The Jesus Generation:

The Jesus Generation Billy Graham,1971 **We are the Jesus Generation** Gregory Hadnott,2013-11-11 As the church who are we What is our responsibility Why do we go to church Are we gathering in these services just to hear a Word deliver a Word or is it to show off our ministry gifting I believe God has designed us for more than that we are a people to show forth the glory of our Lord Savior Jesus Christ This book is for those who want more in their Christian walk Who are ready to grow beyond the four walls of their churches and go beyond their church denomination beliefs and creeds God is raising up a people who want to manifest Who Jesus is not the religious Jesus that we celebrate only on Sunday s and only in our church services We are here to manifest the fullness of the glory of Jesus so enjoy the journey as we explore this truth together

The Jesus Generation Dwight K. Nelson,1993 *The Jesus Generation* Willie Streeter,2014-09-02 This book will increase your knowledge of Jesus Christ and the importance of his name among true believers This book is a must for all Christian believers The Jesus Generation William Franklin Graham,1971 **Christ Generation by Fanny Ekpekurede** Fanny Ekpekurede,2023-02-24 God s heartbeat is to see His son reap the full benefit for the travail of His soul He came as a spotless Son of God to fulfil the purpose of His Father and realign Creation with the original intent of its maker The child Jesus grew and waxed strong in spirit While on the face of the earth He was a terror to the prince of darkness Through conspiracy He was cut off out of the land of the living even though He had done no violence nor was deceit found in His mouth He was bruised stricken and oppressed without any thought as to who would prolong His lineage or declare His generation but little did the Devil know that He was walking in harmony with God s will One primary intent of God for His Son was to raise a body of people AFTER THE ORDER OF CHRIST These people have the full blown nature of Christ evidently manifesting for all to see They have grown into the full measure of the stature of Christ Their ultimate desire is for Christ to fill ALL in ALL These people are coming into Christ likeness They are on a mission and cannot be stopped Let s read further and meet this body of believers I sincerely pray that we all would allow the Lord to process us until Christ is fully formed in us This book is a clarion call for us to hasten our Saviour receiving the full reward for the travail of His soul

Billy Graham in Quotes Billy Graham,2011 Collects quotations from seven decades of ministry by Billy Graham

Re-Created for Greatness Evangelist Francis Bofo,2011-08-23 Many people seek Gods Heaven and His promised glory but are ignorant of the demand it places on them after their redemption The attainment of the promised glory requires submission to Gods dominion power and authority in Christ Jesus now Your submission prepares and makes you ready for your eternal destiny in heaven where the all consuming presence of God dwells The Bible says that without holiness no one will see God The infinite Lord constrained Himself within our finite body to give you the opportunity to share His infinite nature and glory in heaven What is your response Are you correctly oriented toward this divine destiny Do not be like people whose lifestyles relationship with people and with the things of this evil age show that they are oblivious to the demand of

their eternal destiny Many people have their hearts inordinately oriented toward their now needs with little regard for their eternal destiny If you truly are seeking your promised glory in heaven journey through the pages of this book to discover some of the things you need to know and practice to ensure your promised glory **Poetry of Faith** Timothy L.

Childers,2007-10 A wonderful collection of poetry written straight from the heart from someone who has experienced life s ups and downs and found his way back through these poems Poems you will enjoy reading day after day I just wanted to write a few lines to you I hope that my poems Poetry of Faith comfort and inspire you as much as they have myself my wife and my friends as well as help you in your walk back home I know you re going to find some poems that help more than others But my friend read it as a book Start at the beginning and read to the end I had it completed for a while before I felt compelled to do so And what an awesome story it tells The Lord has blessed me with a gift of being able to put Scripture and poetry together Poetry of Faith is more than just a collection of Christian poetry It is Scripture in rhythmic poems May the Lord bless and keep you and yours With Brotherly Love Timothy L Childers **Behold the Christ: Proclaiming the**

Gospel of Matthew Leroy A. Huizenga,2019-11-01 Behold the Christ Proclaiming the Gospel of Matthew by Leroy A Huizenga reveals the significance of St Matthew s Jesus He is Emmanuel God with us always who saves his people from their sins by dying for them In showing how Jesus fulfilled the Old Testament gave us a way to live and taught us how to follow the narrow way to the kingdom of heaven St Matthew modeled the fourfold way of reading Scripture according to letter and spirit Above all St Matthew s Gospel presents Jesus Christ founding the Catholic Church as a robust rigorous religion with rich rituals chiefly the sacrificial Eucharist as sustenance on the narrow way to heaven Jesus demands much of his Church but the same Jesus who commands his Church also promises and delivers much above all himself Keyed to the lectionary and featuring a section on the relevance of St Matthew s Gospel for our contemporary age Behold the Christ will make the Gospel and indeed the Faith real to today s readers *Timothy Bruce J. Malina*,2008 While most Christians might accurately

identify Timothy as an associate of the apostle Paul they probably conjure up images of Timothy and his relationship with Paul in twenty first century terms In Timothy Pauls Closest Associate Bruce J Malina ventures off the path of modern biography toward a more likely description of Timothy providing readers with fresh and plausible insights that lead to a greater appreciation not only for Timothy but more important for the gospel of God that Paul enjoined on him to proclaim the God of Israel raised Jesus from the dead making him Lord and Messiah **The Jesus People Movement** Richard A.

