Agents of Light and Darkness Simon R. Green, 2003-10-28 Simon Green's Nightside is a macabre and thoroughly entertaining world 1 New York Times bestselling author Jim Butcher John Taylor works in the Nightside the gaudy neon noir secret heart of London where it's always three in the morning where gods and monsters make deals and seek pleasures they won't find anywhere else He has a gift for finding things And sometimes what he's hired to locate can be very very dangerous indeed Right now for example he's searching for The Unholy Grail the cup that Judas drank from at the Last Supper It corrupts all who touch it but it also gives enormous power So he's not the only one hunting Angels devils sinners and saints they're all out there tearing apart The Nightside seeking the dark goblet And it's only a matter of time until they realize that the famous John Taylor the man with the gift for finding things can lead them straight to it

Wardens of Light and Shadow J. M. Williamson, 2012-11-18 Wardens Selected for their strong innate connection to the lifeblood of the world these unique individuals were granted the gift of immortality and tasked with the protection of Kylir and its ancient Guardians against the Darkness Where once they warred openly raining unimaginable destruction upon the world the centuries have seen their conflict shift to the shadows in the hope of gaining victory through the manipulation of the mundane instead of open devastating conflict For what victory is there in reigning over a dead world On the continent of Triclose war is life and life is war For two hundred years the proud people of this land have battled for control of the long empty throne the Wardens and their war lost to the annals of myth and legend The children of this land are raised on stories of their ancestors and noble battles against life long enemies thus with each new generation loyalties are sworn hatreds renewed and the wars begin anew It is here even as this never ending cycle of generational warfare plays out that events both unexpected and foreseen threaten to draw the ancient Wardens from the shadows and reignite a war with the cataclysmic potential to reshape Kylir for all time

The Realm of Light Frank Hatfield, 1908

W. H. Auden's Book of Light Verse W. H. Auden, 2004-07-31 Auden's celebrated anthology of light verse is packed with surprising finds while also offering a striking rethinking of the poetic canon Commissioned by Oxford University Press in the 1930s when Auden's own work was at its boldest the book caught its original publisher off guard For it is less a collection of humorous verses than a celebration of the popular voice in English in which the work of great satirists like Swift and Byron keeps company with ballads chanteys ditties nursery rhymes street calls bathroom graffiti epitaphs folk songs vaudeville turns limericks and blues

Turning away from the post Romantic cult of the sentimental lyric Auden features poetry that is clear enjoyable and no matter its age absolutely modern This new edition includes previously censored poems together with Auden s remarkable introduction and a new preface by his literary executor Edward Mendelson
