The Invisible Alcoholics Women And Alcohol Abuse In America:

The Invisible Alcoholics Marian Sandmaier,1980 Focuses on the growing problem of women s alcohol abuse The Invisible Alcoholics Marian Sandmaier,1992 This book focuses on the growing but largely misunderstood problem of women s alcohol abuse Sandmaier reveals the many unique reasons why women drink why treatments designed for men won t work for women and why women alcoholics experience more depression dual drug addiction and suicide than alcoholic men

The Invisible Alcoholics Marian Sandmaier,1992-06-01 **Attitudes of Older African American Women about Alcohol Abuse** Bonnie F. Hatchett,2002 This study explores how drinking status religiosity and religious affiliation are associated with beliefs about alcohol usage among African American women 55 years of age and older The relation between religion and attitudes and behaviours related to alcohol suggest that the church could be sued as a vehicle for the dissemination of educational information about alcohol use and possible treatment options **Alcoholism and Women** Marc Galanter,2006-04-11 Solid plausible accurate and loaded with pertinent and highly referenced information regarding clinical and basic research in alcoholism among women and ethnic groups an essential text in the libraries of academicians teachers clinicians researchers and policy makers The quality and scope of the work are groundbreaking and it is convenient to have it all in one source American Journal of Psychiatry Volume 12 highlights the remarkable evolution of alcoholism research during the last few years focusing on gender in alcohol actions and consequences Women: Alcohol and Other Drugs Ruth C. Engs,2007-02-01 This publication of Women Alcohol and other Drugs is a contribution by the Alcohol and Drug Problems Association ADPA to the understanding of and in response to gender differences in addictions Here is a tool for understanding and a guide for more effective treatment of women by the programs and professionals in the drug and alcohol treatment field Authored by women for the treatment of women this volume deals with all aspects of the field including research intervention treatment prevention and education at the community academic government public and private levels

Helping Substance-Abusing Women of Vulnerable Populations An-Pyng Sun,2009-05-12 Current research suggests that biology psychology culture and social standing all contribute to alcohol and other drug AOD problems in women yet few books show how to account for these factors during evaluation and treatment Especially in terms of vulnerable populations acknowledging these influences proves crucial to effective assessment and help Drawing on extensive empirical research this volume provides the necessary concepts tools and techniques for culturally and socially inclusive practice with vulnerable female populations After a brief history of substance abuse among women in the United States along with an overview of previous epidemiological study An Pyng Sun systematically describes the characteristics and nature of AOD problems among pregnant women teenage girls older women street walking prostitutes homeless women and lesbians Clearly and concisely she presents the theories that explain women s AOD problems along with their related risk factors and recommends effective treatment guidelines and strategies that speak directly to the needs of individual clients Vulnerable women are more likely to

develop substance abuse problems than other women and their consequences tend to be more severe This volume organizes complex data into a practical framework so practitioners can successfully respond to this special population It supplies a long overdue comprehensive and comprehensible knowledge base for screening assessment and care *Gender and Addictions* Shulamith Lala Ashenberg Straussner, Elizabeth Zelvin, 1997 Recognizing that men and women have different patterns and different needs the book emphasizes the relational model of female psychological development formulated by such theorists as Miller Chodorow and Gilligan which illuminates women's functional focus on connection and relationship as opposed to men's on separation and individuation **Drunk Driving in America** Bruce Carruth, Stephen K Valle, 2013-12-19 This unique volume discusses research policy and treatment approaches to one of America's most serious problems the drunk driver The authors many of the country's most dedicated professionals from academic research correctional public health and judicial system backgrounds present an extraordinary array of creative and thought provoking approaches to the drunk driver Their thorough descriptions will help you better understand the drunk driver and their exploration of new sentencing and treatment strategies provides a comprehensive look at the options to confronting and solving the problem of alcohol and traffic safety in the United States Chapters challenge many long held assumptions about those who drink and drive address policy issues examine the need for culturally specific education and training programs for police court officials and human service providers and offer helpful suggestions for designing programs for women and adolescent offenders **Cultural Competence in Substance Abuse Prevention** Joanne Philleo, Frances Larry Brisbane, 1997 This book provides AOD professionals with the vital knowledge and strategies they need to become more culturally competent a prerequisite for success in the 21st century It demonstrates how to integrate cultural competence and an AOD curriculum and how to develop highly effective prevention messages and treatment modalities within a cultural context **Substance and Shadow** Stephen R. Kandall, 1996 This work uncovers the history of women and addiction in America and how dependent women have been treated The author is critical of doctors who have often been quick to prescribe narcotics to female patients **New York Court of Appeals. Records and Briefs.** New York (State)., *Spectrum* ,1981 **Girlhood in America** Miriam Forman-Brunell, 2001-06-08 This groundbreaking reference work presents more than 100 articles by 98 high profile interdisciplinary scholars covering all aspects of girls' roles in American society past and present In this comprehensive readable two volume encyclopedia experts from a variety of disciplines contribute pieces to the puzzle of what it means and what it has meant over the last 400 years to be a girl in America The portrait that emerges reveals deep differences in girls' experiences depending on socioeconomic context religious and ethnic traditions family life schools institutions and the messages of consumer and popular culture Girls have been commodified idealized trivialized eroticized and shaped by the powerful forces of popular culture from Little Women to Barbie Yet girls are also powerful co creators of the culture that shapes them often cleverly subverting it to their own purposes From Pocahontas to punk rockers girls have

