# The Texans

Of all the Americans who went west in the 19th Century, none could match the singular record of the pioneers who boldly planted roots in Texas. They were the first Americans to settle the immense land west of the Missouri. They were the only Americans ever to settle in force in a land ruled by a large and unbending power. And they created the only American state ever to join the union as a prosperous and populous nation. All this the Texans accomplished with spectacular flourish, in barely four decades, under circumstances that would have defeated a less daring and ambitious

people. In this book you'll relive their sweeping history, complete with Texas-sized phenomena: frontiers on a colossal scale, fantastic business deals, incredible battles, larger than life heroes. You'll meet Stephen Austin, "Father of Texas," who nurtured the first colonists through a decade of hardships; Sam Houston, who later made Texas a nation and then a state; and dozens of other fascinating Texas characters. An absorbing text by David Nevin, himself a Texan, is accompanied by approximately 250 illustrations, many in color, including maps, sketches and paintings.

O. Durham, 2007 By 1919 Owen Durham was smack in the middle of the oil boom at a time when green money and amber booze flowed as freely as the thousands of barrels of black gold that surged from the ground each day His richly woven text encapsulates the awesome feeling of possibility that dominated American life in the early twentieth century when roughnecks from across the country swarmed to the oil towns to claim their share of the emerging wealth and a new subculture was born with its own laws customs and history      Forever Texas Mike Blakely, Mary Elizabeth Goldman, 2001-10-09 Featuring the writing of President Geogre W Bush H Ross Perot Phil Gramm Dale Evans Lyndon B Johnson Stephen Austin Sam Houston      **Earth Tales** Henry T. Conserva, 2001-07 This book presents 239 selected stories on the relationship between space geography and time history in human affairs The stories represent an infinitely small sampling of the myriad interrelationships of space and time      **The Texans - the Old West Series** , 1975      *The Texans* Time-Life Books, David Nevin, 1975 Text and numerous illustrations trace the history of Texas during the nineteenth century      Eighteen Minutes Stephen L. Crisp, 1983      **Time** Briton Hadden, Henry Robinson Luce, 1942      *The Confederates of Chappell Hill, Texas* Stephen Chicoine, 2010-07-27 Texas was the South s frontier in the antebellum period The vast new state represented the hope and future of many Southern cotton planters As a result Texas changed tremendously during the 1850s as increasing numbers of Southern planters moved westward to settle Planters brought with

them large numbers of slaves to plant cultivate and pick the valuable cash crop by 1860 slaves made up 30 percent of the total Texas population No state in the South grew nearly as fast as Texas during this decade and as the booming economy for cotton led the economic development the state became increasingly embroiled in the national debate about whether slavery should exist within a democratic republic dedicated to the freedom and independence of man This work is centered on the role played by the town of Chappell Hill during this portion of Texas history It offers details about the area s pre war prosperity as a center of wealth influence and aristocracy and describes the angry fervor of the period leading up to the war Men of this small town played a role in many of the major campaigns and battles of the war and their motivations for enlisting and their tales of duty are included here Through excerpts from their correspondence and journals the book emphasizes personal experiences of the soldiers Post war adventures are also offered as the author explores Texas resistance to Federal occupation the town s yellow fever epidemic and a period of reconciliation as aging veterans gather at Blue Gray reunions to reunite the nation

[The Gunfighters](#) Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts

To understand the truth of the Wild West is to understand a crucial dimension of the American story      **Death of a Legend**  
 Bill Groneman,1999-06-15 This is the first book to compile all the accounts debates and legends relating to Crockett s death  
 There is much controversy and Groneman discusses it all in this unique book It also shows how movies and television have  
 addressed the issue of this notable Texan s death      **Exodus from the Alamo** Phillip Thomas Tucker,2020-01-10 The award  
 winning historian provides a provocative new analysis of the Battle of the Alamo including new information on the fate of  
 Davy Crockett Contrary to legend we now know that the defenders of the Alamo during the Texan Revolution died in a  
 merciless predawn attack by Mexican soldiers With extensive research into recently discovered Mexican accounts as well as  
 forensic evidence historian Phillip Tucker sheds new light on the famous battle contending that the traditional myth is even  
 more off base than we thought In a startling revelation Tucker uncovers that the primary fights took place on the plain  
 outside the fort While a number of the Alamo s defenders hung on inside most died while attempting to escape Capt  
 Dickinson with cannon atop the chapel fired repeatedly into the throng of enemy cavalry until he was finally cut down The  
 controversy surrounding Davy Crockett still remains though the recently authenticated diary of the Mexican Col Jos Enrique  
 de la Pe a offers evidence that he surrendered Notoriously Mexican Pres Gen Antonio L pez de Santa Anna burned the bodies  
 of the Texans who had dared stand against him As this book proves in thorough detail the funeral pyres were well outside the  
 fort that is where the two separate groups of escapees fell on the plain rather than in the Alamo itself      **Savage Frontier**  
**Volume 1** Stephen L. Moore,2002 Annotation This first volume of the Savage Frontier series is a comprehensive account of  
 the formative years of the legendary Texas Rangers Stephen L Moore provides fresh detail about each ranging unit formed  
 during the Texas Revolution and narrates their involvement in the pivotal battle of San Jacinto and later battles at Parker s  
 Fort the Elm Creck Fight Post Oak Springs Massacre and the Stone Houses Fight Of particular interest to the reader will be  
 the various rosters of the companies which are found throughout the book The first edition was previously published by  
 Republic of Texas Press in paperback only it has now been reprinted in hardcover and paperback      *Savage Frontier*  
*Volume 2* Stephen L. Moore,2002 This second volume of the Savage Frontier series focuses on two of the bloodiest years of  
 fighting in the young Texas Republic 1838 and 1839      *Rio:* Georgina Gentry,2011-02-01 He s a man who burns as hot and  
 free as a wildfire and where love is concerned he s twice as dangerous Rio Rio Kelly knows what he wants when he sees it  
 and he wants the ebony haired fair skinned beauty with the extraordinary blue eyes Turquoise Sanchez But in the battle for  
 her love this bold vaquero is competing with a Texas senator who s used to getting his way at any cost Turquoise knows the  
 sensible choice would be to marry the wealthy senator and enjoy a lifetime of comfort and status But her heart has chosen  
 differently If she dares to follow her passion and defy one of Texas s most powerful and ruthless men she and her defiant  
 cowboy are in for the fight of their lives Praise for the novels of Georgina Gentry Delicious entertaining full of action snappy  
 dialogue and humorous characters readers will laugh out loud with this winner Romantic Times on To Wed a Texan 4 stars

The most delightful western of the season Romantic Times on To Tempt a Texan 4 1 2 stars Top Pick and KISS Award for the hero Gentry has cleverly given the Beauty and the Beast tale a western twist Booklist on Diablo Emily D. West and the "Yellow Rose of Texas" Myth Phillip Thomas Tucker,2014-02-07 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth
