Men's Association of the City of Buffalo Young Men's Association of the City of Buffalo, 1864 **Texas Divided** James Marten, 2021-10-21 The Civil War hardly scratched the Confederate state of Texas Thousands of Texans died on battlefields hundreds of miles to the east of course but the war did not destroy Texas s farms or plantations or her few miles of railroads Although unchallenged from without Confederate Texans faced challenges from within from fellow Texans who opposed their cause Dissension sprang from a multitude of seeds It emerged from prewar political and ethnic differences it surfaced after wartime hardships and potential danger wore down the resistance of less than enthusiastic rebels it flourished as some reaped huge profits from the bizarre war economy of Texas Texas Divided is neither the history of the Civil War in Texas nor of secession or Reconstruction Rather it is the history of men dealing with the sometimes fragmented southern society in which they lived some fighting to change it others to preserve it and an examination of the lines that divided Texas and Texans during the sectional conflict of the nineteenth century **The African American Experience in Texas** Bruce A. Glasrud, James Smallwood, 2007 The African American Experience in Texas collects for the first time the finest historical research and writing on African Americans in Texas Covering the time period between 1820 and the late 1970s the selections highlight the significant role that black Texans played in the development of the state Topics include politics slavery religion military experience segregation and discrimination civil rights women education and recreation This anthology provides new insights into a previously neglected part of American history and is essential reading for anyone interested in the history of black Texans **Annual Report of the Executive Committee of the Young Men's Association of the City of Buffalo, and the Record of the Proceedings of the Annual Meeting of the Association, Also, the ... Annual Report of the Real Estate Commissioners of the Association** , 1861 *Black Churches in Texas* Clyde McQueen, 2000 In this book the author catalogues 375 black congregations each at least one hundred years old in the parts of Texas where most blacks were likely to have settled east of Interstate Highway 35 and from the Red River to the Gulf of Mexico Ninety nine counties are divided into five regions Central Texas East Texas the Gulf Coast North Texas and South Texas **Last Seen** Judith Giesberg, 2025-02-04 Drawing from an archive of nearly five thousand letters and advertisements the riveting dramatic story of formerly enslaved people who spent years searching for family members stolen away during slavery Of all the many horrors of slavery the cruelest was the separation of families in slave auctions Spouses and siblings were sold away from one other Young children were separated from their mothers Fathers were sent down river and never saw their families again As soon as slavery ended in 1865 family members began to search for one another in some cases persisting until as late as the 1920s They took out information wanted advertisements in newspapers and sent letters to the editor Pastors in churches across the country read these advertisements from the pulpit expanding the search to those who had never learned to read or who did not have access to newspapers These documents demonstrate that even as most white Americans and even some younger Black Americans too wanted to put slavery in the past many former slaves members of the Freedom Generation

continued for years and even decades to search for one another These letters and advertisements are testaments to formerly enslaved people s enduring love for the families they lost in slavery yet they spent many years buried in the storage of local historical societies or on microfilm reels that time forgot Judith Giesberg draws on the archive that she founded containing almost five thousand letters and advertisements placed by members of the Freedom Generation to compile these stories in a narrative form for the first time Her in depth research turned up additional information about the writers their families and their enslavers With this critical context she recounts the moving stories of the people who placed the advertisements the loved ones they tried to find and the outcome of their quests to reunite This story underscores the cruelest horror of slavery the forced breakup of families and the resilience and determination of the formerly enslaved Thoughtful heart wrenching and illuminating Last Seen finally gives this lesser known aspect of slavery the attention it deserves Bulletin ,1924 *History of the north Mexican states and Texas. 1886-89* Hubert Howe Bancroft,1889 **White Metropolis** Michael Phillips,2010-01-01 Winner T R Fehrenbach Award Texas Historical Commission 2007 From the nineteenth century until today the power brokers of Dallas have always portrayed their city as a progressive pro business racially harmonious community that has avoided the racial ethnic and class strife that roiled other Southern cities But does this image of Dallas match the historical reality In this book Michael Phillips delves deeply into Dallas s racial and religious past and uncovers a complicated history of resistance collaboration and assimilation between the city s African American Mexican American and Jewish communities and its white power elite Exploring more than 150 years of Dallas history Phillips reveals how white business leaders created both a white racial identity and a Southwestern regional identity that excluded African Americans from power and required Mexican Americans and Jews to adopt Anglo Saxon norms to achieve what limited positions of power they held He also demonstrates how the concept of whiteness kept these groups from allying with each other and with working and middle class whites to build a greater power base and end elite control of the city Comparing the Dallas racial experience with that of Houston and Atlanta Phillips identifies how Dallas fits into regional patterns of race relations and illuminates the unique forces that have kept its racial history hidden until the publication of this book **The Publishers Weekly** ,1907 **Texas Almanac** ,2008 History of the North Mexican States and Texas: "History of the north Mexican states and Texas", 1801-1889 Hubert Howe Bancroft,1889 **The Pirates Laffite** William C.
