The Islands The Worlds Of The Puerto Ricans:

The Islands: the Worlds of the Puerto Ricans Stan Steiner, 1974 **Puerto Rico: a Quick Overview of the Island and its People** , **The Islands** Stan Steiner, 1974 *Puerto Ricans in the U.S.* Kai Wagenheim, 1983-01-01 Puerto Ricans are a people divided between two nations neither of which truly belongs to them Of the 5 million Puerto Ricans today 3 million live on the island of Puerto Rico and more than 2 million in the USA principally in New York and the north east They are the descendents of Spanish settlers African slaves and other immigrant communities Their first language is Spanish yet they live in a nation where English is the main language The island of Puerto Rico formerly a Spanish and then a US colony from 1952 has had Commonwealth status with the USA neither independence nor statehood Its people have had US citizenship since 1917 and can move freely between the island and the mainland yet the island has no representatives in the US Congress Different political groups campaign for the three options of independence greater autonomy or US statehood but the political situation remains stagnant Economic depression pushes many Puerto Ricans to immigrate to the US cities where they face discrimination and severe problems in employment education and health Today they are the second poorest ethnic group in the US Puerto Ricans in the US Minority Rights Group report no 58 describes the situation of Puerto Ricans on the island and the mainland Written by Kai Wagenheim and produced by the New York Minority Rights Group it is an important contribution towards increased understanding of this increasingly important but little known group **Endangered Wildlife and Plants of the World** Marshall Cavendish Corporation, 2001 A reference encyclopedia providing information on endangered wildlife and plants throughout the world **Cities around the World** Jing Luo, 2019-07-10 This two volume set offers a comprehensive overview of major challenges faced by cities worldwide in the 21st century and how cities in different geographic economic and political conditions are finding solutions to them This two volume encyclopedia examines ten critical issues that face cities across the globe today environmental and societal struggles that affect the daily lives of city dwellers Readers will gain a better understanding of our global neighbors and will be able to use this book in order to compare and contrast different approaches to critical issues in our world Volume One examines employment and jobs energy and sustainability green spaces housing and infrastructure and migration and demographic changes Volume Two discusses pollution schools traffic and transportation violence corruption and organized crime and waste management Each issue begins with an introduction providing an overview of the issue from a global perspective Following the introduction are ten alphabetically arranged world city profiles of cities that are struggling with the issue and cities that have found innovative solutions to deal with the crisis The profiles explain how the problem came to be consequences inhabitants face such as compromised health limited access to education and high taxes with low wages and failed and successful initiatives taken by city management Staff Report to the Interdepartmental Committee on Puerto Rico United States. Interdepartmental Committee on Puerto Rico, Erich Walter Zimmermann, 1940 The "Puerto Rican Problem" in Postwar New York City

Edgardo Meléndez,2022-11-11 The Puerto Rican Problem in Postwar New York City presents the first comprehensive examination of the emergence evolution and consequences of the Puerto Rican problem campaign and narrative in New York City from 1945 to 1960 This notion originated in an intense public campaign that arose in reaction to the entry of Puerto Rican migrants to the city after 1945 The problem narrative influenced their incorporation in New York City and other regions of the United States where they settled The anti Puerto Rican campaign led to the formulation of public policies by the governments of Puerto Rico and New York City seeking to ease their incorporation in the city Notions intrinsic to this narrative later entered American academia like the culture of poverty and American popular culture e g West Side Story which reproduced many of the stereotypes associated with Puerto Ricans at that time and shaped the way in which Puerto Ricans were studied and perceived by Americans

