The Jesus Mysteries:

The Jesus Mysteries Timothy Freke, Peter Gandy, 2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations The Jesus Mysteries deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable Jesus and the Lost Goddess Timothy Freke, Peter Gandy, 2002-10-22 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today *Gnostic Visions* Luke A. Myers, 2011-04-15 Gnostic texts are filled with encounters of strange other worldly beings journeys to visionary heavenly realms and encounters with the presence and spirit of the divine In Gnostic visions author and Gnostic scholar Luke A Myers presents evidence demonstrating how Gnostic visions were created and the connection these visions have to naturally occurring visionary compounds that are still in existence today The culmination of more than ten years of research Gnostic Visions advances the understanding of classical ethnobotany Gnosticism and the genesis of early Christian history In this book the author discusses the prehistoric foundations of early human religion as well as the visionary religious traditions of the classical Greeks and Egyptians Using these as a foundation the book presents new and never before seen research explaining how Gnostic visions were created and what types of compounds were used by these ancient people to create them Gnostic Visions presents evidence directly linking visionary Ayahuasca analogs with the

creation of Gnostic and Hermetic visionary experiences Gnostic Visions also describes the decline of Gnosticism other visionary practices used in the Dark Ages and gives a brief tour of the visionary plants of the new world In Gnostic visions Myers tells of his personal experience with the divine and includes some of his own reflections of the importance of mankind's relationship to the natural world He communicates that altered states of consciousness have been responsible for many of the most profound mystical religious experiences in human history

The Jesus Legend Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus

found there **Shattering the Christ Myth** James Patrick Holding, 2008-06 How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here's a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It's well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus

The Greatest Story Ever Forged (Curse of the Christ Myth) David Hernandez, 2009-09 Is God fact or fiction This is the question that has been the subject of debate for millennia oftentimes leading to violence as we have seen in the countless religious wars throughout the course of history including the Islamic and Christian wars of today The Greatest Story Ever Forged discusses this question and outlines the fabrications giving birth to these monotheistic religions their early developments and how they have tyrannized the West and Middle East for these many centuries Though there have been many defenders of the faith David Hernandez shows how these religions have infinitely caused more damage to man than any good they have ever been credited for having done This is what he calls the Curse of the Christ Myth which derives from the big lie as propounded by the inventors of the Christ Myth who battled as fiercely among themselves as they did against their detractors or non believers These include everyone from the Jews to the Pagans to the Gnostics to the heretics and any form of infidels in an effort to establish their true religions **The Mystery of the Christ Force** Ron Scolastico, 2007

The Masks of Christ Lynn Picknett,Clive Prince,2008-11-11

From the gnostic gospels to the Nativity religious mythology immortalized Jesus his personality his actions his words but what if they didn t tell the truth

Although an entire religion is based on his teachings Jesus himself did not record any written accounts of his life or faith He taught his followers orally and our only sources about what Jesus actually said and believed the Gospels were written long after his lifetime But the Gospel authors had their own agendas to promote and most certainly altered even distorted their leader's message In *The Masks of Christ* bestselling authors Lynn Picknett and Clive Prince peel away layers of mythology canonical revisions Church propaganda and censorship in order to reveal who Christ really was and discover his true message to the followers of Christianity Stripping away centuries of misinformation Picknett and Prince dispel religious myths unearth historical truths and uncover the real stories behind some of the Bible's most famous tales including how Christ's long hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission Drawing on objective research Picknett and Prince present the living breathing Jesus and provide a context for Jesus teachings in the time and society in which he lived and most important guidance on what the life and lessons of Jesus Christ mean to everyone today

They Never Told Me This in Church! Greg S. Deuble, 2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In *They Never Told Me This in Church* Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes *They Never Told Me This in Church* will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation

THE EVOLUTION OF THE GOD ILLUSION Ir. Jim K K Wong, 2012-06-16 As one may have read Cicero in *The Nature Of The Gods* ancient people were vivid observers of the sky and the celestial bodies because of their livelihood they were mostly engaged in agriculture and animal husbandry The cycles of nature and seasons were the most important factors affecting farming civilizations The brilliant stars Jupiter Saturn Venus and the zodiac were also objects of great interest These heavenly bodies were regarded as deities even by learned philosophers Cicero and Socrates had a field day demolishing these strongly held prevailing ideas One popular god illusion of the West and Middle East began with patriarch Abraham who was an astronomer from Mesopotamia He studied Jupiter avidly and could predict its behavior which he used it to his advantage in his migration to the Fertile Crescent and in his encounters with hostile inhabitants Abraham had the delusion that Jupiter Yahweh was a deity who could be depended to assist him in troubled times The Yahweh Delusion was passed down from Abraham to son Isaac and grandson Jacob Jacob s 12 sons migrated to Egypt multiplied and eventually became slaves Moses a pariah Egyptian prince became the rebel leader of the Hebrew slaves when he discovered his roots At the opportune moment c 1450 BCE Venus erupted from unstable fast spinning Red Giant Jupiter and shot into the inner solar system like a billiard ball along a highly elliptical orbit It had several close encounters with Earth Moon and Mars and created stunning phenomena or miracles such as the much exaggerated Ten Plagues parting of the Red Sea the rain of manna apparent stopping of the Earth s rotation and even the destruction of the mighty army of Sennacherib near Jerusalem Moses and his successors apparently knew and could predict more or less unusual celestial phenomena and attributed them to a tribal deity Yahweh who was connected with their deliverance and survival Every successful prediction or expectation resulted in augmenting the god illusion The god illusion evolved through stupendous sagas cross fertilized by neighbors and reformers roughly from 1500 BCE to 500 BCE However the Hebrews had a confused idea of this savior deity and its feminine aspects such as the Celestial Cow giving manna milk In the evolutionary process Yahwist patriarchs literally wrote off the influential Goddess and made Yahweh a lone male god of Judaism and Christianity The underlying motive developing this god illusion is Moses and Israel s covetousness of the fertile Holy Land Moses needed a justification to commit genocide to rob loot destroy and drive out people inhabiting the land of milk and honey The justification is a tribal god of Israelites who gives mandate to his chosen race to rob and steal the Promise Land from evil worshippers of false gods The underlying theory for this god illusion evolution hypothesis is based on Immanuel Velikovsky s bestseller of the 1950s *Worlds in Collision* This hypothesis met fierce opposition in academia and Establishment Science The AAAS Symposium 1974 was convened to address the serious challenge Here the author produces abstracts from various

experts in various disciplines of sciences and arts to counter objections to the underlying theory The god illusion presented here is my own interpretation of the psychological impacts and aspects of these astounding celestial phenomena I am using appropriate knowledge in several disciplines to support my thesis such as radiation chemistry upper atmosphere chemistry and behavioral science My training as a stock analyst to read the underlying environment enables me to read in between the lines to speculate and connect the gaps and dots together and present a satisfying version of the god illusion
