Street Players Kinohi Nishikawa, 2019-01-11 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and Westerns From Iceberg Slim's Pimp to Donald Goines's Never Die Alone the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity Zeroing in on Holloway House Street Players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers Kinohi Nishikawa contends that black pulp fiction was built on white readers fears of the feminization of society and the appeal of black masculinity as a way to counter it In essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers When it closed Holloway House was synonymous with genre fiction written by black authors for black readers a field of cultural production that Nishikawa terms the black literary underground But as Street Players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction s origins that cannot be ignored **Delta Crossing** Joseph Nazel, 1984 He was a college professor on a field trip to do research on blues music What could be more innocent Then why had he been kidnapped and driven into the swamps Why had those men back there tried to kill him Then he heard it Sunday night music from an old country church He would be safe there safe from whatever sort of madness was chasing him back there in the woods How was he to know that in the Deep Delta country venomous deceit and monstrous evil is sometimes masked by the smiling face that calls you brother Back cover Fiction Writer's Market, 1984-1985 Jean Fredette, 1984-04 New York Magazine ,1983-05-30 New York magazine was born in 1968 after a **Passions** Rosanne Bittner, 2019-09-30 run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **David Lynch** Greg Olson, 2008-09-29 For nearly 40 years David Lynch s works have enthralled mystified and provoked viewers Lynch s films delve into the subjective consciousness of his characters to reveal both the depraved darkness and luminous spirituality of human nature From his experimental shorts of the 1960s to feature films like Eraserhead The Elephant Man Blue Velvet Mulholland Drive and INLAND EMPIRE Lynch has