Puerto Rico under Colonial Rule Ramon Bosque-Perez,Jose Javier Colon Morera,2006-06-01 Puerto Rico one of the last and most populated colonial territories in the world occupies a relatively unique position Its lengthy interaction with the United States has resulted in the long term acquisition of expanded legal rights and relative political stability At the same time that interaction has simultaneously seen political intolerance and the denial of basic rights particularly toward those who have challenged colonialism In Puerto Rico under Colonial Rule academics and intellectuals from the fields of political science history sociology and law examine three themes evidence of state sponsored political persecution in the twentieth century contemporary issues and the case of Vieques [San Juan Puerto Rico & Its Environs](#) Kurt Pitzer,2009-09-02 San Juan is the oldest city in US territory and the second oldest in the Americas and stakes its claim as the cultural and economic hub of the Caribbean With high end designer and jewelry shops more than 30 limousine services in the phone book and more banks than you would want to count it displays all the trappings of the wealthiest large city of the Antilles It is also probably the world s greatest example of combined 20th century North American and Spanish colonial influences OCo from the paella served at the Marriott and other high rise hotels in Con dado and Isla Verde to the historic neigh borhood of Old San Juan where Chryslers and Buicks squeeze cautiously through cobblestone streets built just wide enough for the axle of a Spanish carriage Despite outside influences the allure of San Juan today is pure Puerto Rican The city breathes OCo practically pants OCo with the energy of a cosmopolitan center flourishing in the gentle climate of the Caribbean A new style called nuevo Latino is reinvented daily by those who create music art and cuisine here making San Juan one of the most happening cities in the Americas From the colonial tourist center of Old San Juan to the beach neighborhoods of Condado Ocean Park Isla Verde and beyond the city has treasures both obvious and hidden to delight any traveler Many visitors think of San Juan as one big beach with an appendage of charming old buildings And while it s true that a visitor can spend a weeklong vacation doing nothing but lying in a chaise longue soaking up sun and rum punches until the casinos reopen there is much more to do Take the time to explore the fascinating culture of San Juan and use it as a staging area for explorations of the island at large This guide tells you all about the history and culture of

Puerto Rico how to get there and how to get around the general information you need Then it zeros in on San Juan and its places to stay and eat the things to see and do the fiestas historic sites museums markets everything you need to know Filled with maps and photos *Puerto Rico, U.S.A.* ,1980 **Puerto Rican Women from the Jazz Age: Stories of Success** Basilio Serrano,2019-08-29 The topic of this book may seem unusual to some since there may be those who believe that Puerto Rican women may not have entered the jazz milieu during its early history Nevertheless an aim of the book is to dispel this and other false generalizations The contents of this volume will document how Puerto Rican women were not only present in early jazz but how they played trailblazing and innovative roles and contributed to the emergence of the genre in the States and abroad This work will present information that is confirmable through a variety of sources The book may not be the definitive work on the subject but will serve as a starting point to document the success and achievement of several Puerto Rican women from the jazz age consider the different strategies used for success in jazz and film by women illustrate the evolution of various careers consider the different personal circumstances under which success was achieved consider how women in contemporary jazz and film can learn from their predecessors provide women older young and youthful examples of success with documentary evidence on how to achieve Book Organization The book is organized into sections that cover a brief history of significant Puerto Rican women in music and the performing arts followed by biographical descriptions of pioneering women in jazz and film The book also contains a brief discussion on Puerto Rican women in jazz today followed by a discussion surrounding issues affecting women in the arts today Throughout the text there is commentary on the situations facing women especially male chauvinism colonialism racism and anti women prejudice in jazz Every effort was made to include only facts that are easily confirmable Unsupported tales or questionable events are avoided to ensure that the material contained in the volume can be used for teaching purposes and for curriculum development when credit is given to this work In the process of developing the central theme of this volume special effort was made to document those experiences where Puerto Rican women collaborate with members of the African American community to confirm how the cross cultural collaboration resulted beneficial to both ethnic peoples The book will detail the many instances where members of the African American community assisted the fledgling Puerto Rican artists achieve success and stardom Figures such as Helen Elise Smith David J Martin Will Marion Cook Ada Bricktop Smith Dr Laurence Clifton Jones and other distinguished African Americans are described My hope is that this information will be added to historic works in African American Studies **Economic History of Puerto Rico** James L. Dietz,2018-06-05 This is a comprehensive and detailed account of the economic history of Puerto Rico from the period of Spanish colonial domination to the present Interweaving findings of the new Puerto Rican historiography with those of earlier historical studies and using the most recent theoretical concepts to interpret them James Dietz examines the complex manner in which productive and class relations within Puerto Rico have interacted with changes in its place in the world economy Besides including aggregate data

