The Jesus Cult:

The Jesus Cult Gary C. Price, 2001-10-01 The Jesus Cult is not a book for everyone It is written for those both inside and outside the Christian camp who diligently seek the truth and liberation that comes from the True and Living God This book takes the reader into the spiritual depths of the Holy Scriptures to expose the true spirit behind the deception propagated by religious leaders in the church throughout the ages The reader of this book will get an understanding of the deception of the devil since before the time of Adam and Eve and how this spirit of deception has infiltrated the church It is not a text for the weak or feeble only the sharp and discerning will be able to hang on as Pastor Gary C Price unveils the internal make up of Christendom around the globe Sadly it is glaringly apparent that multitudes of well meaning Christians and spiritual zealots are bowing down to religious teaching and traditions that keep them soulish and bound to this present world By exposing this deception my prayer is that every reader will repent and turn away from this destructive system and onto a Spirit led journey to establish a true and intimate relationship with Jesus Christ Throughout the pages of this book you will see your life depicted in one way or another The Jesus Cult not only reveals the spirit of deception but also provides Biblical answers for the way of escape The only way is through Jesus Christ People it s time to come out of every facet of the world For too long we have trusted in all of these worldly systems from religion and government to industry and commerce to no avail We must begin today to rid ourselves of the soulish anchors that bind us to the religious spirit of the Antichrist Pastor Price s revelation of The Jesus Cult is bold courageous and uncompromising His labor in the Word and prayer before the Throne of God has forged in him a prophetic voice to send a clarion call to God s remnant wherever they reside throughout all the earth Have no doubt about it this book is inspired by the Holy Ghost Through practical real life and everyday experiences the Spirit of God began to open the eyes of this shepherd As Pastor Price met people on the streets of Atlanta and dialogued with those who sit on church pews every Sunday the devil s master scheme of deception was clearly exposed Once he saw the true light he has never wavered from preaching an end time message of truth and power As men and women have encountered the original Gospel of Jesus Christ they have come out of these religious settings burdened down with demonic weights that plague their souls They emerge still bound hurt and in need of intense deliverance I have seen the effects of the Jesus Cult on too many of God s people to question its validity and reality in our culture I am thankful for the impact that this book will have on your life as well Jesus comes to set the captive free The Jesus Legend Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn t plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional

legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there **The Jesus Problem** John Mackinnon Robertson,1917

Deconstructing Jesus Robert M. Price,2009-09-25 After more than a century of New Testament scholarship it has become clear that the Jesus of the gospels is a fictive amalgam reflecting the hopes and beliefs of the early Christian community and revealing very little about the historical Jesus Over the millennia since the beginning of Christianity various congregations from fundamentalist to liberal have tended to produce a Jesus figurehead that functions as a symbolic cloak for their specific theological agendas Through extensive research and fresh textual insights Robert M Price paves the way for a new reconstruction of Christian origins Moving beyond the work of Burton L Mack and John Dominic Crossan on Jesus movements and Christ cults which shows how the various Jesus figures may have amalgamated into the patchwork savior of Christian faith Price takes an innovative approach He links the work of F C Baur Walter Bauer Helmut Koester and James M Robinson with that of early Christ myth theorists two camps of biblical analysis that have never communicated Arguing that perhaps Jesus never existed as a historical figure Price maintains an agnostic stance while putting many puzzles and scholarly debates in a new light He also incorporates neglected parallels from Islam the Baha i Faith and Buddhism

Deconstructing Jesus provides a valuable bridge between New Testament scholarship and early freethinkers in a refreshing cross fertilization of perspectives The Jesus Problem: A Restatement of the Myth Theory J. M. Robertson,2019-12-06 In The Jesus Problem A Restatement of the Myth Theory J M Robertson meticulously examines the historical figure of Jesus through the lens of myth evaluating how various narratives surrounding his life can be interpreted as symbolic rather than factual The book employs a critical and analytical literary style blending rigorous scholarship with compelling argumentation Robertson situates his discourse within the broader context of early 20th century religious criticism drawing upon contemporary debates regarding myth and history thus challenging established beliefs while engaging with the prevailing intellectual currents of his time J M Robertson was a prominent Scottish writer and an ardent scholar of religious history whose background in ancient literature and mythological studies deeply informed his approach to Jesus narratives His interests in the intersections of myth and religion coupled with his own agnostic views fueled his desire to unravel the complexities involved in the historical and mythical interpretations of religious figures These experiences contributed to his drive for critical inquiry as he sought to address the discrepancies between scriptural accounts and historical evidence Robertson s The Jesus Problem is essential reading for those interested in religious studies history and philosophy By dismantling traditional perceptions of Jesus the book invites readers to question and rethink deeply held beliefs making it a profound contribution to ongoing discussions about faith and historiography **Beloved Son** Steve Allen,1982 The results of a 10 year study of cults begun when the author s son joined the Love Family in 1971 in which he makes an objective

examination of cults and their effects on members families

The Historical Christ and the Jesus of Faith C. Stephen

Evans,1996-04-18 The story of Jesus of Nazareth as recounted in the New Testament has always been understood by the church to be historically true It is an account of the life death and resurrection of a real person whose links with history are firmly signalled in the creeds of the early church which affirm that Jesus suffered under Pontius Pilate Contemporary historical scholarship has however called into question the reliability of the church s version of this story and thereby raised the question as to whether ordinary people can know its historical truth This book argues that the historicity of the story still matters and that its religious significance cannot be captured by the category of non historical myth The commonly drawn distinction between the Christ of faith and Jesus of history cannot be maintained The Christ who is the object of faith must be seen as historical the Jesus who is reconstructed by historical scholarship is always shaped by commitments of faith A reconsideration of the Enlightenment epistemologies that underlie much historical scholarship shows that historical knowledge of this story is still possible Such knowledge can be inferential based on historical evidence A careful look at contemporary New Testament studies and the philosophical and literary assumptions upon which it rests shows that this scholarship should not undermine the confidence of lay people who believe that they can know that the church s story about Jesus is true

Are Souls Real? Jerome W. Elbert,2010-05-04 In an age dominated by science many traditional concepts are being reevaluated in light of current knowledge about the physical and biological world Among the many religious notions passed down from generation to generation belief in the soul may be the most in need of reconsideration Despite its slightly antiquated nuances and its fuzziness as a coherent idea people today still refer to the soul quite frequently We often hear such questions as Can the soul leave the body Does the soul survive death And if so do the souls of the departed occasionally appear to the living But given what we now know about the brain psychology and body chemistry the skeptic may well ask what meaning or relevance can this medieval term possibly have Physicist Jerome W Elbert takes up this intriguing issue in this informative yet accessible study He begins by reviewing the ancient origins of the soul concept looks at Christian beliefs and pagan parallels and then considers how the advance of science has changed our fundamental understanding of the brain and consciousness These new scientific insights he points out inevitably affect our traditional ideas about the soul Moreover many contemporary dilemmas have much to do with whether or not we posit the existence of a soul for example the question of free will and the debate over abortion Taking into consideration the views of many recognized experts he moves to the inescapable conclusion that we can account for the nature of life the mind and the human decision making process without any need for the now obsolete idea of a soul Insightful and absorbing Are Souls Real is popular science writing at its best Jerome W Elbert Ph D Tacoma WA now a self employed researcher and writer worked for many years as a research professor of physics at the University of Utah

The Jesus Cult Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Jesus Cult free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Jesus Cult free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Jesus Cult free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Jesus Cult. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Jesus Cult any PDF files. With these platforms, the world of PDF downloads is just a click away.
