Shanghai Sanctuary Bei Gao, 2013-02-14 This book assesses the plight of the European Jewish refugees who fled to Japanese occupied China during the Second World War It examines the Nationalist government's policy towards the Jewish refugee issue and the most thorough and subtle analysis of Japanese diplomacy concerning this matter The story of the wartime Shanghai Jews is not merely a side bar to the history of modern China or modern Japan It is a story that illuminates how the Jewish issue complicated the relationships among China Japan Germany and the United States before and during World War Two Both the Chinese Nationalist government and the Japanese occupation authorities thought very carefully about the Shanghai Jews and how they could be used to win international financial and political support in their war against one another Thus the Holocaust had complicated repercussions that extended far beyond Europe The diaspora of Jews to East Asia in the era of the Second World War is a rich and complex story that deserves our attention as well Firmly grounded in archival sources from the People's Republic of China Taiwan Japan the United States Britain and Israel this book is comparative and transnational in scope and makes an important contribution to the international history of the period

At Home in Many Worlds Raoul David Findeisen, 2009 This volume is dedicated to one of the founding figures of Israeli Chinese studies Professor Irene Eber of The Hebrew University of Jerusalem It assembles more than two dozen essays by colleagues from all over the world that reflect not only the wide range of her scholarly interests but above all the fields of research which would not have been established without

her and where her contributions will remain Accordingly the section Philosophy in China and Intellectual History discusses the thorny and complex process of organizing the heritage from the earliest constructed traditions in Han times around the beginning of our era up to the debates on modernization in present day China After an excursion in Chinese Literature much space is devoted to Translating the Bible in China a topic on which her numerous studies have proved seminal and that deals with Chinese perceptions As its complement perceptions of China in systematic and historical perspective are at the core of the section devoted to Jewish Life and Letters in the World The contributions share their approach of paying particular attention to the translation processes strictly speaking and to the hermeneutical process of understanding across time and space more generally A comprehensive list of publications by Irene Eber concludes the volume

Youtai - Presence and Perception of Jews and Judaism in China Peter Kupfer, 2008 This volume summarizes the results of a research project organized at Mainz University in Gernersheim Germany It focused on the Jewish community in Kaifeng in China 12th to 19th century In recent years increasing research has been done about the history and culture of the Jews in China and in the future more academic interest in all questions connected with it can be expected Main topics are the perception of Chinese Judaism in European history as well as in Chinese society itself the self image of the descendants in Kaifeng and their present status in China and how China deals with foreign ethnics and religions as part of its own history and identity These topics were discussed from various interdisciplinary points of view The authors from Australia China Hong Kong Israel Great Britain France and Germany are prominent sino judaists who present their latest results of research in the light of new facts and approaches

From Kaifeng to Shanghai Roman Malek, 2017-07-05 The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials The articles are written in English German or Chinese with English abstracts The volume includes a general index with glossary

Rhapsody in Red Sheila Melvin, Jindong Cai, 2004 Western classical music has become as Chinese as Peking Opera and it has woven its way into the hearts and lives of ordinary Chinese people This lucidly written account traces the biographies of the bold visionaries who carried out this musical merger Rhapsody in Red is a history of classical music in China that revolves around a common theme how Western classical music entered China and how it became Chinese Chinas oldest orchestra was founded in 1879 two years before the Boston Symphony Since then classical music has woven its way into the lives of ordinary Chinese people Millions of Chinese children take piano and violin lessons every week Yet despite the importance of classical music in China and of Chinese classical musicians and composers to the world next to nothing has been written on this fascinating subject The authors capture the events with the voice of an insider and the perspective of a Westerner presenting new information original research and insights into a topic that has barely been broached elsewhere The only other significant books touching on this field are *Pianos and Politics Middle Class Ambitions* and *The Struggle Over Western Music* by Richard Kurt Kraus 1989 and Barbara Mittler s *Dangerous Tunes The Politics of Chinese Music* Both target the academic market *Pianos* focuses narrowly on the political aspects of the Cultural Revolution and subsequent re opening Rhapsody in Red is a far better read and benefits from considerably more research with primary source material in China over the past decade and it covers classical music in general over all the history of East West interaction This book will appeal to a general readership interested in China the same readers who made *Wild Swans* a bestseller It will also appeal to all who are interested in the future of classical music It could easily be used for college courses on modern China cultural history and ethnomusicology

Biographical Dictionary of the People's Republic of China Yuwu Song, 2014-01-10 This biographical dictionary is an indispensable research tool for information about the prominent persons of the past seven decades in China The book documents nearly 600 Chinese individuals who contributed for better or worse to the development of Chinese life and culture since the founding of the People s Republic of China in 1949 Though the book is weighted toward political figures it includes persons in business the military academia medicine social movements the arts entertainment and athletics In addition to an objective description of the person s life an analysis is provided that identifies the individual s contributions and importance
