The Heritage Of The First Christians:

The Heritage of the First Christians Carsten Peter Thiede,1992 *A History of the First Christians* Alexander J. M. Wedderburn,2004-01-01 This work provides a survey of the history of the earliest Christian church in the period up to the fall of Jerusalem It concentrates on the figure of Paul judicious and critical use of information in the Book of Acts Judaizing versions of Christianity and the Johannine tradition The approach steers a middle way between an over simplified account which fails to warn students where scholarly opinion is divided and an in depth academic study which attempts to document and discuss every hypothesis Wedderburn focuses on aspects of central importance the changing shape of church life and developing Christianity in relation to the Roman Empire and to Judaism This book seeks to draw together and make more readily accessible many new insights gained from an enormous range of recent scholarly studies in German and English and places them in the context of a more general account *A History of the First Christians* ,2004-01-30 This work provides a survey of the history of the earliest Christian church in the period up to the fall of Jerusalem It concentrates on the figure of Paul judicious and critical use of information in the Book of Acts Judaizing versions of Christianity and the Johannine tradition The approach steers a middle way between an over simplified account which fails to warn students where scholarly opinion is divided and an in depth academic study which attempts to document and discuss every hypothesis Wedderburn focuses on aspects of central importance the changing shape of church life and developing Christianity in relation to the Roman Empire and to Judaism This book seeks to draw together and make more readily accessible many new insights gained from an enormous range of recent scholarly studies in German and English and places them in the context of a more general account

The Theology of the First Christians Walter Schmithals,1997-01-01 In *The Theology of the First Christians* Walter Schmithals offers a comprehensive history of the development of religious thought from the preaching of Jesus to the formation of the New Testament canon This well researched volume will be of great interest to New Testament scholars and students **The Urban World and the First Christians** Steve Walton,Paul Trebilco,David W. J. Gill,2017-09-18 In the tradition of *The First Urban Christians* by Wayne Meeks this book explores the relationship between the earliest Christians and the city environment Experts in classics early Christianity and human geography analyze the growth development and self understanding of the early Christian movement in urban settings The book s contributors first look at how the urban physical cultural and social environments of the ancient Mediterranean basin affected the ways in which early Christianity progressed They then turn to how the earliest Christians thought and theologized in their engagement with cities With a rich variety of expertise and scholarship *The Urban World and the First Christians* is an important contribution to the understanding of early Christianity *Jewish Traditions in Early Christian Literature, Volume 4 Jewish Apocalyptic Heritage in Early Christianity* William Adler,James VanderKam,1996-01-01 This volume contains five chapters which investigate the early Christian appropriations of Jewish apocalyptic material An introductory chapter surveys ancient perceptions of the

apocalypses as well as their function authority and survival in the early Church The second chapter focuses on a specific tradition by exploring the status of the Enoch literature the use of the fallen angel motif and the identification of Enoch as an eschatological witness Christian transmission of Jewish texts a topic whose significance is more and more being recognized is the subject of chapter three which analyzes what happened to 4 5 and 6 Ezra as they were copied and edited in Christian circles Chapter four studies the early Christian appropriation and reinterpretation of Jewish apocalyptic chronologies especially Daniel's vision of 70 weeks The fifth and last chapter is devoted to the use and influence of Jewish apocalyptic traditions among Christian sectarian groups in Asia Minor and particularly in Egypt Taken together these chapters written by four authors offer illuminating examples of how Jewish apocalyptic texts and traditions fared in early Christianity Editors James C VanderKam is lecturing at the University of Notre Dame William Adler is lecturer at North Carolina State University Series Compendia Rerum Iudaicarum ad Novum Testamentum Section 1 The Jewish people in the first century Historical geography political history social cultural and religious life and institutions Edited by S Safrai and M Stern in cooperation with D Flusser and W C van Unnik Section 2 The Literature of the Jewish People in the Period of the Second Temple and the Talmud Section 3 Jewish Traditions in Early Christian Literature *A Concise History of the Christian Church, from Its First Establishment to the Present Time* Martin Ruter, 1839 *The First Christians in the Roman World* E. A. Judge, 2008 Collection of previously published essays and lectures **The First Christian Historian** Daniel Marguerat, 2002-09-05 As the first historian of Christianity Luke's reliability is vigorously disputed among scholars The author of the Acts is often accused of being a biased imprecise and anti Jewish historian who created a distorted portrait of Paul Daniel Marguerat tries to avoid being caught in this true false quagmire when examining Luke's interpretation of history Instead he combines different tools reflection upon historiography the rules of ancient historians and narrative criticism to analyse the Acts and gauge the historiographical aims of their author Marguerat examines the construction of the narrative the framing of the plot and the characterization and places his evaluation firmly in the framework of ancient historiography where history reflects tradition and not documentation This is a fresh and original approach to the classic themes of Lucan theology Christianity between Jerusalem and Rome the image of God the work of the Spirit the unity of Luke and the Acts **An epitome of the history of the Christian Church during the first three centuries; and of the Reformation in England** William Simpson, 1857
