Increase Your IQ Naturally Malik Jordan,2020-04-05 The acronym IQ which means Intelligent quotient is a measurement of your intelligence and is always expressed in a number The measure of your IQ determines your level of reasoning solving problems and also how successful you are The Intelligence Quotient IQ of an individual can be influenced by many factors such as environment society hereditary background and other social factors Generally the IQ of an individual improves naturally as he she grows Talking about Intelligence often times we have a belief that intelligence is related to how knowledgeable a person is Just because someone is very good at passing exams doesn t necessarily mean that he or she is incredibly intelligent This is because someone like this might have a great capacity for learning and therefore the person may have invested his nights

and days cramming and storing a whole course material in his brain Intelligent people are not crammers they have the ability to reason and do the right thing at the right time So what is the definition of intelligence Intelligence of human beings can be categorized into Physical Mental Emotional and Soul True Intelligence comes from the effects of 1 or a combination of the four categories The physical and mental intelligence is well known while most people are not familiar with the emotional and soul intelligence For a normal physical body to function well and be beneficial to cognitive intelligence good diet exercise and avoidance of toxins is essential likewise the mental intelligence Emotional intelligence focuses on how you respond to things in everyday life through your emotions and other people s How you interact and have pity for emotions in certain circumstances requires a certain level of intelligence Your emotional intelligence should help you to develop flair deal effectively with things nurture relationships find solutions Spiritual or soul intelligence operates on the level with a sense of appropriateness respect for others and ethical behavior However if you feel the urge to improve your IQ there are a lot of things and actions you have to take to achieve an improved and increased form of all round intelligence and thereby increasing your Intelligence quotient IQ Buy this extremely short book today to learn more