been an integral if overlooked and undervalued part of American culture **Recent Developments in Alcoholism** Marc Galanter,2006-01-02 From the President of the Research Society on Alcoholism On behalf of the Research Society on Alcoholism I am pleased to introduce this thirteenth volume of Recent Developments in Alcoholism about alcohol and violence Current concepts are presented in well organized sections that focus on epidemiology neurobiology psychology and family issues It is coming increasingly clear that age gender socioeconomic circumstances and genetics affect aggressive behavior and vulnerability to alcoholism This volume contains up to date discussions of these issues Indeed the information presented here will help all alcohol researchers to identify biological and social factors that contribute to the comorbidity of alcoholism and aggression The editors and associate editors should be congratulated for bringing together such important information This volume will be a valuable resource for investigators and therapists alike Ivan Diamond M D Ph D President Research Society on Alcoholism From the President of the American Society of Addiction Medicine The American Society of Addiction Medicine is honored to continue its sponsorship with the Research Society on Alcoholism of Recent Developments in Alcoholism The topic of alcohol and violence is a particularly timely one given the growing number of studies that are examining the relationship between the two These studies are consistent with the hypothesis that alcohol can increase aggression and contribute to both domestic and criminal violence Intoxicating blood levels of alcohol have been found to be especially prevalent in those injured in fights and assaults **Lesbian Health** Phyllis N. Stern,2013-01-11 The sexual orientation of lesbians is just one factor in their lives yet providers of healthcare often assume everyone is heterosexual and counsel their clients accordingly This book contains a series of scientific investigations by leading authorities in the field into multiple problems lesbians face when seeking healthcare Should lesbians disclose their sexual orientation Can it be kept of the record Where can lesbians go if they feel unable to trust traditional medicine and what is the history of the scientific and medical community towards lesbians How are lesbians viewed by college students today Lesbians are treated in this book as women first their sexual orientation is just one factor in their lives Alcohol and Drug Abuse as Encountered in Office Practice Frank L. Iber,2020-07-24 This book has been written to serve as a manual for physicians practicing in a private office setting to recognize and recommend appropriate treatment for patients believed to be substance abusers While it is not written for drug abuse specialists it provides information regarding the diagnosis and treatments a competent concerned physician can provide without becoming immersed in addiction treatment Topics discussed include the degree to which a physician should become involved when it is appropriate to refer using other professions and volunteer groups and useful medications Guidelines for recognizing substance abuse testing to confirm the abuse confronting the patient and motivating the patient into specific treatment are also presented Tables and illustrations are used to summarize major points making this an extremely useful reference tool for internists and other non specialist private practitioners Marital Cruelty in Antebellum America Robin C. Sager,2016-07-06 In Marital Cruelty in Antebellum America Robin C Sager probes the

struggles of aggrieved spouses shedding light on the nature of marriage and violence in the United States in the decades prior to the Civil War Analyzing over 1 500 divorce records that reveal intimate details of marriages in conflict in Virginia Texas and Wisconsin from 1840 1860 Sager offers a rare glimpse into the private lives of ordinary Americans shaken by accusations of cruelty At a time when the standard for an ideal marriage held that both partners adequately perform their respective duties hostility often arose from ongoing domestic struggles for power Despite a rise in the then novel expectation of marriage as a companionate relationship and even in the face of liberalized divorce grounds marital conflicts often focused on violations of duty not lack of love Sager describes how in this environment cruelty was understood as a failure to fulfill expectations and as a weapon to brutally enforce more traditional interpretations of marital duty Sager s findings also challenge historical literature s assumptions about the regional influences on violence showing that married southerners were no more or less violent than their midwestern counterparts Her work reveals how definitions and perceptions of cruelty varied according to the gender of victim and perpetrator Correcting historical mischaracterizations of women s violence as trivial rare or defensive Sager finds antebellum wives both capable and willing to commit a wide variety of cruelties within their marriages Her research provides details about the reality of nineteenth century conjugal unions including the deep unhappiness buried within them
