civil rights activism Beginning in the 1930s Max Krochmal tells the story of the decades long struggle for democracy in Texas when African American Mexican American and white labor and community activists gradually came together to empower the state s marginalized minorities At the ballot box and in the streets these diverse activists demanded not only integration but economic justice labor rights and real political power for all Their efforts gave rise to the Democratic Coalition of the 1960s a militant multiracial alliance that would take on and eventually overthrow both Jim Crow and Juan Crow Using rare archival sources and original oral history interviews Krochmal reveals the often overlooked democratic foundations and liberal tradition of one of our nation s most conservative states Blue Texas remembers the many forgotten activists who by crossing racial lines and building coalitions democratized their cities and state to a degree that would have been unimaginable just a decade earlier and it shows why their story still matters today **Forever Texas** Mike Blakely, Mary Elizabeth

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