Bustaan,2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly

known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission

You Are the Christ David Whitcomb,2017-03-11 Everyone supposed that Jesus the man from Nazareth was the son of Mary and Joseph the carpenter But who was He really The debate over Jesus identity has continued for two thousand years Was Jesus actually God or was He simply a man with an unusual teaching gift Did He possess a divine nature that equipped Him to perform miracles or were His miracles a slight of hand Could He have actually been the incarnation of Jehovah His conversations prove that Jesus of Nazareth knew that He was God in human form The four Gospels record over sixty different conversations that Jesus Christ had with many different people in many different settings His conversations consistently pointed to the truth that He was indeed God in the flesh When Peter looked at this man who was very much like himself and concluded You are the Christ the Son of the living God he was exactly right The plethora of modern theories denying Christ s divinity must be abandoned when we comprehend what He revealed about Himself through His conversations

The Second Coming of Jesus - Think Again William H. Hogue,2012-07 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church the book lays out a thorough exploration in support of this theme Daniel s prophecies are foundational especially his prophecy of the Seventy Weeks in Daniel 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Daniel 7 the Fourth Empire or the Roman Empire is the key to understanding my theme

with stress on the meaning of the horns on the head of the Fourth Beast see Daniel 7 7 8 As proof of my theme I use the biblical code of two or three witnesses see e g Deuteronomy 19 15 Matthew 18 16 John 8 17 and 1 John 5 8 the three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus s Second Coming would take place before Jesus s generation passed away Matthew 24 34 Furthermore I show how the epistles of the New Testament reflect this theme by citing scores of passages from them for my readers to consider Finally in chapter 5 of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme [The Letters of 2 Peter and Jude](#) Peter H. Davids, 2006-09-19 Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis and sharp independent judgments Davids s work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers **The Chosen** Dwight K. Nelson, 2011 When you think of being chosen does your mind go back to recess days on that schoolyard playground long ago when Teacher asked the two biggest boys in the class to choose up teams Remember how the rest of you lined up dutifully waiting for your name to be called And remember how you stood there nervously holding your breath shifting your weight from one sneaker to the other hoping against hope that this time you d be chosen Good news You have been chosen Maybe not for the starting lineup on your school s basketball team or for the next promotion at work But your calling is much more extraordinary For you are a chosen people a people belonging to God that you may declare the praises of him who called you out of darkness into his wonderful light 1 Peter 2 9 NIV Who is this God who has chosen you Why have you been chosen And how are the chosen to live Join Dwight K Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land *The House of Zondervan* Jim Ruark, 2011-10-11 The year was 1931 and in a farmhouse in Grandville Michigan brothers Pat and Bernie Zondervan were quietly making publishing history They started by purchasing and reselling some remaindered book from Harper record and music publishing bestselling Bibles and Bible translations such as the New International Version rich and diverse partnerships constantly shifting relationships in the publishing and bookselling industry and innovations in marketing research product development and author care that have earned us our place at the vanguard of Christian communications Above all the history of Zondervan is the story of lives reached and transformed by the grace and power of God And it is a testimony to Jesus Christ the Lord we love and serve who has been faithful to us as we have strived to be faithful to him Welcome to The House of Zondervan We hope you enjoy your stay

God's Internationalists David P. King, 2019-05-31 Over the past seventy years World Vision has grown from a small missionary agency to the largest Christian humanitarian organization in the world with 40 000 employees offices in nearly

one hundred countries and an annual budget of over 2 billion While founder Bob Pierce was an evangelist with street smarts the most recent World Vision U S presidents move with ease between megachurches the boardrooms of Fortune 500 companies and the corridors of Capitol Hill Though the organization has remained decidedly Christian it has earned the reputation as an elite international nongovernmental organization managed efficiently by professional experts fluent in the language of both marketing and development God s Internationalists is the first comprehensive study of World Vision or any such religious humanitarian agency In chronicling the organization s transformation from 1950 to the present David P King approaches World Vision as a lens through which to explore shifts within post World War II American evangelicalism as well as the complexities of faith based humanitarianism Chronicling the evolution of World Vision s practices theology rhetoric and organizational structure King demonstrates how the organization rearticulated and retained its Christian identity even as it expanded beyond a narrow American evangelical subculture King s pairing of American evangelicals interactions abroad with their own evolving identity at home reframes the traditional narrative of modern American evangelicalism while also providing the historical context for the current explosion of evangelical interest in global social engagement By examining these patterns of change God s Internationalists offers a distinctive angle on the history of religious humanitarianism The Publishers Weekly ,1972
