

THE ITALIANS  
AND  
THE CREATION  
OF AMERICA

# The Italians And The Creation Of America

**Axel Körner**

## **The Italians And The Creation Of America:**

**The Italians & the Creation of America** John Carter Brown Library, 1981      **Italian Americans: Bridges to Italy, Bonds to America** , In this volume attesting to the Italian American influence on the United States nine professors of Italian American studies and a curator of an ethnic museum provide original essays on the Italian American experience using the theme bridges to Italy and bonds to America Drawing from a wide variety of primary sources such as census tracts local directories diaries voting records newspaper accounts personal interviews and scholarly and polemical books and articles the authors show how Italian Americans adapted through work prejudice strife and advancement to the social and political life in America while still retaining an element of Italianita A bibliography of the colonial period reveals how Italians and Italian Americans impacted the creation exploration and settlement of America While many studies are concentrated in the eastern United States Italian Americans settled early in the west including Arizona Their history in Arizona parallels the labor strife religion music and entrepreneurship that engaged their countrymen in the East Italian Americans responded in a massive way to help their families that were devastated by the earthquake that leveled Messina Sicily and Reggio Calabria A study of a sculptor who settled in Pittsburgh shows how he produced works depicting American and Italian themes often on a grand scale suitable for outdoor placement and mingled with native born community leaders and clubs and fraternal organizations Tracing the life of a controversial Brooklyn politician Francis B Spinola the authors show how he was elected to local and state political office and fought in the U S Civil War Italian Americans were key components in the early years of jazz history in the 1920s and 1930s This study adds some balance to the development of jazz by tracing the bonds that Italian Americans formed with Black musicians and their pioneering use of the guitar and violin An obvious example of the theme of this book is a study of Italian prisoners of World War II who were transported to the United States and settled in a camp in Texas The author shows how they helped farmers by their work and how artists among them helped decorate a local church with paintings and murals A comparison of the Italian and Mexican immigration to the United States shows the similarity and differences of these two groups over time An examination of the proposition that Mexicans are like Italians is examined in detail A bibliographical study of the southern question in Italian history shows the explosive forces that erupted during and after Italian unification Italians and Italian Americans are still debating whether this incorporation of the Italian south into the kingdom of Italy was detrimental to the people who lived there and contributed to the massive emigration that followed This study is an outgrowth of a desire by scholars to honor the passing of Professor Salvatore Mondello coauthor of the national bestseller *The Italian Americans* One of a few historians of Italian American immigration who appeared on the scene in the late 1950s and early 1960s he approached the subject with enthusiasm passion and a relentless search for relevant material marked by digging into primary sources rooting out individuals who had lived through the immigrant experience and pouring over the contemporary accounts found in newspapers and magazines Sal was one of the first to see the

important link between railroads and Italian American settlements He saw that the rail lines accelerated the Italians movement beyond the large cities in the coastal areas They used the railroads as the means to establish new lives in many urban and rural communities across the country In many ways the articles presented in this book reflect the Mondello approach The authors continue as pioneers by dealing with important topics that have been overlooked ignored and or newly arisen They add a dimension to Italian immigration which focuses on the interaction of American and immigrant cultures and shows them as much American as Italian if not more so Having the advantage of living and teaching in smaller towns the authors write with conviction and verve Whether treating subjects old or new the authors writing is clean fresh often imaginative and well documented producing a fine example of good scholarship solid research clear expository writing and expert analysis They move Italian American history beyond the corpus of work which usually includes radicalism labor strife crime religion and the current blossoming of literature and poetry framing Italian American themes This book will serve to inspire the group of scholars appearing on the scene today to carry on in opening new paths in the Italian American experience This book will be of interest to scholars and lay people alike Scholars will find particularly useful the information in the bibliographical articles and the book s usefulness as a reader in an immigration history or sociology course The younger scholar is sure to be challenged and possibly richly rewarded The book s human interest will appeal to a diverse audience young and old Exposed to nine subjects the general reader is sure to be drawn to one or more of them

**The Routledge History of Italian Americans** William Connell,Stanislao Pugliese,2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation s largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience

[The Military History of America](#) Richard W. Stewart,U.S. Army Center of Military History,2022-11-13 The Military History of America serves as a comprehensive exploration of the United States complex military past This anthology skillfully navigates a diverse array of literary styles from detailed historical analysis to evocative narrative prose creating a tapestry of perspectives that illuminate the multifaceted nature of military history The collection does not shy away from examining both triumphs and tragedies offering readers insight into pivotal battles strategic innovations and the profound socio political impacts of military conflicts Each piece contributes to a broader understanding of how America s military engagements have shaped the nation s identity and values over time Edited by Richard W Stewart from the U S Army Center of Military History the compilation features a distinguished assembly of contributors each bringing a wealth of knowledge and expertise The authors collectively draw from rich historical tapestries

that align with significant cultural and literary movements lending their voices to both well known and obscure narratives By revealing personal stories strategic analyses and shifts in military doctrines the contributors enrich the dialogue around America s military legacy and broaden perspectives on how these historical events continue to resonate today Readers are invited to engage deeply with The Military History of America seizing the chance to gain insights from a multitude of viewpoints This anthology offers not only an educational journey but also an opportunity to appreciate the nuanced discourse fostered through diverse literary techniques and thematic explorations Exploring this collection promises an enlightening encounter with America s storied military past making it an essential read for historians students and those keen to understand the enduring legacy of military forces in shaping societal and cultural landscapes

