Translated from the Hebrew by Peretz Kidron

The Jewish Derrida

Arleen Ionescu

The Jewish Derrida:

The Jewish Derrida Gideon Ofrat, 2001-06-01 A fresh look at the influential French philosopher Jacques Derrida **The Jewish Derrida** Gideon Ofrat, 2001-06-01 Until now no critical work has touched on the Jewish dimension in Jacques Derrida's philosophical oeuvre Ofrat notes that early Derridean works contained few if any references to Jewish writers concepts or issues At first glance Judaism itself along with all other structures found in traditional Western metaphysics would appear to have no place in Derrida's thought but Ofrat argues that Derrida cannot be thoroughly understood without elucidating the Jewish current running through his philosophy right down to the scar of his circumcision A French Algerian Jew Derrida broke free of the Jewish consciousness and culture of his childhood but taught that leaving something is a precondition for recognizing its significance Ofrat suggests that Derrida's philosophy grew from these early influences and the fragments of his Jewish identity and he offers a comprehensive reading of Derridean writings and strong grounding in Jewish tradition By approaching Derrida's philosophical poetic and artistic themes through a Jewish lens Ofrat gives a sophisticated subtle entirely fresh reading of one of the most influential thinkers of the twentieth century **Questioning Judaism** Jacques Derrida, Elisabeth Weber, 2004 This volume presents the meditations of seven well known French thinkers on the special relations of their own intellectual pursuit to Judaism **Derrida, an Egyptian** Peter Sloterdijk, 2009-08-17 Shortly before his death in 2004 Jacques Derrida expressed two paradoxical convictions he was certain that he would be forgotten the very day he died yet at the same time certain that something of his work would survive in the cultural memory This text by Peter Sloterdijk one of the major figures of contemporary philosophy makes a contribution of its own to the preservation and continuation of Derrida's unique and powerful work In this brief but illuminating text Sloterdijk offers a series of recontextualizations of Derrida's work by exploring the connections between Derrida and seven major thinkers including Hegel Freud and Thomas Mann The leitmotif of this exploration is the role that Egypt and the Egyptian pyramid plays in the philosophical imagination of the West from the exodus of Moses and the Jews to the conceptualization of the pyramid as the archetype of the cumbersome objects that cannot be taken along by the spirit on its return to itself Egyptian is the term for all constructs that can be subjected to deconstruction except for the pyramid that most Egyptian of edifices which stands in its place unshakeable for all time because its form is the undeconstructible remainder of a construction that is built to look as it would after its own collapse **In the Margins of Deconstruction** M.C. Srajek, 2012-12-06 Although this book is a study of the work of Emmanuel Levinas and Jacques Derrida it would be mistaken to refer to it as a comparison The book develops a framework which might aide the reader of Levinas and Derrida in determining the scope and significance of their respective projects as far as a discourse of the sacred is concerned It does so by emphasizing their status as philosophers whose thought correlates but does not compare Within this correlation without obscuring either their differences or similarities we can see a common framework that consists of the following elements First it is clear from what and how Derrida and Levinas

have written that the general import of their work lies in the area of ethics. However in many ways it would be justifiable to say that their work is not about ethics at all. Neither of them proposes a moral theory, neither is interested in discussing the question of values vs social norms, duty vs virtue and other issues that might pertain to the area of ethics. To be sure these issues do come up in their work yet they are treated in a peculiarly different way. For Derrida and Levinas, ethics is not so much an inquiry into the problems of right and wrong but an inquiry into the problem of the ethical constitutedness of human beings.

