Testimony Of The 20th Century:

Testimony and Witnessing in Psychoanalysis Zipi Rosenberg Schipper,2023-12-01 In this fascinating volume Zipi Rosenberg Schipper approaches the fundamental topic of testimony seeking to recognize its value as a distinct and vital function in psychoanalytic work separate from its inherited importance to work on trauma Rosenberg Schipper introduces a revivifying philosophical linguistic and psychoanalytic approach to the act of testimony focusing on the role of witnessing in daily life and the importance it has as a therapeutic tool in psychoanalytic and psychological therapy Throughout she pinpoints three key psychoanalytic theories on patient testimony She begins by looking at Freud s foundational work on testimony as a means of concealing the unconscious and the questions of credibility in the consulting room this creates before looking at Winnicottian and Kohutian theories whereby therapists take everything the patient says as a definitive truth She concludes by looking at the Intersubjective and Relational schools of thought where the therapist assumes the role of witness By providing a comprehensive overview of the conflicting theories on the topic Rosenberg Schipper equips practicing psychoanalysts and analysts in training with the tools necessary to utilize this vital therapeutic device and engage with it in treatment for all patients

Prosecuting Slobodan Milošević Nevenka Tromp,2016-04-14 This book offers a comprehensive analysis of the trial of former Serbian leader Slobodan Milo evi at the International Criminal Tribunal for the former Yugoslavia ICTY With the premature death of Milo evi in March 2006 his trial was left unfinished Although the traditional objectives of criminal law such as retribution justice for victims and deterrence were not achieved the Milo evi trial archive is a significant historical resource for researchers from various fields This book extracts details from the collection of documentary and transcript evidence that makes up the trial record sources which would be almost impossible to extricate without an insider s guiding hand to allow readers to trace the threads of several historical narratives The value of this methodology is particularly evident in the Milo evi case as acting as his own defence counsel he responded to and interacted with almost all witnesses and evidence presented against him By providing snapshots of the behaviour displayed by Milo evi in court while conducting his defence in combination with passages of carefully selected evidence from an immense archive familiar to few scholars this volume reveals how these trial records and trail records in general are a truly invaluable historical source The book underlines the premise that any record of a mass atrocities trial whether finished or unfinished establishes a record of past events contributes to interpretations of a historical period and influences the shaping of collective memory This book will be of much interest to students of the Former Yugoslavia war crimes international law human rights international relations and European politics

Expert Psychological Testimony for the Courts Mark Costanzo,Daniel Krauss,Kathy Pezdek,2020-07-24 During the past two decades the frequency and range of expert testimony by psychologists have

increased dramatically Courts now routinely hear expert testimony from clinical cognitive developmental and social psychologists Expert Psychological Testimony for the Courts provides a comprehensive research based analysis of the content ethics and impact of expert testimony This book features leading scholars who have contributed to the scientific foundation for expert testimony and who have also served as expert witnesses The opening chapter explores issues surrounding the admissibility of expert testimony and the closing chapter explores the ethics and limits of psychological testimony Each of the intervening chapters focuses on a different area of expert testimony forensic identification police interrogations and false confessions eyewitness identification sexual harassment mitigation in capital cases the insanity defense battered women future dangerousness and child custody These chapters describe the typical content of expert testimony in a particular area evaluate the scientific foundation for testimony examine how jurors respond to expert testimony and suggest ways in which legal standards or procedures might be modified in light of psychological research This groundbreaking book should be on the shelf of every social scientist interested in the legal system and every trial attorney who is likely to retain a psychologist as an expert witness It can also serve as a text for advanced courses in psychology legal studies criminal justice law and sociology

The Phenomenology of Testimony, 2025-03-20 Testimony is a central topic in contemporary philosophy with a vast array of disciplines from epistemology to testimonial literature demonstrating considerable interest in it Among these approaches phenomenology and hermeneutics offer exemplary ways of capturing essential dimensions of testimony that are often overlooked This volume explores the fundamental issues at stake in such a hermeneutical phenomenology by developing new insights into the defining role testimony holds in shaping personal identity and human reality in general By examining how testimony is engaged in the creation of a common world that includes singular experiences the eleven essays collected here provide thought provoking questions for other concerned disciplines including history sociology and ecology

