Matrana,2014-07-18 The great majority of the South s plantation homes have been destroyed over time and many have long been forgotten In Lost Plantations of the South Marc R Matrana weaves together photographs diaries and letters architectural renderings and other rare documents to tell the story of sixty of these vanquished estates and the people who once called them home From plantations that were destroyed by natural disaster such as Alabama s Forks of Cypress to those that were intentionally demolished such as Seven Oaks in Louisiana and Mount Brilliant in Kentucky Matrana resurrects these lost mansions Including plantations throughout the South as well as border states Matrana carefully tracks the histories of each from the earliest days of construction to the often contentious struggles to preserve these irreplaceable historic treasures Lost Plantations of the South explores the root causes of demise and provides understanding and insight on how lessons learned in these sad losses can help prevent future preservation crises Capturing the voices of masters and mistresses alongside those of slaves and featuring more than one hundred elegant archival illustrations this book explores the powerful and complex histories of these cardinal homes across the South [Beauty from Ashes](#) Eugenia

Price, 2017-11-21 A new edition of the best selling third volume of the Georgia Trilogy presented by Turner Publishing For three decades Eugenia Price has entranced millions of readers with her sweeping romantic chronicles of life in the American South In all its beauty glory infamy and tragedy Ms Price's South is at once mysterious and heartbreakingly familiar Beauty from Ashes is the long awaited concluding volume in Ms Price's Georgia Trilogy preceded by the New York Times bestseller Bright Captivity and Where Shadows Go Again she leads us through her South by now an aching South that will soon be torn by pain and pride riven by fierce principles and divided loyalties but always guided by men and women of uncommon passion The sweeping saga of two families of St Simon's Island the Coupers and the Frasers resumes in 1852 as Anne Couper Fraser grieves the deaths of her husband and her parents But fate is as cruel to Anne as history itself would prove to be to the nation Anne's family fallen on hard times has lost its home Anne has no choice but to seek refuge and reluctantly resettles in Marietta three hundred miles north of her beloved St Simons Island As she begins to piece together her broken life all around her the society she knows so well is falling apart The roots of the Civil War are already evident Anne's family like the South itself seethes with internal conflict Her son and grandson who find it impossible to spurn their Southern heritage enlist in the Confederate Army Anne in strong sympathy with the Unionists finds her life disintegrating once again and the family the region and the nation begin an agonizing collapse But Anne like the Union endures She learns that even in life's cruelest circumstances there is always a place for the unquenchable human spirit to find a refuge and to blossom anew Filled with characters drawn from history and from Eugenia Price's rich imagination Beauty from Ashes is a memorable finale to her admired Georgia Trilogy An inspirational story of courage love and friendship it will delight longtime Price fans and introduce the Georgia author to a new generation of readers

Rice Gold James Bagwell, 2002-06 Drawing from a wealth of information particularly from primary sources such as diaries letters plantation records etc the author has recreated the story of James Hamilton Couper and his times into an exciting interesting and readable account The work begins with an introductory chapter The Georgia Coast a land of sluggish rivers murky blackwater swamps and studded with a string of islands is the home of a special breed of people They are as wild reckless exciting beautiful and contradictory as the land itself Bagwell examines the Couper heritage from kings war and intrigue in Scotland to their firm establishment on the Georgia Coast As colonial times move into antebellum the Coupers progress especially with James Hamilton Couper of Hopeton Plantation On his grand tour of Europe many on that continent commented on the abilities and potential of this young man Couper made quite a name for himself in the area of politics plantation management scientific agriculture archaeology and architectural design In the sinking of the Pulaski he was hailed the hero of the occasion The publication of this volume will be a valuable addition to the history and culture of the South especially Georgia and its coast