The Memorial Ethics of Libeskind's Berlin Jewish Museum Arleen Ionescu, 2017-02-20. This book is a detailed critical study of Libeskind's Berlin Jewish Museum in its historical, architectural and philosophical context. Emphasizing how the Holocaust changed our perception of history, memory, witnessing and representation, it develops the notion of memorial ethics to explore the Museum's difference from more conventional post-World War Two commemorative sites. The main focus is on the Museum as an experience of the materiality of trauma which engages the visitor in a performative duty to remember. Arleen Ionescu builds on Levinas's idea of ethics as optics to show how Libeskind's Museum becomes a testimony to the unrepresentable Other. Ionescu also extends the Museum's experiential dimension by proposing her own subjective walk through Libeskind's space reimagined as a literary museum. Featuring reflections on texts by Beckett, Celan, Derrida, Kafka, Blanchot, Wiesel and Selma Meerbaum-Eisinger, Celan's cousin, this virtual tour concludes with a brief account of Libeskind's analogous healing project for Ground Zero.

Derrida's Marrano Passover Agata Bielik-Robson, 2022-12-15. In this first ever monograph on Jacques Derrida's Toledo confession where he portrayed himself as sort of a Marrano of the French Catholic culture, Agata Bielik-Robson shows Derrida's marranism to be a literary experiment of auto-fiction. She looks at all possible aspects of Derrida's Marrano identification in order to demonstrate that it ultimately constitutes a trope of non-identitarian evasion that permeates all his works just as Marranos cannot be characterized as either Jewish or Christian, so is Derrida's universal Marranism an invitation to think philosophically, politically and last but not least metaphysically without rigid categories of identity and belonging. By concentrating on Derrida's deliberate choice of marranism, Bielik-Robson shows that it penetrates deep into the very core of his late thinking, constantly drawing on the literary works of Kafka, Celan, Joyce, Cixous and Valéry and throwing a new light on his early works, most of all *Of Grammatology*, *Dissemination* and *Difference*. She also offers a completely new interpretation of many of Derrida's works only seemingly non-related to the Marrano issue like *Glas*, *Given Time*, *Counterfeit Money*, *Death Penalty Seminar* and *Specters of Marx*. In these new readings, this book demonstrates that the Marrano Derrida is not a marginal auto-biographical figure overshadowed by Derrida the Philosopher; it is one and the same thinker who discovered marranism as a literary trope of openness, offering up a new genre of philosophical storytelling which centers around Derrida's Marrano auto-fable.

Portrait of Jacques Derrida as a Young Jewish Saint Hélène Cixous, 2005. Who can say I am Jewish? What does Jew mean? In *Portrait of Jacques Derrida as a Young Jewish Saint*, Hélène Cixous explores what these questions mean for the influential philosopher Jacques Derrida, founder of deconstruction, scoffing

at fixed identities and explorer of the indeterminate Cixous's kaleidoscopic portrait effortlessly merges biography textual commentary and discussions of Jewish rituals and past philosophers in a playful exploration of Derrida his works and being or not being Jewish Derrida who died in 2004 and Cixous were lifelong friends and grew up as French Jews in Algeria They shared a belonging constituted of exclusion and nonbelonging not Algerian rejected by France their Jewishness concealed or acculturated In Derrida's family one never said circumcision but baptism not Bar Mitzvah but communion Judaism cloaked in Catholicism is one example of the undecidability of identity that influenced the thinker whom Cixous calls a Jewish Saint

Is Theory Good for the Jews? Bruno Chaouat, 2016 By looking back to the emergence of a postwar theoretical discourse on trauma memory victims suffering the Holocaust and the Jews *Is Theory Good for the Jews* explores how French thought is implicated in intellectual literary and ideological components of the global and local upsurge of antisemitism

