

TEXAS RIVERMAN

The Life and Times of Captain Andrew Smyth

WILLIAM SEALE

Texas Riverman The Life And Times Of Captain Andrew Smyth

Robert R. Redfield

Texas Riverman The Life And Times Of Captain Andrew Smyth:

Texas Riverman William Seale, 1966 Joe, the Slave Who Became an Alamo Legend Ron J. Jackson, Lee Spencer White, 2015-03-02 If we do in fact remember the Alamo it is largely thanks to one person who witnessed the final assault and survived the commanding officer's slave a young man known simply as Joe What Joe saw as the Alamo fell recounted days later to the Texas Cabinet has come down to us in records and newspaper reports But who Joe was where he came from and what happened to him have all remained mysterious until now In a remarkable feat of historical detective work authors Ron J Jackson Jr and Lee Spencer White have fully restored this pivotal yet elusive figure to his place in the American story The twenty year old Joe stood with his master Lieutenant Colonel Travis against the Mexican army in the early hours of March 6 1836 After Travis fell Joe watched the battle's last moments from a hiding place He was later taken first to Bexar and questioned by Santa Anna about the Texan army and then to the revolutionary capitol where he gave his testimony with evident candor With these few facts in hand Jackson and White searched through plantation ledgers journals memoirs slave narratives ship logs newspapers letters and court documents Their decades long effort has revealed the outline of Joe's biography alongside some startling facts most notably that Joe was the younger brother of the famous escaped slave and abolitionist narrator William Wells Brown as well as the grandson of legendary trailblazer Daniel Boone This book traces Joe's story from his birth in Kentucky through his life in slavery which in a grotesque irony resumed after he took part in the Texans battle for independence to his eventual escape and disappearance into the shadows of history Joe the Slave Who Became an Alamo Legend recovers a true American character from obscurity and expands our view of events central to the emergence of Texas

A Death in Texas Dina Temple-Raston, 2003-01-02 An extraordinary account of how a small Texas town struggled to come to grips with its racist past in the aftermath of the brutal murder of James Byrd Jr On June 7 1998 a forty nine year old black man named James Byrd Jr was chained to the bumper of a truck and dragged three miles down a country road by a trio of young white men It didn't take long for the residents of Jasper Texas to learn about the murder or to worry that the name of their town would become the nation's shorthand for hate crimes From the initial investigation through the trials and their aftermath A Death in Texas tells the story of the infamous Byrd murder as seen through the eyes of enlightened Sheriff Billy Rowles What he sees is a community forced to confront not only a grisly crime but also antebellum traditions about race Drawing on extensive interviews with key players journalist Dina Temple Raston introduces a remarkable cast of characters from the baby faced killer Bill King to Joe Tonahill Jasper's white patriarch who can't understand the furor over the killing There's also James Byrd the hard drinking victim with his own dark past the prosecutor and defense attorneys and Bill King's father who is dying of a broken heart as he awaits his son's execution Just as Bernard Lefkowitz pulled back the curtain on Glenridge New Jersey in his classic work *Our Guys* Temple Raston goes behind the scenes in Jasper Texas to tell the story of a town where racism and evil made itself at home *Sam Houston's Wife* William

Seale,1992 Although Sam Houston has been the subject of several biographies and many historical articles little attention has been paid to his third wife whose enormous influence on the Liberator of Texas has never before been examined closely In this first biography of Margaret Lea Houston a remarkable woman is finally awakened from the historical sleep which has enveloped her for over a century Alabama born Margaret Lea was just a schoolgirl when she first saw Sam Houston arrive at New Orleans after the Battle of San Jacinto to have his wounds tended She later described having a premonition that she would some day meet Sam Houston says William Seale But she told that story many years later after she had become his wife For marry Sam Houston she did in the face of strong opposition of family and friends and of Houston s friends and advisers Twenty six years younger than her husband this protected child of a Baptist minister set out to change the life of the frontier hero Aware that alcoholism and the sorrows of personal misfortune weighed upon him she battled the former and sought to alleviate the latter Her abiding faith in him coupled with his unceasing devotion to her and to their children is a central theme of this book The author explores the personality of Margaret the idealist whose absorption in religion often led her to melancholia the reader of romances who was never able to come to terms with the Texas wilderness the wife who strummed her guitar and wrote love poems during her husband s absences on affairs of state This account of Sam Houston s wife which presents details of the general s life not hitherto explored is in addition a colorful picture of the time in which she lived It is a realistic appraisal of Sam and Margaret Houston to which the author has brought a fresh and sympathetic understanding In writing the richly human story he has made extensive use of unpublished manuscripts and original documents in private hands and public archives

The Alcalde ,1966-06 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

Riverwoods Charles Kruvand,2018-09-05 In this stunning photographic tribute to one of Texas most intriguing and perhaps least understood rivers Riverwoods Exploring the Wild Neches takes readers on a unique adventure along and sometimes into the wild and murky waters of the Neches River The Neches flows through the heart of East Texas past primordial bottomland forests timber and oil industries and elusive denizens humans alligators bobcats and herons

Although the river and its watershed have inspired authors artists and photographers it can also seem impenetrable intimidating or just plain unsightly to outsiders Spending many days canoeing the river and nights camping on the banks Charles Kruvand was drawn to the complicated allure of the Neches river and woods Once common across the southeastern United States the Neches bottomland forests exemplify an ecosystem that has almost passed out of existence Thad Sitton an East Texas native and noted historian opens the book with an introduction to the historical cultural and ecological significance of the Neches River He takes readers through time from early Native American inhabitants to Spanish and Anglo settlers to present day East Texans He also describes the environmental battles fought over preserving parts of the river woodlands surrounding the waterway and wildlife that have depended on the river for sustenance Through beautiful photographs and stirring recollections of his trip along the river Charles Kruvand weaves a rare portrait of one of the last wild rivers in Texas

From Sail to Steam Richard V. Francaviglia, 2010-06-28 The story of the ships mariners and ports that formed a vital connection between Texas and the rest of the world A first stop reference The Journal of American History Second Place Presidio La Bahia Award Sons of the Republic of Texas The Gulf Coast has been a principal place of entry into Texas ever since Alonso Alvarez de Pineda explored these shores in 1519 Yet nearly five hundred years later the maritime history of Texas remains largely untold In this book Richard V Francaviglia offers a comprehensive overview of Texas merchant and military marine history drawn from his own extensive collection of maritime history materials as well as from research in libraries and museums around the country Based on recent discoveries in nautical archaeology Francaviglia tells the stories of the Spanish flotilla that wrecked off Padre Island in 1554 and of La Salle s flagship Belle which sank in 1687 He explores the role of the Texas Navy in the Texas Revolution of 1835 1836 and during the years of the Texas Republic and also describes the Civil War battles at Galveston and Sabine Pass Finally he recounts major developments of the nineteenth century concluding with the disastrous Galveston Hurricane in 1900 More than one hundred illustrations many never before published complement the text Although there have been many excellent and valuable books published previously on specific topics in Texas maritime development e g the Texas Navy river trade the Civil War etc we have been waiting a long time for a single volume that ties all those loose threads together into a single cohesive whole Andrew W Hall specialist in Texas marine history and archaeology

The Journal of Southern History Wendell Holmes Stephenson, 1967 Includes section Book reviews CRM , 2003 National Union Catalog , 1956 Includes entries for maps and atlases **Index to the Louisiana Studies** , 1979 **The Making of a Southern Sawmill World** Steven Andrew Reich, 1998 *The Publishers' Trade List Annual* , 1979 *Library of Congress Catalogs* Library of Congress, 1970 University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System).
