The Jesus Secret The Hidden Truth Revised:

The Jesus Secret Aim Og,2006-04 Og teaches that the true understanding of the resurrection of Jesus is not merely about a resurrected corpse but clearly about a resurrected corp a corporation of people Thus Jesus will not be returning as a single man but as a legion of men and women Christian Religion **The Secret History of Lucifer (New Edition)** Lynn Picknett,2012-03-01 In her new account of an old religion Lynn Picknett explains that Lucifer means the light bringer and was a personification of the Morning Star the planet Venus and its goddess He was originally she a divine representation of love light and human warmth The early Christian Church appropriated the name Lucifer and it became synonymous with darkness and the Devil Yet many great thinkers have covertly followed the old Luciferan way most famously Leonardo da Vinci who encrypted the symbols of his heretical beliefs in his work visible only to those who have the key **The Greatest Secret Ever Hidden** Chester Sapino,2008 In 1972 sinister and dark forces invaded my life from a nonphysical realm causing great fear to grip my heart This experience led me to undertake a detailed search and study over a 35 year period of ancient writings dealing with the spirit realm During this time I came to realize that there are two forces that we have to deal with in our lives on a continuous basis namely the forces of good and evil I also became aware of the fact that there are two forces called the truth and the false Discerning the knowledge of the truth involved the construction of what I refer to in the book as the matrix of truth The matrix can be looked upon as building blocks that a person establishes in their heart as they live out their life In my quest for the truth I uncovered The Greatest Secret Ever Hidden Can you imagine a secret that has been veiled in secrecy for thousands of years being revealed in a flash of insight which is so remarkable as to totally boggle the mind The question will be whether you have the tenacity and the ability to uncover understand and live in The Greatest Secret Ever Hidden Your belief system will be pushed to the wall as you read this book and for you it will be a matter of life and death as you attempt to grapple with the astounding truth revealed in The Greatest Secret Ever Hidden Notes, explanatory and practical, on the New Testament. ed. by R. Frew Albert Barnes,1884 The Victory of the New Man and Mysteries of God Joel Zao,2020-12-16 This book completes a series on Paul s Letter to the Romans Chasing Truth focused on Chapters 1 8 of the Letter All Israel Shall Be Saved focused on Chapters 9 11 This final installment is a discussion of Chapters 12 16 which illustrates the practical application of the truths of the previous two books providing a proper conclusion to the study Paul s Letter to the Romans lays the foundation of the faith he delivered to the Christian churches he founded in the first century All subsequent assemblies in order to carry out their rightful mission should pattern their teaching and service to God according to Paul s pattern It is the author s opinion that departure from the teachings in Romans is the cause of weak faith in believers and inadequate preparation needed to successfully build up the church which is Christ s Body **Mark 1-8 MacArthur New Testament Commentary** John MacArthur,2015-03-17 The gospel of Jesus Christ the Son of God Those words not only begin Mark s gospel but they also capture one of its most important themes one

that builds throughout the first eight chapters until it reaches its climax in Mark 8 29 where Peter acknowledges You are the Christ Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical Taking into account the cultural theological and Old Testament contexts of each passage MacArthur tackles interpretive challenges and fairly evaluates differing views giving the reader confidence in his conclusions The MacArthur New Testament Commentary series comes from the experience wisdom and insight of one of the most trusted ministry leaders and Bible scholars of our day Each volume was written to be as comprehensive and accurate as possible dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical This commentary will help to give a better fuller richer understanding of God s Word while challenging the reader to a vibrant personal spiritual walk A great resource for pastors teachers leaders students or anyone desiring to dig deeper into Scripture

The Four Gospels of Jesus the Christ Robert Luthmers, 2011-07-30 The purpose of this book is to feature the Gospels of Jesus the Christ in an authentic canon apart from the patriarchal language framework of the New Testament By that I mean that the gospels have been translated into a language framework that clarifies the truth of the Gospels by eliminating the bias and obscurities of patriarchy gender anti Semitism and the sixteenth century s distortions inherent in King James I s promotion of the divine right of kings From the discoveries and research over the last fifty years I have been inspired by the Gospel of Mary the Gospel of Thomas and writings on the Aramaic basis of the Gospels where the authentic voice of Jesus is made accessible