Radical French Thought and the Return of the "Jewish Question" Eric Marty, 2015-05-22 Five seminal essays on contemporary antisemitism and its connections to radical thought For English speaking readers this book serves as an introduction to an important French intellectual whose work especially on the issues of antisemitism and anti Zionism runs counter to the hostility shown toward Jews by some representatives of contemporary critical theory It presents for the first time in English five essays by Eric Marty previously published in France with a new preface by the author addressed to his American readers The focus of these essays is the debate in France and elsewhere in Europe concerning the Jew The first essay on Jean Genet one of postwar France's most important literary figures investigates the nature of Genet's virulent antisemitism and hatred of Israel and its significance for an understanding of contemporary phenomena The curious reappearance of St Paul in theological and political discourse is discussed in another essay which describes and analyses the interest that secular writers of the far left have shown in Paul's universalism placed over and against Jewish or Israeli particularism The remaining essays are more polemical in nature and confront the anti Israeli attacks by Alain Badiou and Gilles Deleuze Both important and timely it will be a notable contribution to the ongoing public and intellectual discussion of contemporary antisemitism and the animus of intellectuals toward the state of Israel Elhanan Yakira author of *Post Zionism* *Post Holocaust* Represents a significant contribution to our understanding of both the phenomenon of the new antisemitism and a certain strain of French critical theory over the last several decades Maurice Samuels Yale University

Deconstruction in a Nutshell Jacques Derrida, 2020-11-03 This volume now with a substantial new Introduction represents one of the most lucid compact and reliable introductions to Derrida and deconstruction available in any language Responding to questions put to him at a roundtable held at Villanova University in 1994 Jacques Derrida leads the reader through an illuminating discussion of the central themes of deconstruction Speaking in English and extemporaneously Derrida takes up with unusual clarity and great eloquence such topics as the task of philosophy the Greeks justice responsibility the gift community and the messianic Derrida refutes the charges of relativism that are often leveled at

deconstruction by its critics and sets forth the profoundly affirmative and ethico political thrust of his work The roundtable is marked by an unusual clarity that continues into the second part of the book in which one of Derrida s most influential readers John D Caputo elaborates upon Derrida s comments and supplies material for further discussion This edition also includes a substantial new Introduction by Caputo that discusses the original context of the book and traces the development of deconstruction since Derrida s death in 2004 from the rise of new materialisms to return to religion Long one of the most lucid and reliable introductions to Derrida and deconstruction available in any language and an ideal volume for students Deconstruction in a Nutshell will also prove illuminating for those already familiar with Derrida s work

The Trace of God Edward Baring, Peter E. Gordon, 2014-11-05 Derrida s writings on the question of religion have played a crucial role in the transformation of scholarly debate across the globe The Trace of God provides a compact introduction to this debate It considers Derrida s fraught relationship to Judaism and his Jewish identity broaches the question of Derrida s relation to the Western Christian tradition and examines both the points of contact and the silences in Derrida s treatment of Islam

German-Jewish Thought and Its Afterlife Vivian Liska, 2016-12-19 In *German Jewish Thought and Its Afterlife* Vivian Liska innovatively focuses on the changing form fate and function of messianism law exile election remembrance and the transmission of tradition itself in three different temporal and intellectual frameworks German Jewish modernism postmodernism and the current period Highlighting these elements of the Jewish tradition in the works of Franz Kafka Walter Benjamin Gershom Scholem Hannah Arendt and Paul Celan Liska reflects on dialogues and conversations between them and on the reception of their work She shows how this Jewish dimension of their writings is transformed but remains significant in the theories of Maurice Blanchot and Jacques Derrida and how it is appropriated dismissed or denied by some of the most acclaimed thinkers at the turn of the twenty first century such as Giorgio Agamben Slavoj i ek and Alain Badiou

The Figural Jew Sarah Hammerschlag, 2010-05-15 The rootless Jew wandering disconnected from history homeland and nature was often the target of early twentieth century nationalist rhetoric aimed against modern culture But following World War II a number of prominent French philosophers recast this maligned figure in positive terms and in so doing transformed postwar conceptions of politics and identity Sarah Hammerschlag explores this figure of the Jew from its prewar usage to its resuscitation by Jean Paul Sartre Emmanuel Levinas Maurice Blanchot and Jacques Derrida Sartre and Levinas idealized the Jew s rootlessness in order to rethink the foundations of political identity Blanchot and Derrida in turn used the figure of the Jew to call into question the very nature of group identification By chronicling this evolution in thinking Hammerschlag ultimately reveals how the figural Jew can function as a critical mechanism that exposes the political dangers of mythic allegiance whether couched in universalizing or particularizing terms Both an intellectual history and a philosophical argument *The Figural Jew* will set the agenda for all further consideration of Jewish identity modern Jewish thought and continental philosophy

