Journey Through the World of Spirit David L. Oakford, 2007-07 David Oakford's story is true real and utterly profound Although street drugs were clearly the initial for this NDE what happened next was a full blown ascended state of

consciousness that is well documented in the spiritual and scientific literature This book is once again revealing that NDE s are not magic nor do they produce saints And we can think David for baring his soul as to the psychic struggles and the depression that followed his awakening Because ultimately there emerged a transformed man who knew positively knew that there is more to life and death than we are taught in our religious organizations and more to God s greater plan for us than we can imagine today *Adonai* Lloyd Leon,2025-04-12 The Law of One teachings also known as the Ra Material present a profound philosophical framework that intertwines metaphysics spirituality and the nature of existence Central to these teachings is the concept of unity positing that all beings are interconnected aspects of a singular source often referred to as the One Infinite Creator This perspective encourages individuals to transcend the illusion of separateness fostering a sense of compassion and understanding towards all forms of life The teachings articulate that every entity is on a path of evolution learning and growth ultimately leading towards greater awareness of this inherent unity *The Padgett Messages Volume Ll* James E., Receiver Padgett,Communication,2008-12-19 The Padgett Messages Volume ll is highly recommended as Volume l Volume ll contain all the soulful teachings of Divine Love that James Padgett received during the years 1914 1920 in their chronological order Spirit communication is the continuing theme in both volumes covering topics such as the soul life after life rapport and communication between spirits and mortals Immortality soulmates spirit Spheres and environments and the teachings of Divine Love and natural love The Padgett Messages answer and provide illumination in the many questions that we ask during our journey in life about the greater reality of spirit and how we relate to spirit and spirit relates and communicates with us Enjoy this journey *The Padgett Messages Volume 1* James E., Receiver Padgett,Communication,2008-10-14 The Padgett Messages introduce the reader to soulful teachings of Divine Love spirit communications received by James E Padgett The Padgett Messages introduce many spirit related matters such as soulmates insight into the afterlife spirit guides the soul of mortal man and realm of spirits The teachings of Divine Love are the essence of these messages and apply to the individual on their soul journey James Padgett received these messages from spirits and Celestial spirits through his gift of mediumship of automatic handwriting The inspiration for James to commence receiving messages from spirits was to communicate with his wife Helen who had passed into the afterlife Dr Stone and Eugene Morgan assisted James in this work during 1914 1920 The message of Divine Love is as relevant today as are the Celestial spirits who conveyed these messages with James Padgett Communication with spirit inspires many to seek information which may illuminate their spiritual journey *Life's Journey* Marlenne Schilperoord,2019-12-03 Often we hear people say that all religions should be forbidden because they only bring misery These reactions are understandable when we see or hear the daily news But where does all this misery come from Is it because former religious leaders pursued self interest too much instead of the Christian faith from the source Or is it our indifferent attitude that offers negative forces a free path To find the answer we must go back to our source of life to the reason for our earthly existence It teaches us that what we call

religion is the development of a spiritual consciousness to elevate the human soul the very self And that the words of our Creator do not stop on the last page of the bible He has sent us His New Revelations to encourage us and to find our way home again to the House of our Eternal Loving Father Whoever reads the book may realize how important it is to ask yourself life questions How you can give substance to your earthly existence That this book may help you on your way to find your purpose in your life s journey

A Course In Weight Loss Marianne Williamson, 2012-01-01. The New York Times bestseller now with a new Introduction by the author. If your weighty thinking does not change then even if you lose weight you'll retain an overwhelming subconscious urge to gain it back. It's less important how quickly you lose weight and more important how holistically you lose weight: you want your mind, your emotions, and your body to all lose weight. Weight that disappears from your body but not from your soul is simply recycling outward for a while but is almost certain to return. It's self-defeating therefore to struggle to drop excess weight unless you are also willing to drop the thought forms that initially produced it and now hold it in place. Marianne Williamson: What is the connection between spirituality and weight loss? Best-selling author Marianne Williamson is about to answer that question for you in her groundbreaking book bringing you 21 spiritual lessons to help you surrender your weight forever. These lessons form a holistic paradigm for weight loss addressing the spiritual, emotional, and psychological elements involved in what Williamson refers to as conscious weight loss. If you are a food addict, a compulsive eater, or someone who for any reason sees food as the enemy, this book is for you. *A Course in Weight Loss* addresses the true causal root of your weight loss issues: a place within you where you have forgotten your divine perfection. This forgetfulness has confused not only your mind but also your body, making you reach for that which cannot sustain you and reject that which does. As your mind reclaims its spiritual intelligence, your body will reclaim its natural intelligence as well. The 21 lessons in this book will take you on a deep, sacred journey. One step at a time, you will learn to shift your relationship with yourself and your body from one of fear to one of love. And you will begin to integrate the various parts of yourself: mind, body, and spirit, to become once again, in all ways, the beautiful and peaceful person you were created to be. As Williamson writes: When it comes to your enjoyment of eating, your best days are not behind you but ahead of you. So get ready to begin a new relationship with food and with yourself.
