Testaments of Faith Roy Z. Kemp, 1970 The Old Testament Roots of Our Faith Paul J. Achtemeier, Elizabeth Rice Achtemeier, 1994 The heart of the Christian faith rests upon the confession Jesus is Lord yet faithful Christians sometimes overlook the fact that the Lordship of Jesus is firmly rooted in the promises and prophecies of the Old Testament Moreover knowing Jesus more fully entails knowing the story of God's salvation that was planned before the foundation of the world Modern readers tend to forget that the declaration before Abraham was I am underscores the continuity between the promise to Abraham and its fulfillment in Christ Acquiring a basic understanding of the relationship between the Old and New Testaments with respect to salvation s drama will enrich every reader s faith and appreciation for the Scriptures Α **Theology of Testament in the Young Luther** K. Wilder, 2014-05-06 What was the faith behind the Anderson Emil Brunner proclamations of Jesus the message of Paul and the Johannine witness and how can it be recovered today This penetrating and provocative book seeks to probe the various formulations of religious faith in the New Testament with a view to recovering the real essence and genius of Christianity today Dr Wilder sees three principal strains often harmonious but sometimes disparate in New Testament faith the proclamations of Jesus the message of Paul and the witness of John the Evangelist First he studies what has happened to our faith since its original message emerged from the concrete historical act and the resultant community of experience In the time since flesh and spirit as well as humanity and divinity have come to be regarded as mutually exclusive making it necessary for scientific humanism to develop a language of its own for religion has lost communication with it Jesus message however was a total claim and a total hope a prophetic forecast of human destiny Paul though he spoke a different language and used different symbols laid the groundwork for an epochal revolution of the race John for his part emphasized eternal life here and now and previsioned a Christian freedom Dr Wilder ends with a stirring plea for a postliberal viewpoint that will recover the insights of the past without its mythology and The Faith of the New Testament Alexander Nairne, 1920 The Greater Men and Women of the Bible terminology Tames Hastings, 1913 The Bible and the rule of faith, tr. by G.M. Beasley-Murray, 2006-08-01 Baptism In The New Testament In this thorough and well documented study of the sacrament of Holy Baptism G R Beasley Murray presents a critical defense of the doctrine of believers baptism on the basis of the New Testament evidences The author one of the leading New Testament scholars in England is himself a Baptist but his discussion transcends