Georgia's Land of the Golden Isles Burnette Vanstory, 1981 Since it first appeared in 1956 Mrs Vanstory's rich narrative of the barrier islands from Ossabaw to Cumberland and the mainland towns along the way has become the standard popular history of Georgia's golden

coast Thoroughly revised and with over forty new illustrations this edition traces the crucial and colorful role these islands have played from the sixteenth century to the twentieth Home at one time or another to the American Indians the French the Spanish and the English to buccaneers friars and priests to Puritans and Scottish Highlanders to slave traders planters soldiers statesmen and millionaires these islands are as rich in history as they are in natural beauty Georgia's Land of the Golden Isles now takes the reader through the years from General James Oglethorpe to President Jimmy Carter unfolding the stories of the lives that have touched or been touched by the golden isles of Georgia *Inside One Author's Heart* Eugenia Price, 2021-08-17 *Inside One Author's Heart* offers a rare glimpse behind the image of a bestselling writer Instead of her sweeping tales of the Old South Ms Price focuses on herself her readers and the special way in which they nourish each other He tells it straight with warts and flaws and at all times an endearing sense of humor about herself and her work Here Ms Price reveals how she creates her haunting novels and how she brings her characters to life on paper Here are the heartfelt dialogues between Ms Price and her readers Here is the real Eugenia Price eternally optimistic yet strangely intimidated by her own success The story ranges from Ms Price's early years as a writer living in Chicago to how she fled in the 1960's for privacy to the sanctuary of St Simons Island And this is the most riveting part of her narrative This deeply private and spiritual woman not only absorbed her new surroundings she also created a mystique about the island and its history

Fatal Self-Deception Eugene D. Genovese, Elizabeth Fox-Genovese, 2011-10-24 Slaveholders were preoccupied with presenting slavery as a benign paternalistic institution in which the planter took care of his family and slaves were content with their fate In this book Eugene D Genovese and Elizabeth Fox Genovese discuss how slaveholders perpetuated and rationalized this romanticized version of life on the plantation Slaveholders paternalism had little to do with ostensible benevolence kindness and good cheer It grew out of the necessity to discipline and morally justify a system of exploitation At the same time this book also advocates the examination of masters relations with white plantation laborers and servants a largely unstudied subject Southerners drew on the work of British and European socialists to conclude that all labor white and black suffered de facto slavery and they championed the South's Christian slavery as the most humane and compassionate of social systems ancient and modern

Goloboy,2016-10-10 Too often says Jennifer L Goloboy we equate being middle class with niceness a set of values frozen in the antebellum period and centered on long term economic and social progress and a close nurturing family life Goloboy s case study of merchants in Charleston South Carolina looks to an earlier time to establish the roots of middle class culture in America She argues for a definition more applicable to the ruthless pursuit of profit in the early republic To be middle class then was to be skilled at survival in the market economy What prompted cultural shifts in the early middle class Goloboy shows were market conditions In Charleston deference and restraint were the bywords of the colonial business climate while rowdy ambition defined the post Revolutionary era which in turn gave way to institution building and professionalism in antebellum times Goloboy s research also supports a view of the Old South as neither precapitalist nor isolated from the rest of American culture and it challenges the idea that post Revolutionary Charleston was a port in decline by reminding us of a forgotten economic boom based on slave trading cotton exporting and trading as a neutral entity amid warring European

states This fresh look at Charleston s merchants lets us rethink the middle class in light of the new history of capitalism and its commitment to reintegrating the Old South into the world economy Early Days of Coastal Georgia Margaret Davis Cate,Orrin Sage Wightman,2018-12-05 Disappearing historic landmarks preserved for posterity Tabby houses slave cabins doorways and cemeteries that recall the history of the early settlers A story of the living past Visible evidence of coastal culture The Military Era and the Plantation Era its story and heroes Oglethorpe the soldiers of Bloody Marsh faithful Neptune Along the arc of the Georgia coast there is a chain of sea islands Of these Ossabaw Saint Catherine s Sapelo Saint Simons Sea Island Jekyll and Cumberland are best known as the Golden Isles Early Days of Coastal Georgia which was first published in 1955 presents some of their history illustrated with vintage photos Beautifully illustrated throughout with photographs by Orrin Sage Wightman **Zephaniah Kingsley Jr. and the Atlantic World** Daniel L.
