The Israelis Portrait Of A People:

The Israelis Harry Golden, 1971 The Israelis Frank H. Epp, 1980 **The Israelis; Portrait of a People [by] Harry Golden** Harry Golden, **Portraits of the Church** Donald Rhody, 2011-09 To serve the church is as close as we are able to come on this earth to physically serving Christ himself The church is the presence of Christ on earth today I have fallen in love with the church One of the most misunderstood of God's works is what He means to accomplish through His church Why is it that God values His church so much Why is it that He has invested so much in what we often see as an unreliable and self-serving organization Despite the fact that in the church today we see merely a shadow of the promise of what God intends we do have a great deal written in the Bible both about the present state of the church and of its future In *Portraits of the Church* author Donald Rhody explores the present state of the church and how our misunderstanding of what God is doing often causes us to act in ways that do not harmonize with His plan If we would better understand the Lord's ultimate goal for the church we could better serve Him in this work In so doing we will also better see what God is accomplishing and we will be amazed *The Bride and the Dowry* Avi Raz, 2012-01-01 Israel's victory in the June 1967 Six Day War provided a unique opportunity for resolving the decades old Arab Zionist conflict Having seized the West Bank the Gaza Strip the Sinai Peninsula and the Golan Heights Israel for the first time in its history had something concrete to offer its Arab neighbors it could trade land for peace Yet the political deadlock persisted after the guns fell silent This book sets out to find out why Avi Raz places Israel's conduct under an uncompromising lens He meticulously examines the critical two years following the June war and substantially revises our understanding of how and why Israeli Arab secret contacts came to naught Mining newly declassified records in Israeli American British and UN archives as well as private papers of individual participants Raz dispels the myth of overall Arab intransigence and arrives at new and unexpected conclusions In short he concludes that Israel's postwar diplomacy was deliberately ineffective because its leaders preferred land over peace with its neighbors The book throws a great deal of light not only on the post 1967 period but also on the problems and pitfalls of peacemaking in the Middle East today *"Moses Wrote About Me": Portraits of Messiah in the Torah* Yosef Rachamim Danieli, 2020-08-30 In recent decades there has been a growing movement within the body of Messiah Christ towards a greater understanding of the Hebraic Jewish roots of Christianity *Moses Wrote About Me* is an integral part of this movement *Moses Wrote About Me* is the first of five commentary books written by Yosef Rachamim Danieli a native Israeli Jew who has followed Yeshua Jesus of Nazareth for almost 40 years He has traveled and taught the Word of God both Old and New Testaments inside and outside God's Promised Land for many years The author believes that this book series will not only contribute to the body of Messiah's appreciation of the Jewish roots of Christianity but that it is also an integral part of the preparation that all true followers of Messiah should make for the Messiah's Second Coming For more information on Yosef to listen to his teachings sign up to his newsletters and to invite him and his wife Gabriela to share with your people on a diversity of subjects related to Israel and

the Word please visit www.touryourroots.com Moses Wrote About Me follows the traditional Jewish readings that are held in every synagogue around the world on Sabbath Saturday The book s emphasis is on the portraits and foreshadowings of the Jewish Messiah in each and every one of these Sabbath readings To accomplish the goal of increasing our understanding of God s masterplan of salvation the author includes comments of the Jewish sages and provides explanations of the meanings of Hebrew words Hebrew names and Hebrew places In addition Moses Wrote About Me addresses many known theological controversies from a unique and out of the box perspective All these things create a rich and stimulating experience in the study of the Word of God The prospective reader is encouraged to approach Moses Wrote About Me with an open mind Set aside your pre conceived ideas and doctrines sit back relax and enjoy this unique perspective and approach to God s Holy Word

The People's Art Union. The Historic Gallery of Portraits and Paintings, with Brief Memoirs of the Most Celebrated Men of Every Age and Country, Etc ,1835 **History of the People of Israel** Ernest Renan,1889 *Gospel Portraits* K. Rex Butts,2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church s participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God s word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God s new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel

History of the people of Israel (tr. by C.B. Pitman, D. Bingham). Division [1]-3 Ernest Renan,1891 Secularizing the Sacred Alec Mishory,2019-07-22 As historical analyses of Diaspora Jewish visual culture blossom in quantity and sophistication this book analyzes 19th 20th century developments in Jewish Palestine and later the State of Israel In the course of these approximately one hundred years Zionist Israelis developed a visual corpus and artistic lexicon of Jewish Israeli icons as an anchor for the emerging civil religion Bridging internal tensions and even paradoxes artists dynamically adopted responded to and adapted significant Diaspora influences for Jewish Israeli purposes as well as Jewish religious themes for secular goals all in the name of creating a new state with its own paradoxes simultaneously styled on the Enlightenment nation state and Jewish peoplehood

Carolina Israelite Kimberly Marlowe Hartnett,2015-05-11 This first comprehensive biography of Jewish American writer and humorist Harry Golden 1903 1981 author of the 1958 national best seller *Only in America* illuminates a remarkable life intertwined with the

rise of the civil rights movement Jewish popular culture and the sometimes precarious position of Jews in the South and across America during the 1950s After recounting Golden s childhood on New York s Lower East Side Kimberly Marlowe Hartnett points to his stint in prison as a young man after a widely publicized conviction for investment fraud during the Great Depression as the root of his empathy for the underdog in any story During World War II the cigar smoking bourbon loving raconteur landed in Charlotte North Carolina and founded the Carolina Israelite newspaper which was published into the 1960s Golden s writings on race relations and equal rights attracted a huge popular readership Golden used his celebrity to editorialize for civil rights as the momentous story unfolded He charmed his way into friendships and lively correspondence with Carl Sandburg Adlai Stevenson Robert Kennedy and Billy Graham among other notable Americans and he appeared on the Tonight Show as well as other national television programs Hartnett s spirited chronicle captures Golden s message of social inclusion for a new audience today

Portraits of God Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements

about God certainly have their place in Christian understanding the Bible more often uses God's actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth

Portraits of Jesus in the Gospel of John Craig Koester, 2018-10-18 John's Gospel is best known for its presentation of Jesus as the Word of God made flesh But as the narrative unfolds readers discover that the identity of Jesus is surprisingly complex He is depicted as a teacher a healer a prophet and Messiah He is Jewish and Galilean a human being who is Son of Man and Son of God Portraits of Jesus in the Gospel of John considers each of these roles in detail showing how each makes a distinctive contribution to the Gospel's rich mosaic of images for Jesus John's multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process
