to post as if I was no more than the commonest feller in the parish And how long hev this news about me been knowed Pa son Tringham The clergyman explained that as far as he was aware it had quite died out of knowledge and could hardly be said to be known at all His own investigations had begun on a day in the preceding spring when having been engaged in tracing the vicissitudes of the d'Urberville family he had observed Durbeyfield's name on his waggon **Tess of the D'ubervilles** Thomas Hardy, Lindsay Duncan, Martin Shaw, 1995 Tess of the D'Urbervilles Thomas Hardy, 1999-01-01
