The Jungle Leaf Of Hibiscus:

The Jungle & Leaf of Hibiscus Kentarō Igusa, 1987-01-01 *Imperial Japan's Allied Prisoners of War in the South Pacific* C. Kenneth Quinones, 2021-09-30 Three weeks after Imperial Japan's surrender five men dressed in baggy khaki uniforms stared at the camera. They and two colleagues were the only survivors out of the 210 Allied airmen which Imperial Japan had imprisoned in paradise. Joining them were 18 British soldiers the only survivors of 600 of their countrymen similarly but separately imprisoned. Another 10 000 Allied soldiers and civilians were also imprisoned on the South Pacific island of New Britain. More than half died before liberation. What motivated such inhumane treatment? This book's quest for an answer traces the genesis of Bushido Imperial Japan's martial code and surveys the prisoners' recollections of their ordeal as the Battle for Rabaul raged around them from 1942 to March 1944.

Stitches in Time David Watters, 2010-08-23 This book deals with the history of surgery in Papua New Guinea from the early 1800s until the beginning of the 21st Century. It spans the period from the first European contact to the emergence of highly educated sub-specialist national surgeons. It tells the story from the first impressions of ships' surgeons to the introduction and development of surgery. Between 1870 and 1950 the country and the lives of its peoples changed greatly as a result of exploration, evangelisation, colonisation and war. The history traces the surgical challenges encountered as well as the colourful characters who provided the health services run by missions, companies, governments and armies. After World War II PNG progressed politically from an Australian Administered Territory to become an Independent Nation. Within a generation it had trained its own doctors and surgeons. The history is set within the context of tropical pathologies, introduced diseases, surgical progress and the lives of the medics who have contributed to the *Stori bilong kamapim long dokta bilong katim man*. The history of surgery.
