Jews in Ukrainian Literature Myroslav Shkandrij, 2009-08-25 This pioneering study is the first to show how Jews have been seen through modern Ukrainian literature Myroslav Shkandrij uses evidence found within that literature to challenge the established view that the Ukrainian and Jewish communities were antagonistic toward one another and interacted only when compelled to do so by economic necessity *Jews in Ukrainian Literature* synthesizes recent research in the West and in the Ukraine where access to Soviet era literature has become possible only in the recent post independence period Many of the works discussed are either little known or unknown in the West By demonstrating how Ukrainians have imagined their historical encounters with Jews in different ways over the decades this account also shows how the Jewish presence has contributed to the acceptance of cultural diversity within contemporary Ukraine

Jews and Muslims in the Russian Empire and the Soviet Union Franziska Davies, Martin Schulze Wessel, Michael Brenner, 2015-11-18 The Russian Empire and the Soviet Union were multiethnic and multireligious empires which ruled over a large number of Jews and Muslims In many ways these two non-Christian minorities presented similar challenges to the imperial order Which policies did the state pursue toward Jews and Muslims How did Jews and Muslims attempt to advance their interests in the political sphere Which role did they play in the imperial army What did the Jewish and Muslim Enlightenment movements have in common In which respects were the experiences of Jews and Muslims fundamentally different This book brings together specialists in Russian Jewish and Russian Muslim history and offers perspectives for a comparative approach to the history of Jews and Muslims in Russia

The Russian Protocols of Zion in Japan Jacob Kovalio, 2009 Before World War I Japan did not have an antisemitic tradition of its own Although influences of Western antisemitism reached the country in the late 19th century it was only during Japan's participation in the Siberian Intervention of 1918-22 that the Protocols of the Elders of Zion made their way to Japan The dissemination of this work promoted conspiracy and scapegoating antisemitism in the country In 1920-21 several Japanese translations of the Protocols appeared and the topics of Jewish omnipotence and the Jewish peril Yudayaka in Japanese became widespread in the mass media and in literature One of the themes discussed was the Jewish character of the Bolshevik Revolution Discusses writings by Eiju

Oniwa Tsuyanoske Higuchi aka Baiseiki Kitagami Seika Ariga Minetaro Yamanaka Tokio Imai etc as well as the writings of those who criticized the conception of the Jewish world conspiracy and rejected the Yudahaya and the veracity of the Protocols Sakuzo Yoshino Tokusaburo Hatta Kametaro Mitsukawa Masao Kinoshita and others In 1929 a roundtable on the Jewish problem was organized by the magazine Heibon **Jewish Philanthropy and Enlightenment in Late-Tsarist Russia**

Brian J. Horowitz, 2015-08-03 The Society for the Promotion of Enlightenment among the Jews of Russia OPE was a philanthropic organization the oldest Jewish organization in Russia Founded by a few wealthy Jews in St Petersburg who wanted to improve opportunities for Jewish people in Russia by increasing their access to education and modern values OPE was secular and nonprofit The group emphasized the importance of the unity of Jewish culture to help Jews integrate themselves into Russian society by opening supporting and subsidizing schools throughout the country While reaching out to Jews across Russia OPE encountered opposition on all fronts It was hobbled by the bureaucracy and sometimes outright hostility of the Russian government which imposed strict regulations on all aspects of Jewish lives The OPE was also limited by the many disparate voices within the Jewish community itself Debates about the best type of schools secular or religious co educational or single sex traditional or modern were constant Even the choice of language for the schools was hotly debated Jewish Philanthropy and Enlightenment in Late Tsarist Russia offers a model of individuals and institutions struggling with the concern so central to contemporary Jews in America and around the world how to retain a strong Jewish identity while fully integrating into modern society **The Russian Army and the Jewish Population, 1914-1917**

Semion Goldin, 2022-06-01 This book represents a new reading of a key moment in the history of East European Jewry namely the period preceding the collapse of the Russian Empire Offering a novel analysis of relations between the Russian army and Jews during the First World War it points to the army and military authorities as the gravediggers of the Jews fragile co existence with the tsarist regime It focuses on various aspects of the Russian army s brutal treatment of Jews living in or near the Eastern Front where three quarters of European Jewry were living when the war began At the same time it shows the enormous harm this anti Jewish campaign wreaked on the Russian empire s economy finances public security and international status

Rewriting the Jew Gabriella Safran, 2002-01-01 In the Russian Empire of the 1870s and 1880s while intellectuals and politicians furiously debated the Jewish Question more and more acculturating Jews who dressed spoke and behaved like non Jews appeared in real life and in literature This book examines stories about Jewish assimilation by four authors Grigory Bogrov a Russian Jew Eliza Orzeszkowa a Polish Catholic and Nikolai Leskov and Anton Chekhov both Eastern Orthodox Russians Safran introduces the English language reader to works that were much discussed in their own time and she situates Jewish and non Jewish writers together in the context they shared For nineteenth century writers and readers successful fictional characters were types literary creations that both mirrored and influenced the trajectories of real lives Stories about Jewish assimilators and converts often juxtaposed two contrasting types the sincere reformer or true

convert who has experienced a complete transformation and the secret recidivist or false convert whose real loyalties will never change As Safran shows writers borrowed these types from many sources including the novel of education produced by the Jewish enlightenment movement the Haskalah the political rhetoric of Positivist Polish nationalism the Bible Shakespeare and Slavic folk beliefs Rewriting the Jew casts new light on the concept of type itself and on the question of whether literature can transfigure readers The classic story of Jewish assimilation describes readers who redesign themselves after the model of fictional characters in secular texts The writers studied here though examine attempts at Jewish self transformation while wondering about the reformability of personality In looking at their works Safran relates the modern Eastern European Jewish experience to a fundamental question of aesthetics Can art change us *A History Of Russia Volume 2* Walter G. Comparison underlies all reading Readers compare words to words and books to all the other books which they have read Some books however demand a particular comparative effort for example novels which contain parallel plot lines In this ambitious and important study Catherine Brown compares Daniel Deronda with Anna Karenina and Women in Love in order to answer the following questions why does one protagonist in each novel fail whilst another succeeds Can their failure and success be understood on the same terms How do the novels uses of comparison compare to each other How relevant is George Eliot s influence on Lev Tolstoi and Tolstoi s on D H Lawrence Does Tolstoi being a Russian make this a comparative literary study And what does the comparative in comparative literature actually mean Criticism is combined with metacriticism to explore how novels and critics compare **Polin** Antony Polonsky,1987 Established in 1986 by the Institute

Irish Questions and Jewish Questions Aidan Beatty, Dan O'Brien, 2018-08-01 The Irish and the Jews are two of the classic outliers of modern Europe Both struggled with their lack of formal political sovereignty in the nineteenth century Simultaneously European and not European both endured a bifurcated status perceived as racially inferior and yet also seen as a natural part of the European landscape Both sought to deal with their subaltern status through nationalism both had a tangled ambiguous and sometimes violent relationship with Britain and the British Empire and both sought to revive ancient languages as part of their drive to create a new identity The career of Irish politician Robert Briscoe and the travails of Leopold Bloom are just two examples of the delicate balancing of Irish and Jewish identities in the first half of the twentieth century *Irish Questions and Jewish Questions* explores these shared histories covering several centuries of the Jewish experience in Ireland as well as events in Israel Palestine and North America The authors examine the leading figures of both national movements to reveal how each had an active interest in the successes and failures of the other Bringing together leading and emerging scholars from the fields of Irish studies and Jewish studies this volume captures the most recent scholarship on their comparative history with nuance and remarkable insight