**The Italians in America Before the Revolution** Giovanni Ermenegildo Schiavo,1976 **Creating the New Right Ethnic in 1970s America**

Richard Moss,2017-03-15 This work analyzes the New Ethnicity of the 1970s as a way of understanding America s political turn to the right in that decade An upsurge of vocal ethnic consciousness among second third and fourth generation Southern and Eastern Europeans the New Ethnicity simultaneously challenged and emulated earlier identity movements such as Black Power The movement was more complex than the historical memory of racist reactionary white ethnic leaders suggests The movement began with a significant grassroots effort to gain more social welfare assistance for near poor white ethnic neighborhoods and ease tensions between the working class African Americans and whites who lived in close proximity to one another in urban neighborhoods At the same time a more militant strain of white ethnicity was created by urban leaders who sought conflict with minorities and liberals The reassertion of ethnicity necessarily involved the invention of myths symbols and traditions and this process actually served to retard the progressive strain of New Ethnicity and strengthen the position of reactionary leaders and New Right politicians who hoped to encourage racial discord and dismantle social welfare programs Public intellectuals created a mythical white ethnic who shunned welfare valued the family and provided an antidote to liberal elitism and neighborhood breakdown Corporations and publishers embraced this invented ethnic identity and codified it through consumption Finally politicians appropriated the rhetoric of the New Ethnicity while ignoring its demands The image of hard working self sufficient ethnics who took care of their own neighborhood problems became powerful currency in their effort to create racial division and dismantle New Deal and Great Society protections

**The Italians and the Creation of America** John Carter Brown Library,Samuel J. Hough,1980

**The Origin of Organized Crime in America** David Critchley,2008-09-15 Introduction Black hand Calabrians and the Mafia First family of the New York Mafia The Mafia and the Baff murder The neapolitan challenge New York City in the 1920s Castellammare war and La Cosa Nostra Americanization and the families Localism tradition and innovation *The Social History of Crime and Punishment in America: A-De* Wilbur R. Miller,2012-08-10 This comprehensive and authoratative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from

colonial times to the present      **Remembering Italian America** Laurie Buonanno, Michael Buonanno, 2021-03-11

**Remembering Italian America** Memory Migration Identity examines the life of Italians in the United States and the role of migration and collective memory in the history of the construction of Italian American identity Employing the concept of communicative memory the authors explain the processes that gave shape to Italian identity in America and the ways in which a symbolic identity became concretized in Italian American oral histories The text explores the Italy migrants left behind transatlantic networks the welcome received by the Italian newcomers the socioeconomic fabric of Italian America and the singular worldview that grew out of the immigrant experience In exploring the role of memory in the construction of Italian American identity the book analyzes the commonalities in the lives of immigrants allowing the Italian American experience to speak to the circumstances of newer immigrant communities and allowing these new immigrant communities to speak to the Italian migrant history Looking at Italian American culture from a multidisciplinary perspective this volume brings various theoretical perspectives to bear on what why and how questions concerning the Italian American experience This book will be of interest to students of ethnic studies immigration studies and American transnational studies as well as American history Winner of the 2022 Italian American Studies Association Book Award      **America in Italy** Axel

Körner, 2017-06-13 **America in Italy** examines the influence of the American political experience on the imagination of Italian political thinkers between the late eighteenth century and the unification of Italy in the 1860s Axel Körner shows how Italian political thought was shaped by debates about the American Revolution and the U S Constitution but he focuses on the important distinction that while European interest in developments across the Atlantic was keen this attention was not blind admiration Rather America became a sounding board for the critical assessment of societal changes at home Many Italians did not think the United States had lessons to teach them and often concluded that life across the Atlantic was not just different but in many respects also objectionable In America utopia and dystopia seemed to live side by side and Italian references to the United States were frequently in support of progressive or reactionary causes Political thinkers including Cesare Balbo Carlo Cattaneo Giuseppe Mazzini and Antonio Rosmini used the United States to shed light on the course of their nation's political resurgence Concepts from Montesquieu Rousseau and Vico served to evaluate what Italians discovered about America Ideas about American domestic manners were reflected and conveyed through works of ballet literature opera and satire Transcending boundaries between intellectual and cultural history **America in Italy** is the first book length examination of the influence of America's political formation on modern Italian political thought      **Making**