Giving Beyond the Gift Elliot R. Wolfson, 2014-02-03 This book explores the co dependency of

monotheism and idolatry by examining the thought of several prominent twentieth century Jewish philosophers Cohen Buber Rosenzweig and Levinas While all of these thinkers were keenly aware of the pitfalls of scriptural theism to differing degrees they each succumbed to the temptation to personify transcendence even as they tried either to circumvent or to restrain it by apophatically purging kataphatic descriptions of the deity Derrida and Wyschogrod by contrast carried the project of denegation one step further embarking on a path that culminated in the aporetic suspension of belief and the consequent removal of all images from God a move that seriously compromises the viability of devotional piety The inquiry into apophasis transcendence and immanence in these Jewish thinkers is symptomatic of a larger question Recent attempts to harness the apophatic tradition to construct a viable postmodern negative theology a religion without religion are not radical enough Not only are these philosophies of transcendence guilty of a turn to theology that defies the phenomenological presupposition of an immanent phenomenality but they fall short on their own terms inasmuch as they persist in employing metaphorical language that personalizes transcendence and thereby runs the risk of undermining the irreducible alterity and invisibility attributed to the transcendent other The logic of apophasis if permitted to run its course fully would exceed the need to posit some form of transcendence that is not ultimately a facet of immanence Apophatic theologies accordingly must be supplanted by a more far reaching apophasis that surpasses the theolatrous impulse lying coiled at the crux of theism an apophasis of apophasis based on accepting an absolute nothingness to be distinguished from the nothingness of an absolute that does not signify the unknowable One but rather the manifold that is the pleromatic abyss at being's core Hence the much celebrated metaphor of the gift must give way to the more neutral and less theologically charged notion of an unconditional givenness in which the distinction between giver and given collapses To think givenness in its most elemental phenomenological sense is to allow the apparent to appear as given without presuming a causal agency that would turn that given into a gift

Algeria and France, 1800-2000 Patricia M. E. Lorcin, 2006-10-19 The relationship between Algeria and France that formed during the 132 years of colonial rule did not end in 1962 when Algeria gained its independence This long period of occupation left an indelible mark on the social fabric of both societies one that continues to influence their cultures identities and politics Wide ranging in scope yet complementary in focus the essays deftly convey the extent to which the French colonial experience in Algeria resonates on both sides of the Mediterranean Young and established scholars shed light on the linguistic cultural and social mechanisms of violence remembrance forgetting fantasy nostalgia prejudice mythmaking and fractured identity Addressing the nature of Franco Algerian relations through such topics as migration displacement settler colonialism racism and sexuality these essays provide an important contribution to postcolonial studies cultural studies and North African history With renewed public debate surrounding the two countries shared past and their interwoven communities today this volume will be indispensable for anyone with an interest in the relations between Algeria and France and the literature on memory and nostalgia

Socrates and the Jews Miriam Leonard, 2012-05-01 What has Athens to do with Jerusalem Asked

by the early Christian Tertullian the question was vigorously debated in the nineteenth century While classics dominated the intellectual life of Europe Christianity still prevailed and conflicts raged between the religious and the secular Taking on the question of how the glories of the classical world could be reconciled with the Bible Socrates and the Jews explains how Judaism played a vital role in defining modern philhellenism Exploring the tension between Hebraism and Hellenism Miriam Leonard gracefully probes the philosophical tradition behind the development of classical philology and considers how the conflict became a preoccupation for the leading thinkers of modernity including Matthew Arnold Moses Mendelssohn Kant Marx Nietzsche and Freud For each she shows how the contrast between classical and biblical traditions is central to writings about rationalism political subjectivity and progress Illustrating how the encounter between Athens and Jerusalem became a lightning rod for intellectual concerns this book is a sophisticated addition to the history of ideas

