The Jews Gods People:

The Jews as a Chosen People S. Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology

The Identity of God's People and the Paradox of Hebrews Ole Jakob Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher

The Mission of God's People Christopher J. H. Wright, 2010-09-07 What does the Bible say about God's purpose for us the witness of the church and our mission to spread the message of the gospel Chris Wright's pioneering 2006 book *The Mission of God* revealed that the typical Christian understanding of missions encompasses only a small part of God's overarching mission for the world God is relentlessly reclaiming the whole of creation for himself and each of us fit into that big picture plan In *The Mission of God's People* Wright argues that having a strong biblical theology that shapes our thinking and behavior must be in place before answering the call of the Great Commission Wright first steps back and answers some of the biggest questions of God's story and our place within it Who are the people of God What kind of people are we What are the priorities and limits of our mission What exactly is the gospel that lies at the core of our mission What was it that made Christianity a missionary faith from the very start While answering these essential questions Wright thoroughly details what the Old and New Testaments teach Christians about being God's people He addresses questions of both ecclesiology the theology of the church and missiology the practice and methodology of missions with topics like called to care for creation called to bless the nations sending and being sent and rejecting false gods _____ Part of the Biblical Theology for Life series this practical and robust book will help you and your church ground your witness bearing purpose and worship on the solid foundation of biblical understanding and reflection

The Second Chance for God's People Timothy W. Seid, 2008-09-26 For centuries the New Testament book of Hebrews has been interpreted as though it had been written for Jewish Christians in danger of lapsing back into legalism and religious ceremony This view is now being challenged by current scholarship Rather than attacking the Old Testament and Judaism the author of Hebrews praises the person and work of Jesus through a series of comparisons on which he bases exhortations and warnings to the present people of God Hebrews urges God s people to learn from past mistakes and failures and to take up the challenge in difficult times to live faithfully in the new relationship to God through Jesus God s Son In The Second Chance for God s People Messages from Hebrews Quaker pastor and professor Timothy W Seid encourages today s church to respond to the challenge of Hebrews first individually by progressing in spiritual and moral maturity and second collectively by being God s faithful people in the world In the light of ancient Greek language and rhetoric after having extensively researched Hebrews Seid interprets the text of Hebrews section by section in an accessible and nontechnical way while also illustrating and applying the meaning of the text for the contemporary church

Twelve Weeks in Spring James Montgomery, 2014-11-03 There is a fundamental Christian virtue which today has been all but abandoned by the evangelical Christian church in the Western World It is unpopular because it does not rest comfortably with our success driven survival of the fittest consumer society It is distasteful because it is perceived to require us to be less than we really are when we wish to appear more than we really are I am referring of course to the virtue of humility Matt 5:3 which is not easy to define but in practical terms can often mean little more than giving place to others and showing them respect and courtesy whatever the circumstances This little book is about what can happen when humility is completely cast aside and what I believe Almighty God has to say to us on the subject
