We were created in the image of our Creator. It was a perfect and loving relationship, but when Adam and Eve chose evil over that relationship with their Creator, that image of God we were created with was lost to us. In our world today, many Christians are more attuned to the world than to God's Word. Many seem to have the attitude that because they are in the world, they must be like the world. But this world is not anything like God, and Christians need to come to the certain knowledge that they are in the world but not of the world. We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil. Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be. This ought to be our goal in life: to be like God, to do our very best to live in the image of God. This book is a daily devotional of biblical attitudes, characteristics of Jesus Christ, the deep meaning and example of God's amazing precepts and loving actions. God gave us a book to show us His right and loving law, but when Jesus came, He condensed all of the Father's law into just two. Jesus said to him, "You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself." On these two commandments hang all the Law and the Prophets. Matthew 22:37-40. It is my sincere hope that this book of devotions will help all who read it to know God better, to love Him more, and to understand what the true image of God means. 451

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