Exemplarity and Chosenness Dana Hollander, 2008-03-28 Exemplarity and Chosenness is a combined study of the philosophies of Jacques Derrida 1930 2004 and Franz Rosenzweig 1886 1929 that explores the question How may we account for the possibility of philosophy of universalism in thinking without denying that all thinking is also idiomatic and particular The book traces Derrida's interest in this topic particularly emphasizing his work on philosophical nationality and his insight that philosophy is challenged in a special way by its particular national instantiations and that conversely discourses invoking a nationality comprise a philosophical ambition a claim to being exemplary Taking as its cue Derrida's readings of German Jewish authors and his ongoing interest in questions of Jewishness this book pairs his philosophy with that of Franz Rosenzweig who developed a theory of Judaism for which election is essential and who understood chosenness in an exemplarist sense as constitutive of human individuality as well as of the Jews' role in universal human history

Moshe Idel: Representing God Hava Tirosh-Samuelson, Aaron W. Hughes, 2015-01-08 Moshe Idel the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem and Senior Researcher at the Shalom Hartman Institute is a world renowned scholar of the Jewish mystical tradition His historical and phenomenological studies of rabbinic philosophic kabbalistic and Hasidic texts have transformed modern understanding of Jewish intellectual history and highlighted the close relationship between magic mysticism and liturgy A recipient of two of the most prestigious awards in Israel the Israel Prize for Jewish Thought 1999 and the Emmet Prize for Jewish Thought 2002 Idel's numerous studies have uncovered persistent patterns of Jewish religious thought that challenge conventional interpretations of Jewish monotheism while offering a pluralistic understanding of Judaism His explorations of the mythical theurgical mystical and messianic dimensions of Judaism have been attentive to history sociology and anthropology while rejecting a naïve historicist approach to Judaism

Judaism in Contemporary Thought Agata Bielik-Robson, Adam Lipszyc, 2014-04-03 The central aim of this collection is to trace the presence of Jewish tradition in contemporary philosophy This presence is on the one hand undeniable manifesting itself in manifold allusions and influences on the other hand difficult to define rarely referring to openly revealed Judaic sources Following the recent

tradition of Levinas and Derrida this book tentatively refers to this mode of presence in terms of traces of Judaism and the contributors grapple with the following questions What are these traces and how can we track them down Is there such a thing as Jewish difference that truly makes a difference in philosophy And if so how can we define it The additional working hypothesis accepted by some and challenged by other contributors is that Jewish thought draws explicitly or implicitly on three main concepts of Jewish theology creation revelation and redemption If this is the case then the specificity of the Jewish contribution to modern philosophy and the theoretical humanities should be found in sometimes open sometimes hidden fidelity to these three categories Offering a new understanding of the relationship between philosophy and theology this book is an important contribution to the fields of Theology Philosophy and Jewish Studies

Recognizing the mannerism ways to get this books **The Jewish Derrida** is additionally useful. You have remained in right site to start getting this info. get the The Jewish Derrida link that we present here and check out the link.

You could buy lead The Jewish Derrida or get it as soon as feasible. You could speedily download this The Jewish Derrida after getting deal. The Jewish Derrida Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Jewish Derrida PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free The Jewish Derrida PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Jewish Derrida free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Jewish Derrida Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Jewish Derrida is one of the best book in our library for free trial. We provide copy of The Jewish Derrida in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Jewish Derrida. Where to download The Jewish Derrida online for free? Are you looking for The Jewish Derrida PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Jewish Derrida. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Jewish Derrida are for sale to free while some are

payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Jewish Derrida. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Jewish Derrida To get started finding The Jewish Derrida, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Jewish Derrida So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Jewish Derrida. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Jewish Derrida, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Jewish Derrida is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Jewish Derrida is universally compatible with any devices to read.
