The Daughters of Cain Colin Dexter,2008-09-04 The Daughters of Cain is the eleventh novel in Colin Dexter's Oxford set detective series Bizarre and bewildering that's what so many murder investigations in the past had proved to be In this respect at least Lewis was correct in his thinking What he could not have known was what unprecedented anguish the present case would cause to Morse's soul Chief Superintendent Strange's opinion was that too little progress had been made since the discovery of a corpse in a North Oxford flat The victim had been killed by a single stab wound to the stomach Yet the police had no weapon no suspect no motive Within days of taking over the case Chief Inspector Morse and Sergeant Lewis uncover startling new information about the life and death of Dr Felix McClure When another body is discovered Morse suddenly finds himself with rather too many suspects For once he can see no solution But then he receives a letter containing a declaration of love The Daughters of Cain is followed by the twelfth Inspector Morse book **Death is Now My Neighbour**

The Wench is Dead Colin Dexter,2008-09-04 Winner of the CWA Gold Dagger award The Wench is Dead is the eighth novel in Colin Dexter's Oxford set detective series As portrayed by John Thaw in ITV's Inspector Morse That night he dreamed in Technicolor He saw the ochre skinned scantily clad siren in her black arrowed stockings And in Morse's muddled computer of a mind that siren took the name of one Joanna Franks Early in the morning of the 22nd of June 1859 the body of Joanna Franks was found floating at Duke's Cut along the Oxford Canal an event which led to the trial and hanging of two suspected murderers A hundred and thirty years later Chief Inspector Morse is bedbound and recovering from a perforated ulcer at Oxford's John Radcliffe Hospital when he is handed an old book to read one that recounts the trial of a murder aboard the Barbara Bray canal boat the murder of Joanna Franks Investigating the account of the trial Morse begins to question whether the two men hanged were truly guilty and sets out to prove his suspicions from the confines of his hospital bed The Wench is Dead is followed by the ninth Inspector Morse book **The Jewel That Was Ours**

discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction **The Secret of Annexe 3** Colin Dexter, 2008-09-04 The Secret of Annexe 3 is the seventh novel in the Oxford set detective series from Colin Dexter As portrayed by John Thaw in ITV's Inspector Morse Morse sought to hide his disappointment So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise a change of dress a change of make up a change of partner a change of attitude a change of life almost and the man who had died had been the most consummate artist of them all Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations So the murder inquiry in the festive hotel had a certain appeal it was a crime worthy of the season With the corpse still in fancy dress albeit bloodsoaked and hardly a single guest at the Hadworth hotel having checked in under their real name Morse is faced with his toughest mystery yet The Secret of Annexe 3 is followed by the eighth Inspector Morse book The Wench is Dead Service of All the Dead Colin Dexter, 2008-09-04 Service of All the Dead is the fourth novel in

Colin Dexter's Inspector Morse series The sweet countenance of Reason greeted Morse serenely when he woke and told him that it would be no bad idea to have a quiet look at the problem itself before galloping off to a solution In the quiet parish of St Frideswide's most people could still remember the murder of the churchwarden A few could still recall the murderer's suicide Even the police closed the case But Chief Inspector Morse was alone among the congregation in suspecting that not everything might be so tidily put to rest And a chance meeting among the tombstones reveals startling new evidence of a conspiracy to deceive Service of All the Dead is followed by the fifth Inspector Morse book The Dead of Jericho The Silent World of Nicholas Quinn Colin Dexter, 2011-02-10 The Silent World of Nicholas Quinn is the third novel in Colin Dexter's Oxford set detective series Morse had never ceased to wonder why with the staggering advances in medical science all pronouncements concerning times of death seemed so disconcertingly vague When the newly appointed and gifted member of the Oxford Examinations Syndicate is murdered in his north Oxford home so starts a formidably complicated homicide case for Chief Inspector Morse For tracking down the killer will involve navigating the insular and labyrinthine world of Oxford colleges The Silent World of Nicholas Quinn is followed by the fourth Inspector Morse book Service of All the Dead

The Riddle of the Third Mile Colin Dexter, 2011-02-10 The Riddle of the Third Mile is the sixth novel in Colin Dexter's Oxford set detective series As portrayed by John Thaw in ITV's Inspector Morse The thought suddenly occurred to Morse that this would be a marvellous time to murder a few of the doddery old bachelor dons No wives to worry about their whereabouts no landladies to whine about the unpaid rents In fact nobody would miss most of them at all Dr Browne Smith passed through the porter's lodge at approximately 8.15 a.m. on the morning of Friday 11th July And nobody has heard from him since By the 16th of July the Master of Lonsdale is concerned but not yet worried Plenty of time to disappear think Chief Inspector Morse And plenty of time too for someone to commit murder As bodies begin to pile Morse sets out on a journey through intricate and complicated history from World War Two Egypt to present day London in search of answers The Riddle of the Third Mile

is followed by the seventh Inspector Morse book *The Secret of Annexe 3* *The Encyclopedia of Murder and Mystery* B. Murphy, 1999-12-09 Bruce Murphy's *Encyclopedia of Murder and Mystery* is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance
