The Irish Nuns at Ypres, An Episode of the War Dame M. Columban, 2022-04-06 Excerpt The following narrative was originally intended as a record of the events it relates for the use of the Community only But shortly after the arrival of the Mother Prioress in England the manuscript was placed in my hands I soon formed the opinion that it deserved a larger circulation My friend Reginald Smith shared this view and so the story has come before the public It is in truth a human document of thrilling interest and will I believe make an abiding contribution to the history of this world wide war D M C though a novice in literary work describes with graphic force the transactions in which she and her Sisters played so conspicuous and so courageous a part The moving pictures which pass before our eyes in her pages are full of touching realism and throw curious sidelights on the manifold aspects of the titanic struggle which comes home to everyone and everything The heroism the self devotion the religious faith the Christian zeal and charity of those Irish nuns at Ypres in a terrible crisis in the history of their Order will I venture to say command universal respect and admiration mingled with pity for their fate and an earnest desire among all generous souls to help them in retrieving their fortunes A Note by the Prioress and an Introduction by Mr Redmond who amid his many onerous occupations is not unmindful of the duty which Irishmen owe to the historic little Community of Irish Nuns at Ypres form a foreword to a narrative which belongs to the history of the times

A comprehensive survey of the ways in which Irish men and women have sought and continue to seek God by following the Rule of St Benedict. The essays taken from the first Glenstal history conference celebrate and explore the stories of these Irish Benedictines over a period of 1400 years. Their following the path of the Lord's commands brought them across Dark Age Europe through Reformation England and war-torn Europe and into modern Africa. In exile and persecution they established centres of learning and refuge; returning to Ireland they continue to devote themselves to these activities seeking to glorify God in all things. Glenstal Abbey is a Benedictine community located in Murroe Co. Limerick. The Abbey was founded in 1927 from Maredsous in Belgium and became the first male Benedictine community in Ireland since the reformation. It was founded in memory of abbot Columba Marmion, a Dublin priest who became Abbot of Maredsous in 1909 and died in 1923. The community runs a guest house, farm and boarding school for boys.

The Glorious Madness - Tales of the Irish and the Great War Turtle Bunbury, 2014-10-17

From tragic generals to nuns on the run, the extraordinary stories of the Irish on the frontlines of the First World War that you've never heard before. Based on first-hand accounts of the First World War, *The Glorious Madness* is a collection of character portraits and stirring anecdotes that brings to life the hopes, fears, and ambitions that defined the generation of Irish men and women lost to the catastrophe of the first great modern war. From the generals and field commanders through to the troopers and nurses on the front lines from the trenches of the Somme to the beaches of Gallipoli, the Irish served at every turn in the Great War. Popular historian Turtle Bunbury is renowned for uncovering important forgotten stories from our past. Here he reveals many never-before-heard tales of the Irish heroes and heroines whose lives coincided with one of the most brutal conflicts our world has ever known, including nuns, artists, sportsmen, poets, aristocrats, nationalists, nurses, clergymen, and film directors. From the dramatic story of the nuns of Ypres and their escape to Ireland to found Kylemore Abbey to the multiple escapist who became the one-legged nemesis of Michael Collins and the five tragic rugby-loving pals from the same Dublin team massacred at Gallipoli, the stories that Turtle Bunbury unearths about Irish men and women offer a new and timely perspective on Irish participation in the Great War. An important book by turns poignant, enlightening, whimsical, and darkly comic, this is history as it should be: free-wheeling and finely tuned to the rhythms of the human heart.

Reviews: In *The Glorious Madness*, Turtle continues the wonderful listening and yarn-spinning he has honed in the *Vanishing Ireland* series, applying it to veterans of the First World War. The stories he recreates are poignant, whimsical, and bleakly funny, bringing back into the light the lives of people who found themselves on the wrong side of history after the struggle for Irish independence. This is my kind of micro-history. John Grenham, *The Irish Times*. A wonderful book packed with great individual stories and pictures which bring the Irish participation in the Great War vividly alive. Sean Farrell, *Irish Independent*. Based on first-hand accounts of the conflict, this collection of character portraits and stirring anecdotes brings to life the hopes, fears, and ambitions that defined Ireland's lost generation.
