**A Fragile Enterprise**

Nancy Brigham, 2019-04-30 *A Fragile Enterprise* recounts true stories the front lines of the struggle between the entitled few and the marginalized many in America's public schools. In this book you will learn about the national narrative of education from the viewpoint of students and their families. You will discover that despite the massive expenditure of public funds large scale national education improvement efforts have largely failed. That failing schools seldom have the resources and skills to implement the programs that are thrust upon them. That the charter school solution leaves behind the students who need help the most. How seldom families are involved in meaningful ways in the education of their children. What the best teachers do and why they do it that way.

Masks of the Spirit Peter T. Markman, Roberta H. **Ancient Aztec Traditions** Pasquale De Marco, 2025-08-08

*Ancient Aztec Traditions* is the definitive guide to the Aztec civilization one of the most fascinating and advanced civilizations in the pre-Columbian Americas. From their humble beginnings as a nomadic tribe to their rise as the dominant power in Mesoamerica the Aztecs left an indelible mark on history. This book explores all aspects of Aztec life from their religion and culture to their economy and warfare. Readers will learn about the Aztec pantheon of gods and goddesses their elaborate religious rituals and their world renowned calendar. They will also explore Aztec art architecture literature and music and learn about their advanced system of education and medicine. No discussion of the Aztecs would be complete without examining their economy and warfare. The Aztecs were skilled farmers and traders and their vast empire was supported by a complex system of tribute and taxation. They were also fierce warriors and their military prowess enabled them to conquer a vast territory. The Aztec Empire reached its peak in the early 16th century under the reign of Moctezuma II. Tenochtitlan the Aztec capital was one of the largest and most impressive cities in the world. However the Aztec Empire was short lived. In 1519 Spanish conquistadors arrived in Mexico and within a few short years they had conquered the Aztec Empire. The Spanish conquest had a devastating impact on the Aztec civilization. The Aztec population was decimated by disease and warfare and their culture was suppressed. However the legacy of the Aztecs lives on in modern Mexico. Aztec symbols and iconography are still used today and the Aztec language Nahuatl is still spoken by millions of people. Pasquale De Marco is an experienced author and historian with a passion for the Aztec civilization. He has written extensively about the Aztecs and his

work has been praised by scholars and general readers alike In this book he draws on his years of research to provide a comprehensive and engaging overview of the Aztec civilization Whether you are a student of history a traveler interested in Mexico or simply someone who is fascinated by the ancient world Ancient Aztec Traditions is the perfect book for you If you like this book write a review      *Orange Coast Magazine* ,1988-08 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle      *Orange Coast Magazine* ,1988-06 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county s luxe lifestyle      *Addicted Customers How to Get Them Hooked on Your Company* ,      *Yachting* ,1988-04
