The Jesus People Are Coming:

Hippies of the Religious Right Preston Shires, 2007 This volume demonstrates that the Christian Right has a surprising past Historical analysis reveals that the countercultural movements and evangelicalism share a common heritage Shires warns that political operatives in both parties need to heed this fact if they hope to either in the case of the Republican Party retain their evangelical constituency or in the case of the Democratic Party recruit new evangelical voters *The Jesus People are Coming* Pat King, 1972 OMG Mary Ellen Ashcroft, 2018-12-18 The plot thickens in novels and our lives forcing us from the fairy tale into a bewildering even heartbreaking narrative We look at the god we re holding and find it too fragile too brittle to meet reality Cling tighter Move on godless In fact rejecting a god image or as C S Lewis puts it allowing God to smash our limited god opens space for deeper faith in the midst of painful life experience In OMG Mary Ellen Ashcroft invites readers to look over her shoulder as she traces her god growth beginning with a capricious childhood god The loving savior who embraced her when she was eighteen followed her into strict fundamentalism while the god she met in an Anglican seminary shocked her by caring more about poverty than a seven day creation but then called her to a South Africa tipping toward revolution An interweaving of narrative theology and creative nonfiction OMG invites readers to grow into deeper faith retelling their stories in the light of the biblical one dropping inadequate gods to grasp a mysterious awesome one

Sousa,2021-08-12 Mathew E Sousa demonstrates that in certain respects John s doctrine of salvation fails to align with its customary depiction in Johannine scholarship Sousa suggests that according to John the human predicament is not merely unbelief or a lack of mental perception and Jesus s mission consists not merely of revelation and or a purely forensic atonement Rather Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity and in doing so Jesus reveals the true nature of the predicament from which he saves Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality The matters of sin and death in particular also make clear that according to John the human predicament is a reality that in various ways persists for believers as they both are and become children of God Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision

Re-Created for Greatness Evangelist Francis Boafo,2011-08-23 Many people seek Gods Heaven and His promised glory but are ignorant of the demand it places on them after their redemption The attainment of the promised glory requires submission to Gods dominion power and authority in Christ Jesus now Your submission prepares and makes you ready for your eternal destiny in heaven where the all consuming presence of God dwells The Bible says that without holiness no one will see God The infinite Lord constrained Himself within our finite body to give you the opportunity to share His infinite nature and glory in heaven What is your response Are you correctly oriented toward this divine destiny Do not be like people whose lifestyles relationship with people and with the things of this evil age show that they are oblivious to the demand of their eternal destiny Many people have their hearts inordinately oriented toward their now needs with little regard for their eternal destiny If you truly are seeking your promised glory in heaven journey through the pages of this book to discover some of the things you need to know and practice to ensure your promised glory

The Coming of the Son of Man Andrew Perriman,2012-08-21 Tracing the powerful motif of the coming of the Son of man from Daniel through to Revelation Andrew Perriman provides thought provoking ideas about eschatological narrative What was it like to hear the biblical proclamation of this coming for the first time in a cultural political and religious context very different from our own How did early Christians think about the imminence of the

promised day of the Lord What difference did this message make to how they thought lived and spread the gospel message This book engages the minds of jaded twenty first century postmoderns who have heard it all before By seeing the fulfilment of much of New Testament apocalyptic in events of the first centuries Perriman proposes that in some important sense we have moved beyond eschatology into an age of renewed community and mission that is creational in its scope The Coming of the Son of Man is important reading for those who want to engage in the debate concerning what church is and will be
