Texas Justice:

Texas People's Court Mark Dunn, 2022-03-01 From 1983 to 1987 author Mark Dunn worked as a court clerk for a justice of the peace in Travis County Texas where he says I learned more about human nature than I could have learned in any other job I might have taken up as a bushy tailed kid from Tennessee Based on interviews with 200 justices of the peace from all parts of Texas Texas People's Court promises to take readers on a tour of what it means to be a Texas justice of the peace an experience that is by turns hilarious sobering heart wrenching and from one end to the other fascinating Here in the Texas justice court wrongs can be righted and lives changed in profound ways A priceless family necklace might finally be restored to the rightful owner an occupational driver's license fortuitously granted A death inquest may become an opportunity for family reflection and valediction with the attending judge as sympathetic witness In each of its chapters Texas People's Court takes up a different aspect duty or area of thought related to the profession of justice of the peace taken from conversations with JPs throughout the state of Texas from those who serve in its most populous municipalities to rural county JPs putting a human face on the responsibilities attitudes and perspectives that motivate their judgments The result is a thoroughly entertaining sympathetic view of what Dunn calls the day to day observation of human conflict in microcosm **Justice**

Required Robert J. Durán, Oralia Loza, 2025-10-07 Police have remarkably broad discretion to use deadly force Evidence shows that more than 1 000 shooting deaths occur each year at the hands of the police in the United States disproportionately in minority communities and often under questionable circumstances Despite public outrage there continue to be obstacles to assessing the extent of bias and addressing the harms of police violence including a lack of transparency and limitations on access to data **Justice Required** is a groundbreaking quantitative and qualitative investigation of police violence Robert J Dur n and Oralia Loza provide a comprehensive data analysis of all police shootings in Denver Colorado over nearly forty years highlighting persistent patterns of racial and ethnic inequality They examine the institutional and political dynamics that thwart efforts to hold police officers accountable after controversial incidents Dur n and Loza contextualize the data with regional comparisons and enliven the analysis with vivid storytelling **Justice Required** argues that while police shootings are typically treated as a criminal justice issue they should be understood as a public health problem Rigorous and urgent this book provides evidence based data driven solutions to prevent further loss of life and promote accountability **Texas Justice** Gary Cartwright, 1995 The fast living of the Texas rich is the focal point of this true crime story about the murder trials of a multimillionaire oilman acquitted of the murder of his wife's lover and daughter

Justice Reinvestment David Brown, Chris Cunneen, Melanie Schwartz, Julie Stubbs, Courtney Young, 2016-01-26 Justice reinvestment was introduced as a response to mass incarceration and racial disparity in the United States in 2003 This book examines justice reinvestment from its origins its potential as a mechanism for winding back imprisonment rates and its portability to Australia the United Kingdom and beyond The authors analyze the principles and processes of justice reinvestment including the early neighborhood focus on million dollar blocks They further scrutinize the claims of evidence based and data driven policy which have been used in the practical implementation strategies featured in bipartisan legislative criminal justice system reforms This book takes a comparative approach to justice reinvestment by examining the differences in political legal and cultural contexts between the United States and Australia in particular It argues for a community driven approach originating in vulnerable Indigenous communities with high imprisonment rates as part of a more general movement for Indigenous democracy While supporting a social justice approach the book confronts significantly the problematic features of the politics of locality and community the process of criminal justice policy transfer and rationalist conceptions of policy It will be essential reading for scholars students and practitioners of criminal justice and criminal law
