The Jasmine Sloop Frank J Kenmore, Frank J. Kenmore, 1988-05 Professor athlete warrior lover a man of rare and lethal talents Colin Smallpiece has crammed ten lifetimes into his 27 years Now the ex operative is trapped in a web of perilous intrigue as he sets off to locate a missing U S senator and collides with romance and danger *The National Political Manual* Erastus Buck Treat, 1872 *The National Hand-book of American Progress* Erastus Otis Haven, 1882 **The Diary of Samuel Pepys** Samuel Pepys, 1970 Samuel Pepys is as much a paragon of literature as Chaucer and Shakespeare His Diary is one of the principal sources for many aspects of the history of its period In spite of its significance all previous editions were inadequately edited and suffered from a number of omissions until Robert Latham and William Matthews went back to the 300 year old original manuscript and deciphered each passage and phrase no matter how obscure or indiscreet The Diary deals with some of the most dramatic events in English history Pepys witnessed the London Fire the Great Plague the Restoration of Charles II and the Dutch Wars He was a patron of the arts having himself composed many delightful songs and participated in the artistic life of London His flair for gossip and detail reveals a portrait of the times that rivals the most swashbuckling and romantic historical novels In none of the earlier versions was there a reliable full text with commentary and notation with any claim to completeness This edition first published in 1970 is the first in which the entire diary is printed with systematic comment This is the only complete edition available it is as close to Pepys s original as possible
