The Jewish War A Novel Library Of Modern Jewish Literature:

The Jewish War Tova Reich,1997 **The Jewish War** Tova Reich,2012-10-24 It is sometime in the near future and the Israeli Army is about to descend upon a band of militant settlers who have proclaimed the secessionist Kingdom of Judea and Samaria So begins this timely and brilliantly satiric novel an all too real story of a modern day Masada The Jewish War is most particularly the story of Yehudi HaGoel formerly Jerry Goldberg of the Bronx the fiery and charismatic king of an extreme Zionist sect His divine mission to hasten the coming of the Messiah and bring about the redemption As we follow him from his youth in New York City and the Catskills to his hilarious illicit passage to Israel during the Six Day War and through his campaign to claim the sacred city of Hebron the burial place of the Jewish Patriarchs and Matriarchs we enter into a complex and troubled world rife with ancient passions It is a world peopled with irreconcilables religious Zionists ultra Orthodox anti Zionists Christian fundamentalists Arab nationalists secular Israelis American supporters and implacable military officers Among these last is General Uri Lapidot whose career is uncannily linked to HaGoel s and who is charged with the grim and unwanted task of leading the Israeli army against the secessionist kingdom in the final showdown By turns comic and tragic The Jewish War is a stunning account of the struggle between political realities and historical vision between the hope for peace and a fierce commitment to sacred eternal truth Written with deep authority and intense power it brings to life haunting and universally resonant characters whose deepest yearnings are those that pursue us all

The Bible in History Robert B. Waltz, The Bible in History A study of the history folklore and occasionally even the mathematics underlying the Bible A sort of dictionary of scholarly material you likely won t find elsewhere Dedicated to Elizabeth Rosenberg Patricia Rosenberg and Catie Jo Pidel Please understand that this is not a Biblical commentary Also while I try very hard to avoid actual theological discussions the work is very much based on external evidence the manuscripts of the Bible the evidence of other historical records the findings of science the folklore about the Bible Some of this can be offensive to some particularly those who try to find exact literal truth in the Bible I hope you will accept it or else not read it in that light If you are still interested there is a lot of historical background about the Bible here not always direct links to the Bible but the context of the nations among whom the Israelites lived There is no Biblical mention of say Nabopolassar of Babylon but his actions would deeply influence Judean history Knowing even a little of that history can help understand the Bible Also where there are variant readings in the manuscripts of the Hebrew Bible or the New Testament I note it This may mean that we are uncertain what the Bible says and hence what it means I try either to recover the original meaning or in some cases to assess the meanings of both readings And then there are the tidbits of science and folklore and anything else I can think of The result is a grab bag Some parts may be useful some may not The idea is to browse and see what strikes your fancy With luck you ll understand more about the Bible after doing so
