The Jesus Hope

Douglas Dales

The Jesus Hope:

The Jesus Hope Stephen Travis, 1974 This is a book about hope In days when hope is in short supply I am persuaded that belief in the biblical promise of the return of Jesus Christ is the only realistic way to face the future I have tried throughout the book and especially in the last three chapters to show how the Christian hope is not a matter for tickling our minds but for changing our lives and for influencing society Given by Guild of Church Braillists **Receiving Christ's Hope** Sarah Young, 2015-07-28 In Receiving Christ's Hope the third study in the Jesus Calling Bible Study Series you will explore the promises God makes to you in His Word about finding your shelter and security in Him Jesus said Peace I leave with you my peace I give you John 14:27 As you allow God's love to seep into the inner recesses of your being put aside your own plans and let the light of His presence fill your mind you will experience His perfect peace that transcends all understanding Philippians 4:7 Sessions Include Our Hope Is Future Directed Our Hope Is In God's Presence Our Hope Is In God's Abundance Our Hope Is In God's Eternal Promises Our Hope Is In the Earth's Transformation Our Hope Is In the Resurrection Our Hope Grows In Perseverance Our Hope Leads to Strength Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling selected passages of Scripture for reflection Bible Study questions and additional questions and activities to help you apply and live out the material during the week This study can be used for personal reflection and Bible study or in a small group setting **The Risen Jesus and Future Hope** Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have Reading and digesting this book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future **The Spring of Hope** Douglas Dales, 2021-07-15 Sermons for many occasions throughout the Christian year which can be a source of comfort and strength for those alone on their Christian journey or inspiration for preachers **A Hope-Filled Life** James R. Wilkes, 2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides

joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope *The Hope of Easter* Bill Donahue,2010-02-04 Easter is exciting We build up to it for weeks We schedule family gatherings around it We dress up for it We celebrate Easter because it signals new life new hope In this little book you ll find the source of that new life Jesus extending to us the hope of Easter You ll see that on the far side of Easter is a freedom that exceeds our expectations And you ll discover that the source of that freedom is an act of extreme forgiveness that has the power to change everything

Hope Revealed Robert P. Vande Kappelle,2013-08-23 Hope Revealed sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation s method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity *Resurrection Hope and the Death of Death* Mitchell L. Chase,2022-09-26 A Biblical Theology of Resurrection Hope from Genesis to Revelation Death is a powerful and sobering reality While everyone must face death it is not the end for those united with Christ Followers of Jesus Christ have resurrection hope the proclamation that Christ has defeated death and the promise that believers shall share in his victory The resurrection is essential to the Christian faith and is rooted in the faithfulness of God With scholarly insight Mitchell L Chase traces the theme of resurrection hope throughout Scripture walking through each section of Scripture from the Law to Revelation Having a proper understanding of death and resurrection will not only stir up our soberness for the reality of sin and death but it will also motivate our praise to God Founded on Scripture Highlights the interconnectedness of the Bible For Learners Ideal for students or anyone looking to grow in their knowledge of God and the Scriptures Part of the Short Studies in Biblical Theology Series Other volumes include The New Creation and the Storyline of Scripture The Lord s Supper as the Sign and Meal of the New Covenant and The Kingdom of God and the Glory of the Cross **Surprised by Hope** N. T. Wright,2008-02-05 For years Christians have been asking If you died tonight do you know where you would go It turns out that many believers have been giving the wrong answer It is not heaven Award winning author N T Wright outlines the present confusion about a Christian s future hope and shows how it is deeply intertwined with how we live today Wright who is one of today s premier Bible scholars asserts that Christianity s most distinctive idea is bodily resurrection He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community s hope in the bodily resurrection of all people at the

end of the age Wright then explores our expectation of new heavens and a new earth revealing what happens to the dead until then and what will happen with the second coming of Jesus For many including many Christians all this will come as a great surprise Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death For if God intends to renew the whole creation and if this has already begun in Jesus s resurrection the church cannot stop at saving souls but must anticipate the eventual renewal by working for God s kingdom in the wider world bringing healing and hope in the present life Lively and accessible this book will surprise and excite all who are interested in the meaning of life not only after death but before it *Hope: Promise, Possibility, and Fulfillment* Edited by Richard Lennan and Nancy Pineda-Madrid,2013 Crafting a theology of hope this book addresses both the possibility that hope offers and the capacity of hope to respond to the challenges that life presents to us all Out of The Depths:A Journey of Hope Christine Caligiuri,2017-04-18 Out of the Depths A Journey of Hope is a true journey of hope It presents a selective collection of letters poems meditative prayer meditations and questions for Scripture study designed for a weekly monthly study of Scripture These evolved from nine years of prison ministry The letters are exact words of prisoners that were written to the author Poems are those written by the author as are the meditations and Scripture study questions *The Christ Letter* Douglas D. Webster,2012-10-09 The Christ Letter is a conversation partner for pastors and students of the Bible who want to wrestle with the meaning of the biblical text for Christian living today Scholarly commentaries perform an essential task but they often leave today s believers on their own when it comes to making Paul s letter come alive Doug Webster weaves together deep biblical insights penetrating cultural perspectives and stories of transformation into a pastoral commentary that promises to release the powerful message of Ephesians This commentary offers lines of thought illustrations and applications that carry the gospel into the present situation Webster draws out the personal and practical impact of Paul s spiritual direction for today The Christ Letter gives pastors a fresh perspective and a better handle on how to preach Ephesians effectively Webster inspires and guides faithful disciples in what it means to follow Jesus in a Christ centered way **Living Hope in a Changing World** Lesslie Newbigin,2003 **A Dash of Hope** Larry Bricker,2017-09-19 Each of us needs hope in our lives I believe that we need hope as much as we need water and air Without hope how would we make it through our lives Because of my physical condition I always have hope in a better day tomorrow I have learned to look for hope in all that I do I have tried to take hope and bring it into my writings I always build my short letters based upon Scripture With this firm foundation I know that my messages are based in truth I use the ESV English Standard Version Bible for my Scripture passages It is one of the leading technically accurate Bible translations available today It is my firm desire that you too will emerge from this book with just a dash more of hope God bless and remember Jesus always Vist Larry s website at <https://www.larrybricker.com> **Horror and Hope** Dominic Kirkham,2021-07-28 Christianity is a global phenomenon that has affected the lives of millions of people and expressed itself in many ways over the centuries Often these expressions have

been at odds with the core values of the gospel and teachings of Jesus Imperialism colonization anti-Semitism racism misogyny to name but some issues have all been associated with this religion almost from the outset They are part of a legacy that we can no longer evade in the face of the many questioning voices of the modern world But how has this curious and conflicted situation come about And did Jesus even intend to found a new religion Drawing on modern scriptural studies current academic thinking and several decades of personal religious and monastic life the writer seeks to find answers examining the historical record of the past two millennia In a world that is increasingly secular and skeptical of religious claims the answer to how the Christian legacy is to be presented in a post Christian world is crucial for the future and the challenge this book seeks to address
