The Ivory Tower (1917). by Henry James (Novel) Henry James, 2016-05-15 The Ivory Tower is an unfinished novel by Henry James posthumously published in 1917 The novel is a brooding story of Gilded Age America It centers on the riches earned by a pair of dying millionaires and ex partners Abel Gaw and Frank Betterman and their possibly corrupting effect on the people around them Graham Gray Fielder returns from Europe to the wealthy resort of Newport Rhode Island to see his dying uncle Frank Betterman Rosanna Gaw the daughter of Betterman's embittered ex partner Abel Gaw is also at Newport She has succeeded in bringing about a partial reconciliation between the two elderly men Gaw and Betterman both die and Fielder receives a large inheritance from his uncle Gray is inexperienced at business so he entrusts the management of the fortune to the unscrupulous Horton Vint At this point the novel breaks off From his extensive notes it appears that James intended Vint to betray Fielder's trust much as Kate Croy did with Milly Theale in The Wings of the Dove Fielder would then magnanimously forgive Vint but it's not certain if he would marry Rosanna who may be in love with Gray James meant this novel as an attack on the gigantic wealth of the Gilded Age plutocrats He presents Abel Gaw with almost Gothic intensity as a predatory financier with his beak which had pecked so many hearts out visibly sharper than ever James portrays Betterman as his name suggests in a slightly more favorable light if only because he has repented somewhat for his past financial sins

The younger people are equally reprehensible with the possible exceptions of Rosanna and Gray. We're all unspeakably corrupt," admits Vint. Vint and his lover Cissy Foy are reminiscent of Amerigo and Charlotte in *The Golden Bowl* in their love of wealth and pleasure. According to James, notes Fielder eventually comes to recognize the black and merciless things that are behind the great possessions and how those possessions have been so dishonored and stained and blackened at their very roots that it seems they carry their curse with them. Which is probably as definite a statement of the novel's import as can be found.

This richly textured story is marked by astonishing twists and turns and in the end lives are dramatically changed.
