The Healing Connection The Story Of A Physicians Search For The Link Between:

Healing Connection Harold Koenig, Gregg Lewis, 2004-05 The name Harold G Koenig is well known in the fast growing field of spirituality and health Founder and director of the widely respected Duke University Center for the Study of Religion Spirituality and Health Dr Koenig is recognized worldwide for his groundbreaking work in medical science and religious faith In this book now available in paperback he shares his remarkable personal story and shows how personal trials became the catalyst for his pioneering research *Why Religions Work* Eleanor Stoneham, 2012-10-29 God and religion come in for bad press these days Is religion worth keeping Are militant atheists misguided Do religion and spirituality need each other Is it possible to build tolerance and respect in a divided world And can science play a role Eleanor Stoneham explains why the answer to all these questions is a resounding yes It is true that religions need to change and become more relevant for today's needs But supposing science also changed shed its shackles of conventional materialistic dogma based on some shaky assumptions and looked with new eyes at religious beliefs such as prayer distance healing and life after death Is it possible that the latest ideas on empathy and consciousness could be narrowing the gulf between science and religion In our quest for a more just and peaceful society could these same ideas help us find stronger inter religious bonds of respect and understanding at the level of heart and soul This book will help lay persons and clergy alike relate church tradition to the wider world of science spirituality and interfaith issues It will challenge the spiritual but not religious It will make the faithful think And it will test those convinced that their religion or faith is the only way to enlightenment the only path to Truth

Sir John Templeton Robert Herrmann, 2013-11-04 The biography of the Wizard of Wall Street who has dedicated his life to advancing the scientific study of spiritual realities has been revised and updated Sir John Templeton was an inspiring and motivational force both through his personal example and through the foundation that bears his name and is dedicated to his mission This volume reviews the life of this man of vision from his childhood in rural Tennessee to his education at Yale and Oxford to his legendary years on Wall Street the birth of his children and the development and growth of humility theology science Interwoven with the stories and facts are the roots of his faith and the values that he credits for his financial success and are the catalyst for his lifelong mission Sir John's biography updates the growth of the many and varied programs of the John Templeton Foundation that support this mission It also introduces some of the scientists theologians philosophers writers and fellow investors who now serve as staff and advisors to the John Templeton Foundation striving toward Sir John's goal of one hundred fold more spiritual information gained through the application of scientific methodology and analysis

Ministering to Older Adults Donald Koepke,2005 This book answers the critical need for a ministry that doesn't center primarily on youth and families in its outreach instead presenting a step by step guide to developing a ministry for the aged that is focused on the needs and resources of each congregation

Healing This Wounded Earth Eleanor Stoneham,2011-03-16 The world is seriously wounded threatened by violence egocentricity and mass consumerism Government intervention alone will never solve society's problems We need personal responsibility and healing on a global scale This carefully researched book skillfully weaves science and spirituality with philosophy and ancient wisdom using potent imagery of the Wounded Healer embodied in the life of Jesus Christ the story of the healing centaur Chiron and the work of the indigenous shaman Through suffering his own physical and mental wounds the Wounded Healer acquires a special empathy for recognizing and healing the wounds of others This book is full of hope as it speaks to a palpable global shift towards holistic and spiritual values Through the healing needs of relationship our economy our environment and the living Gaia and finally the curing professions of pastoral and medical care it shows how we may all become catalysts for social change for a happier and more peaceful world

Authority to Heal Randy Clark,2017-01-17 The Supernatural Quest to Restore Your Lost Birthright The Bible is filled with divine healing From cover to cover Scripture reveals many miraculous healings where the sick terminally ill and even the dead are restored to wholeness So how did healing something natural for Jesus and the early church become

Spirituality and Health Research Harold G Koenig,2012-01-15 In Spirituality and Health Research Methods Measurement Statistics and Resources Dr Harold G Koenig leads a comprehensive overview of this complex subject Dr Koenig is one of the world's leading authorities on the relationship between spirituality and health and a leading researcher on the topic As such he is distinctively qualified to author such a book This unique source of information on how to conduct research on religion spirituality and health includes practical information that goes well beyond what is typically taught in most undergraduate graduate or even post doctoral level courses This volume reviews what research has been done discusses the strengths and limitations of that research provides a research agenda for the future that describes the most important studies that need to be done to advance the field and describes how to actually conduct that research design statistical analysis and publication of results It also covers practical matters such as how to write fundable grants to support the research where to find sources of funding support for

research in this area and what can be done even if the researcher has little or no funding support The information gathered together here which has been reviewed for accuracy and comprehensiveness by research design and statistical experts has been acquired during a span of over twenty five years that Dr Koenig spent conducting research reviewing others research reviewing research grants and interacting with mainstream biomedical researchers both within and outside the field of spirituality and health The material is presented in an easy to read and readily accessible form that will benefit researchers at almost any level of training and experience

Transforming Wisdom Felicity Kelcourse, K. Brynolf Lyon, 2015-10-09

Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented

Medicine, Religion, and Health Harold G Koenig, 2008-09-01

Medicine Religion and Health Where Science and Spirituality Meet will be the first title published in the new Templeton Science and Religion Series in which scientists from a wide range of fields distill their experience and knowledge into brief tours of their respective specialties In this the series maiden volume Dr Harold G Koenig provides an overview of the relationship between health care and religion that manages to be comprehensive yet concise factual yet inspirational and technical yet easily accessible to nonspecialists and general readers Focusing on the scientific basis for integrating spirituality into medicine Koenig carefully summarizes major trends controversies and the latest research from various disciplines and provides plausible and compelling theoretical explanations for what has thus far emerged in this relatively young field of study Medicine Religion and Health begins by defining the principal terms and then moves on to a brief history of religion's role in medicine before delving into the current state of research Koenig devotes several chapters to exploring the outcomes of specific studies in fields such as mental health cardiovascular disease and mortality The book concludes with a review of the clinical applications derived from the research Koenig also supplies several detailed appendices to aid readers of all levels looking for further information Medicine Religion and Health will shed new light on critical contemporary issues They will whet readers appetites for more information on this fascinating complex and controversial area of research clinical

activity and widespread discussion It will find a welcome home on the bookshelves of students researchers clinicians and other health professionals in a variety of disciplines
