The Jews In Shanghai:

Japanese, Nazis & Jews David Kranzler, 1976 Shanghai Refuge: A Memoir of the World War II Jewish Ghetto Ernest Heppner, 2019-08-09 After the Nazis took power Heppner a member of a privileged middle class German Jewish family suffered from constant anti-Semitism. But Kristallnacht in November 1938 introduced a new level of Nazi horror. Heppner and his mother used the family's resources to escape to Shanghai, the only city in the world that did not require a visa. Heppner was taken aback by experiences on the ocean liner that took him and other refugees to Shanghai; he was embarrassed and confounded when Egyptian Jews offered worn clothing to the Jewish passengers; he resented the edicts against Jewish passengers disembarking in any ports on the way and he was unprepared for the poverty and cultural dislocation of the great city of Shanghai. But being self-reliant, energetic and clever, Heppner found niches for his skills that enabled him to survive in a precarious fashion in Shanghai's ghetto. In 1945, after the liberation of China, Heppner found a responsible position with the American forces in Nanjing. He and his wife, a fellow refugee he had met and married in Shanghai, arrived in the United States in 1947 with only eleven dollars but boundless hope and energy. This inspiring memoir is a story of survival. The unique and traumatic experiences of tens of thousands of Jews who managed to escape for the temporary haven of Shanghai are described with objectivity and clarity. Leonard H. D. Gordon, *Shofar*. The author describes in detail the sights and sounds of his adopted environment: the mingling of Jews and many nationalities; the choking stench and the humidity; the decadent, exotic underworld of criminals and beggars; the terror of air raids and Japanese guards; the rampant poverty and disease. The general tone, however, is positive, even inspiring, and behind all the experiences lurks a sense of adventure and simple good luck. Association of Jewish Libraries Newsletter. A fascinating and moving memoir that begins with Heppner's childhood in Nazi Germany and moves briskly from one compelling scene to the next. Forward. Ernest G. Heppner's *Shanghai Refuge* fills in the fragments of this little-known Jewish community. His story is an odd mixture of defiance, courage, endurance, and survival. His experience is fascinating. Michael Berenbaum, Director, U.S. Holocaust Research Institute. An important addition to the historical record of World War II: an autobiography of a remarkable man's formative years and a testimony to the power of community and human perseverance. Indianapolis Star. Heppner's descriptions ring true and carry conviction, especially when he recalls in evocative detail his day-to-day experiences in Nazi Germany. Similarly, his recollection of Shanghai, with its small, telling details of privations, indignities, anxieties, and horrors, makes maximum impact from the rat in the bakery that he lifted up by its tail to the carnage following an American air raid. Bernard Wasserstein, author of *The Secret Lives of Trebitsch*. Lincoln. **A Study of Jewish Refugees in China (1933-1945)** Guang Pan, 2019-09-12 This book comprehensively discusses the topic of Jews fleeing the Holocaust to China. It is divided into three parts: historical facts, theories, and the Chinese model. The first part addresses the formation, development, and end of the Jewish refugee community in China, offering a systematic review of the history of Jewish Diaspora, including historical and recent events bringing European Jews

to China Jewish refugees arriving in China route time number and settlement the Jewish refugee community in Shanghai Jewish refugees in other Chinese cities the Final Solution for Jewish refugees in Shanghai and the Designated Area for Stateless Refugees friendship between the Jewish refugees and the local Chinese people the departure of Jews and the end of the Jewish refugee community in China The second part provides deeper perspectives on the Jewish refugees in China and the relationship between Jews and the Chinese The third part explores the Chinese model in the history of Jewish Diaspora focusing on the Jews fleeing the Holocaust to China and compares the Jewish refugees in China with those in other parts of the world It also introduces the Chinese model concept and presents the five features of the model Shanghai Remembered Berl Falbaum,2005 In the 1930s anti Semitism was spreading like a cancer throughout the world And even though Hitler s regime was criticized for its treatment of Jews no one stepped forward to help them In mid 1938 32 countries met to discuss the Jews dilemma But they did not open their doors except the Dominican Republic citing a variety of reasons Through words of mouth or information from travel agencies Jews from various parts of Europe discovered that Shanghai was an open port No visas or passports were required About 20 000 refugees made the decision to flee from impending extermination leaving behind their highly civilized and sophisticated culture for a haven that could not have been more unlike the life they had experienced Shanghai Remembered is a collection of first person accounts telling how these refugees found themselves traumatized stateless and penniless in a strange and inhospitable place **The Jews of China: Historical and comparative perspectives** Jonathan Goldstein, Frank Joseph Shulman,1999 An impressive interdisciplinary effort by Chinese Japanese Middle Eastern and Western Sinologists and Judaic Studies specialists these books scrutinize patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately A D 1100 to 1949 Escape to Shanghai James Rodman Ross,1994 From Kaifeng to Shanghai Roman Malek,2017-07-05 The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials The articles are written in English German or Chinese with English abstracts The volume includes a general index with glossary **The Jews of China: v. 1: Historical and Comparative Perspectives** Jonathan Goldstein, Benjamin I. Avrum Ehrlich,2008-06-26 This book is concerned with the areas where Jews and Chinese Judaism and Chinese religions and ideologies are converging or inter relate to each other It includes chapters on Confuciansim the Kaifeng Jewish Descendants business and Chinese Israeli relations Chinese Perceptions of the Jews' and Judaism Zhou Xun,Xun Zhou,2013-12-16 While prejudice against Jews is a real and ongoing category in Western culture little attention has been paid to the myths of the Jews and their impact in countries outside the West This work draws on a wide variety of source materials from the past two centuries to examine the images of the Jews as constructed in China However the interest here does not lie in the determination of the boundary between the real and fictional aspects of these images Rather it lies in the implications associated with the Jew as an other which remains a distant mirror in the construction of the self amongst various social groups in modern China Although it has been noted by a few scholars that the use of the Jews as a category was important to many thinkers of modern China in the construction of their nationalistic and socio political ideologies this is the first systematic study in the field to be published This book is also more than a historical book on China in that it opens a new arena for modern Jewish studies from a unique angle **Jews and Judaism in Modern China** M. Avrum Ehrlich,2009-09-10 This book brings together a series of original essays which explore the dynamics at work in two of the oldest intact and starkly contrasting civilizations on earth The book studies how they interact in modernity and how each civilization views the other and analyses areas of cooperation between scholars activists and politicians *The Jewish Veteran* ,1978 **The Jews of Kaifeng, China** Xin Xu,2003 **Japan, the Jews, and Israel** Meron Medzini,2024-09-02

Although an ally of Nazi Germany during World War II Japan adamantly refused to accede to German demands to deal harshly with the some 40 000 Jews living under its control While there was anti Semitism in Japan since the early 1920s there was also philo Semitism and great admiration for Jewish power influence and achievements Japan Israel relations were very strained and tense from 1952 to the early 1990s due to Japan s dependence on Arab oil But since 1990 the policy of Japan has changed radically and the country is now a close friend of Israel in East Asia Meron Medzini compares and contrasts Israeli and Japanese society foreign policy and above all economic and technological ties He analyzes the presence of Jews in Japan since the 1860s and the absence of any Jewish influence power and involvement in Japanese arts media academia politics labor unions and industry