[How I Know God Answers Prayer: The Personal Testimony of One Life-Time](#) Rosalind Goforth, 2019-11-21 In *How I Know God Answers Prayer* The Personal Testimony of One Life Time Rosalind Goforth presents a deeply introspective narrative that intertwines personal anecdotes and spiritual reflections The book is structured around poignant moments of her life illustrating how prayer served as a sustaining force through trials and triumphs Goforth's literary style is characterized by sincerity and simplicity infused with a didactic tone that beckons readers to examine their own faith journeys This work finds its context within the early 20th century evangelical thought echoing the spiritual fervor of the time while offering profound insights into the transformative power of prayer Rosalind Goforth a prominent missionary and author draws heavily from her rich experiences in China alongside her husband Jonathan Goforth Her endeavors in missionary work undoubtedly shaped her understanding of prayer revealing it as both a personal lifeline and a communal bond among believers Goforth's life and writings reflect a deep commitment to her faith illustrating the lived realities of a woman navigating both joy and hardship in

the service of her beliefs This book is highly recommended for anyone seeking a deeper understanding of prayer's role in their spiritual life as well as for those interested in early 20th century missionary experiences Goforth's testimony is not just a personal chronicle but a universal invitation for readers to explore how prayer can be a source of divine connection and assurance in their own lives *Child Survivors of the Holocaust in Greece* Pothiti Hantzaroula, 2020-11-29 A historical investigation of children's memory of the Holocaust in Greece illustrates that age generation and geographical background shaped postwar Jewish identities The examination of children's narratives deposited in the era of digital archives enables an understanding of the age specific construction of the memory of genocide which shakes established assumptions about the memory of the Holocaust In the context of a global Holocaust memory established through testimony archives the present research constructs a genealogy of the testimonial culture in Greece by framing the rich source of written and oral testimonies in the political discourses and public memory of the aftermath of the Second World War The testimonies of former hidden children and child survivors of concentration camps illuminate the questions that haunted postwar attempts to reconstruct communities related to the specific evolution of genocide in Greece and to the rising anti-Semitism of postwar Greece As an oral history of child survivors of the Holocaust the book will be of interest to researchers in the fields of the history of childhood Jewish studies memory studies and Holocaust and genocide studies **Russian Nights Autocracy and Testimony: Life in Russia during the Soviet Period as Told by Those Who Lived it** Roberto Echavarren, 2023-09-12 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin's and Stalin's reigns of terror are far less known because they took place behind a wall of secrecy and survivors have been reluctant to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of testimonies gathered between 2001 and 2005 of actors implicated in different aspects of Russian life roughly through the period 1917-1956 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one Party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG Russian Nights offers a wide and detailed perspective of what we call the Russian Century Lenin's takeover the all powerful Party the GULAG and the Second World War *Testimonies of Transition* Marjory Harper, 2020-04-24 Marjory Harper explores the motives and experiences of migrants settlers and returners by focusing on the personal testimonies of the two million men women and children who left Scotland in the 20th century **Testimony and Trauma** Cristina Santos, Adriana Spahr, Tracy Crowe Morey, 2019-03-19 This book offers a collection of reflective essays on current testimonial production by researchers and practitioners working in multifaceted fields such as art and film performance public memorialization scriptotherapy and fictional and non-fictional testimony The interdisciplinary approach to the

question of testimony offers a current account of testimony's diversity in the twenty first century as well as its relevance within the fields of art storytelling trauma and activism The range of topics engage with questions of genre and modes of representation ethical and political concerns of testimony and the flaws and limitations of testimonial production giving testament to some of the ethical concerns of our present age Contributors are Alison Atkinson Phillips Olga Bezhanova Melissa Burchard Mateusz Chaberski Candace Couse Tracy Crowe Morey Marwa Sayed Hanafy Rachel Joy Emma Kelly Timothy Long Elizabeth Matheson Antonio Prado del Santo Christine Ramsay Cristina Santos and Adriana Spahr

History, Memory and Nostalgia in Literature and Culture Regina Rudaitytė,2018-07-27 The advent of the new age has alerted us to the conflicted nature of historical memory which defined the 20th century while simultaneously assaulting us with new historical upheavals that demand responsibility and critical consideration As the historical text bears traces of the writing subject the element of deception is remarkable meaning historical memory easily lends itself to forgery and false and subjective projections As such how do we think about the past about history about memory and how does memory function Is history an objective account a collection of dry reliable facts Is it an imaginative narrative tinged with nostalgia a projection of our wishful thinking the workings of our subjective perceptions and attitudes our states of mind The essays in this volume focus on the relevance of the past to the present and future in terms of the shifting attitudes to personal and collective experiences that have shaped dominant Western critical discourses about history memory and nostalgia The contributors here take issue with the epistemological hermeneutic ethical and aesthetic dimensions of the representational practices through which we revisit and revise the meaning of the past Political Conversion Don Waisanen,2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying

guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right
Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these
types of civic religious stories mean for democratic communication and communities