on Puerto Rico's economy the author offers valuable information on workers living conditions and women workers plus new interpretations of development since Operation Bootstrap His evaluation of the island's export oriented economy has implications for many other developing countries Imaging The Great Puerto Rican Family Hilda Lloréns, 2014-10-30 In this book Hilda Lloréns offers a ground breaking study of images photographs postcards paintings posters and films about Puerto Rico and Puerto Ricans made by American and Puerto Rican image makers between 1890 and 1990 Through illuminating discussions of artists images and social events the book offers a critical analysis of the power laden cultural and historic junctures imbricated in the creation of representations of Puerto Rico and Puerto Ricans by Americans outsiders and Puerto Ricans insiders during an historical epoch marked by the twin concepts of modernization and progress The study excavates the ways in which colonial power and resistance to it have shaped representations of Puerto Rico and its people Hilda Lloréns demonstrates how nation race and gender figure in representation and how these representations in turn help shape the discourses of nation race and gender *Imaging The Great Puerto Rican Family* masterfully illustrates that as significant actors in the shaping of national conceptions of history image makers have created iconic symbols deeply enmeshed in an emotional aesthetics of nation The book proposes that images as important conveyers of knowledge and information are a fertile data site At the same time Lloréns underscores how colonial modernity turned global the conceptual framework informing the analysis not only calls attention to the national and global networks in which image makers have been a part of and by which they have been influenced but highlights the manners by which technologies of imaging and seeing have been prime movers as well as critics of modernity *Puerto Rico's Eastern Coast & El Yunque Rainforest* Kurt Pitzer, 2009-09-02 Most travelers to eastern Puerto Rico come to see and hike El Yunque the island's second most visited tourist destination after Old San Juan and probably the world's most user friendly rain forest Others come for the east coast's three sprawling resort hotels half a dozen excellent golf courses the US Navy base and one of the biggest yachting and sailing charter ports in the Caribbean But this side of the island has much to offer that eludes most visitors to Puerto Rico from a glorious six mile stretch of deserted beach between Luquillo and Las Cabezas de San Juan to the red cliffs and lonely lighthouse in the southeast As with most places you have to scratch the surface to find the hidden rewards here Spend a day or two wandering around LoAza Aldea and talking to locals or attending their fiestas patronales in late July to get a deeper understanding of Afro Caribbean culture One of the old fishermen of Las Croabas may take you cay hopping in his wooden sloop setting you down on some deserted islet to swim in opaque waters Local surfers gather at a few little known breaks Or visit one of the two other nature reserves on the east coast a Las Cabezas to San Juan and Humacao a where exotic waterfowl mangrove and dry tropical forest ecosystems and a bioluminescent lagoon await This guide tells you all about the history and culture of Puerto Rico how to get there and how to get around the general information you need Then it zeros in on the eastern coastal area and all its places to stay and eat the things to see and do the fiestas historic sites museums

markets everything you need to know Filled with maps and photos **U.S. Virgin Islands, Republic of the Marshall Islands, Puerto Rico, and Political Status Public Education Programs** United States. Congress. Senate. Committee on Energy and Natural Resources,2010 **Naval Training Activities on the Island of Vieques, Puerto Rico** United States. Congress. House. Committee on Armed Services. Panel to Review the Status of Navy Training Activities on the Island of Vieques,1981 Puerto Rico in Pictures Linda Tagliaferro,2004-01-01 A historical and current look at Puerto Rico discussing the land the government the culture the people and the economy Puerto Rico United States. Congress. Senate. Committee on Energy and Natural Resources,1998 **Economic Study of Puerto Rico** United States. Department of Commerce. Interagency Study Group,1979
