Davis,2019-12-13 East Texas Nan s Favorite 1 000 Quotes on Inspiration Wisdom Humor Texas More By Susan G Davis In 1995 Susan G Davis Nan is what Susan s 5 year old grandson called her 5 year old grandson Clint gave her a journal for Christmas He suggested why don t you put all of those quotes you re collecting in that old notebook in this journal So for 20 years Davis filled her journal When Clint came home on leave from the Air Force and asked her about the journal he was surprised that she had accumulated enough information to fill the entire journal It was he who suggested she put together her collection and create this book for everyone to enjoy Within the pages of *East Texas Nan s Favorite 1 000 Quotes on Inspiration Wisdom Humor Texas More* Davis hopes that anyone can walk away with something that will enrich their daily lives Whether it be a ray of optimism an answered question inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit This little book has something for everyone and can be read over and over      The Cattleman ,1954      **Echoes of Texas Football** Triumph Books,2006-09 With the popularity of Texas football across the country at its height this account details the roots of the Longhorns glory their modern day triumphs and everything in between for the legions of Texas fans everywhere The book goes back in time to the early years of Texas football and traces its footsteps to becoming a powerhouse on the college football scene recounting the greatest moments in the team s lore and covering the intense rivalries with Oklahoma and Texas A M      **Turning Texas Blue** Mary Beth Rogers,2016-01-19 In the 2014 midterm election Democrats in Texas did not receive even 40 percent of the statewide vote Republicans swept the tables both in Texas and nationally But even after two decades of democratic losses there is a path to turn Texas blue argues Mary Beth Rogers if Democrats are smart enough to see and follow it Rogers is the last person to successfully campaign manage a Democrat Governor Ann Richards to the statehouse in Austin In a lively narrative Rogers tells the story of how Texas moved so far to the right in such a short time and how Democrats might be able to move it back to the center And argues Rogers that will mean a lot more of an effort than simply waiting for the state s demographics to shift even further towards Hispanics a risky proposition at best Rogers identifies a ten point path for Texas Democrats to win at the statewide level and to build a base vote that would allow Texas to become a swing vote player in national politics once again One part of that shift starts with local Democratic candidates in local Republican communities making the connection between controversial local issues or problems and the statewide Republican policies that ignore or create them For example in a 2014 election in Denton a Republican suburb voters approved Texas s first ban on hydraulic fracking The next day though a Republican Texas agency official announced that Texas would not honor the town s vote to ban No democratic candidate picked up the issue Change won t come easily argues Rogers But if Texas shifts to even a pale shade of purple it changes everything in American politics today      Texas Rich Fern Michaels,2013-03-01 First in the Texas

series from the 1 New York Times bestselling author One of those rare books the kind the reader doesn't want to end Green Bay Press Gazette Young Billie Ames was naive but a real knockout when she met Moss Coleman at the Philadelphia Navy Yard during World War II Within a few months she was pregnant and married to him It was a marriage that brought Billie and her mother Agnes across the country to Austin to a 250 000 acre spread called Sunbridge and into the world of the Texas rich Billie works to acclimate to Texas and her new home at Sunbridge her role as Moss wife and the challenges she faces from her social climbing mother her gruff and demanding father in law and the events of the world around her We see Billie grow stronger in heart mind and belief as her children are born her marriage to Moss changes and she comes into her own as a Coleman and a woman in her own right A big rich book in every way I think Fern Michaels has struck oil with this one Patricia Matthews A steaming sprawling saga As always Fern Michaels writes a full story with bigger than life characters we would look forward to meeting Romantic Times Fine fare for Fern Michaels's fans The Philadelphia Inquirer
