The Interpretation Of The Epistles Of St Peter St John And St Jude:

The Interpretation of the Epistles of St. Peter, St. John and St. Jude Richard Charles Henry Lenski, 1945 **The epistles of st. James, st. Peter, st. John, & st. Jude explained by G.B.** Gracilla Boddington, 1852 The Interpretation of the Epistles of St. Peter, St. John, and St. Jude Richard C. Lenski, 1998 **1st, 2nd, and 3rd John Reflecting the Love of God** Practical Christianity Foundation, 2020-08-08 Reflecting the Love of God a collection of three powerful and inspired letters to all Christians concerning the certainty of God's salvation exhorting believers to grow in godly life reflecting His Love and understanding His truth **1 & 2 Peter, Jude (Understanding the Bible Commentary Series)** Norman Hillyer, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **The Bible Knowledge Commentary Epistles and Prophecy** John F. Walvoord, Roy B. Zuck, 2018-03-01 Teachings of God's Grace His Character and Christ's Coming Return Letters to the early church have inspired Christians for thousands of years From the relationship between the New Covenant and the Old Covenant in Hebrews to the practical wisdom of James to the warnings of Jude each of these epistles has much to tell us about following Christ today This exposition looks at what these letters teach us about God's character His relationship with His people and His call for our commitment The authors also help us better understand the book of Revelation one of the most misunderstood books of the Bible Though Revelation is often daunting to laypeople and scholars alike The Bible Knowledge Commentary gives life changing insight into the interpretation purpose and application of this profound book Together the later epistles and the book of Revelation offer explanations of God's ancient truths and hope for a world to come **A Commentary on I Peter** Leonhard Goppelt, 1993 This is a print on demand book and is therefore non returnable The work of a highly esteemed New Testament scholar this commentary on I Peter has unparalleled breadth and depth and reflects a lifetime of devoted scholarship Leonhard Goppelt presents here a rich exposition of I Peter that New Testament students and scholars will consult time and again with great profit Goppelt's detailed section by section and phrase by phrase commentary is preceded by a complete up to date bibliography and an extended introduction Scattered throughout the commentary are special notes and excursuses on several themes and issues related to the text of the letter The footnotes contain a wealth of bibliographical information which has been updated by translator John Alsup and an appendix by Alsup provides a brief appreciative survey of the life and works of Leonhard Goppelt Besides its unusually thorough treatment of the biblical text and the history of interpretation what distinguishes this commentary is Goppelt's balanced focus on I Peter as a document setting forth social

ethical guidelines for Christians not just in the first century but in today's world as well. A scholarly Christian classic, this monumental commentary on I Peter will find a welcome place in seminary courses, New Testament social ethics in theological libraries, and in pastors' studies.

Vital Biblical Issues Roy Check B. Zuck, 2011-06-01. Vital, pertaining to life, is essential of critical importance. Biblical, in or according to the Bible. Issues, a point of matter, the decision of which is of special or public importance. A dictionary can define the terms, but deciding on the proper interpretation of tough biblical passages demands skillful study and mature reflection on the Scriptures. *Vital Biblical Issues: Examining Problem Passages of the Bible* draws upon the insights and study of numerous evangelical scholars and writers to address difficult interpretive issues from both the Old and New Testaments. Included are articles by Merrill F. Unger, Gleason F. Archer Jr., Michael P. Green, and S. Lewis Johnson Jr. Some of the issues discussed in this volume include: Did God curse one race of people? Did the Old Testament prophesy the Virgin Birth? What about the violence of the book of Psalms? Should Christian women cover their heads in worship? Christian readers, church leaders, and pastors alike will appreciate the insights and scholarship of *Vital Biblical Issues*.

The Epistles of John Raymond E. Gingrich, *Christianity in Crisis* Hank Hanegraaff, 2012-06-18. Nearly two decades ago, Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new

dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

Letters and Homilies for Jewish Christians Ben Witherington III,2010-04-09 In this commentary on Hebrews James and Jude Ben Witherington III applies his socio rhetorical method to elucidate these letters within their primarily Jewish context probing the social setting of the readers and the rhetorical strategies of the authors of the letters

William W. Klein, 2015-11-25 Controversy rages on about God's choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God's choosing individuals prophets priests kings to serve divine purposes and considers God's election of the nation of Israel as his special people This OT study proposes that God's election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul's writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God's election and offers a real challenge to today's church