**Italian America** Simone Cinotto, 2021-05-20 Fourteen cultural history essays exploring the relationship between Italian Americans consumer culture and the American identity How do immigrants and their children forge their identities in a new land And how does the ethnic culture they create thrive in the larger society **Making Italian America** brings together new scholarship on the cultural history of consumption immigration and ethnic marketing to explore these questions by focusing

on the case of an ethnic group whose material culture and lifestyles have been central to American life Italian Americans As embodied in fashion film food popular music sports and many other representations and commodities Italian American identities have profoundly fascinated disturbed and influenced American and global culture Discussing in fresh ways topics as diverse as immigrant women s fashion critiques of consumerism in Italian immigrant radicalism the Italian American influence in early rock n roll ethnic tourism in Little Italy and Guido subculture Making Italian America recasts Italian immigrants and their children as active consumers who since the turn of the twentieth century have creatively managed to articulate relations of race gender and class and create distinctive lifestyles out of materials the marketplace offered to them The success of these mostly working class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption Making Italian America appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers Fourteen essays explore Italian American history in the light of consumer culture across more than a century long intense movement of people goods money ideas and images between Italy and the United States a diasporic exchange that has transformed both nations Simone Cinotto builds an analytical framework for understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers emporium and marketplace Grounded in the new scholarship in transnational US history and the transfer of cultural patterns Making Italian America illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America It also illustrates vividly why and how those same identities incorporated in commodities commercial leisure and popular representations have become the object of desire for millions of American and global consumers This compelling and innovative volume captures the complexities of the pivotal role of consumption in the historical formation of transnational Italian American taste positing a distinctive diasporic consumer culture that continues its importance today Richly interdisciplinary the collection represents an exciting new resource for scholars and students alike Marilyn Halter Boston University *Export America* ,2001-03 **America's Dark History** H. H. Charles,2021-07-12 Trump s Make America Great Again was a crass slogan intended to appeal to the most antiquated and base emotions resentments and bigotry that plague far too many Americans who still believe in white supremacy Using historical sources found on various research platforms Part I reviews the genocide persecution and bigotry practiced from Columbus to Trump on natives immigrants Africans and others There is no review of Trump as what he has done and is doing is well covered by present day media Acknowledging it is hardly an exhaustive compilation Part II lists the contributions made by those who suffered from their not being white Anglo immigrants to America The book is an attempt to have Americans who will listen and care recognize that America does not need to be made great again America needs to be made great The History of America William Robertson,1822 **The History of America: Including the History of**

**Virginia to the Year 1688, and New England to the Year 1652. [With Plates, Including a Portrait, and Maps.]**

William Robertson, 1818 *The History of America ... A New Edition; to which is Added, a Continuation, Comprising the History of the Colonies from 1652 to the Present Time ... By David McIntosh, LL.D. [With Maps and Engraved Plates, Including a Portrait.]* William Robertson, 1817

*America in Italian Culture* Guido Bonsaver, 2024-02-10 When Italy unified in 1861 America was emerging as a world power and advances in communication allowed Italians a view of American life to which they could aspire America in Italian Culture traces this huge cultural shift looking at how US fiction comics music and film came to dominate Italian culture even as the countries went to war *The History of America; including the United States* William Robertson, 2023-03-02

Reprint of the original first published in 1859 The publishing house Anapiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *Age of the Democratic Revolution: A Political History of Europe and America, 1760-1800, Volume 2* R. R. Palmer, 2021-07-13

For the Western world as a whole the period from about 1760 to 1800 was the great revolutionary era in which the outlines of the modern democratic state came into being It is the thesis of this major work that the American French and Polish revolutions and the movements for political change in Britain Ireland Holland Belgium Switzerland Sweden and other countries although each distinctive in its way were all manifestations of recognizably similar political ideas needs and conflicts Volume 1 of this distinguished two volume work *The Challenge* received critical accolades throughout the world It was the winner of the Bancroft Prize in 1960 and was called one of the classic works of American historical scholarship Key Reporter and a book which will enlarge and clarify our understanding of modern Western history It will re emphasize the strength and vitality of the roots that supported the growth of democracy in the Old and New Worlds New York Times Occasionally a historical work appears which by synthesis of much previous specialized work and by intelligent reflection upon the whole makes events of the past click into a new pattern and assume fresh meaning Professor Palmer's book is such a work American Historical Review *The Challenge* took the story to the eve of the French Revolutionary wars Volume 2 *The Struggle* continues the account to 1800

### **The Italians And The Creation Of America Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Italians And The Creation Of America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Italians And The Creation Of America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading The Italians And The Creation Of America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Italians And The Creation Of America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Italians And The Creation Of America any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Italians And The Creation Of America Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
