

THE KAISER'S VOTERS

Electors and elections in Imperial Germany

JONATHAN SPERBER

The Kaisers Voters Electors And Elections In Imperial Germany

Christopher Clark

The Kaisers Voters Electors And Elections In Imperial Germany:

The Kaiser's Voters Jonathan Sperber, 1997-09-11 An analysis of the voting patterns and behaviour in the thirteen general elections held in pre 1914 Germany

Urban Liberalism in Imperial Germany Jan Palmowski, 1999-05-13 Debates about Liberalism in imperial Germany have focused almost exclusively on the national level This book investigates liberal politics in local government the only sphere in which liberals had direct access to power throughout Germany Through the study of one of Germany's most progressive cities Frankfurt am Main Jan Palmowski examines more generally the processes of politicization and policy formulation at the local level He argues that in Frankfurt as elsewhere local affairs had become politicized not around 1900 as is generally assumed but by the 1870s Once in power the liberals concern for religion social policy and education as well as their skilful use of fiscal policy shows that liberals in Germany were as sophisticated as liberals in Britain or France Even in the face of an authoritarian state structure German liberals received and made use of freedom for renewal and reform German liberalism was not inherently weak Instead the crucial problem lay in the country's complicated federal structure which made it impossible to transfer innovations from the local level to the state and national levels

Localism, Landscape, and the Ambiguities of Place David Blackbourn, James Retallack, 2015-01-15 What makes a person call a particular place home Does it follow simply from being born there Is it the result of a language shared with neighbours or attachment to a familiar landscape Perhaps it is a piece of music or a painting or even a travelogue that captures the essence of home And what about the sense of belonging that inspires nationalist or local autonomy movements Each of these can be a marker of identity but all are ambiguous Where you were born has a different meaning if like so many modern Germans you have moved on and now live elsewhere Representing the national interest in parliament becomes more difficult when voters demand attention to local and regional issues or when ethnic tensions erupt In all these situations the landscape of home takes on a more elusive meaning *Localism Landscape and the Ambiguities of Place* is about the German nation state and the German speaking lands beyond it from the 1860s to the 1930s The authors explore a wide range of subjects music and art elections and political festivities local landscape and nature conservation tourism and language struggles in the family and the school Yet they share an interest in the ambiguities of German identity in an age of extraordinarily rapid socio economic change These essays do not assume the primacy of national allegiance Instead by using the sense of place as a prism to look at German identity in new ways they examine a sense of Germanness that was neither self evident nor unchanging

Kaiser Wilhelm II Christopher Clark, 2013-09-13 Kaiser Wilhelm II is one of the key figures in the history of twentieth century Europe King of Prussia and German Emperor from 1888 to the collapse of Germany in 1918 and a crucial player in the events that led to the outbreak of World War I Following Kaiser Wilhelm's political career from his youth at the Hohenzollern court through the turbulent peacetime decades of the Wilhelmine era into global war and exile the book presents a new interpretation of this controversial monarch and assesses the impact on Germany of his forty year reign

A Compendium of World Sovereigns: Volume III Early Modern Timothy Venning, 2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who s who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places *Germany's Two Unifications* R. Speirs, J.

Breuilly, 2004-12-06 Germany s unique historical experience of undergoing national unification twice in a little over a century makes it a fascinating object of study In this volume the processes of unification are analysed from the point of view of historians political scientists and literary historians Because each event had quite different historical pre conditions the first having been long anticipated and pursued whereas the second took virtually all participants by surprise the processes of adjustment to it have differed in many ways Yet in each case the idea of national unity has held sway powerfully as a norm guiding the responses of those involved Iron Kingdom Christopher M. Clark, 2006 In the aftermath of World War II and in the Allies eagerness to erase all traces of the Third Reich from the earth Prussia ceased to exist as a country But as Clark reveals in this pioneering gripping history Prussia enjoyed a fascinating influential and critical role throughout the world

Liberal Imperialism in Germany Matthew P. Fitzpatrick, 2008 In a work based on new archival press and literary sources the author revises the picture of German imperialism as being the brainchild of a Machiavellian Bismarck or the conservative revolutionaries of the twentieth century Instead Fitzpatrick argues for the liberal origins of German imperialism by demonstrating the links between nationalism and expansionism in a study that surveys the half century of imperialist agitation and activity leading up to the official founding of Germany s colonial empire in 1884 **Catholicism: A Global History from the French Revolution to Pope Francis** John T. McGreevy, 2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world s largest international institution The story of Roman Catholicism

has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds eye views Catholicism provides a mesmerizing assessment of the Church s complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world s largest religious community

German Colonialism in a Global Age Bradley Naranch, Geoff Eley, 2015-02-20 This collection provides a comprehensive treatment of the German colonial empire and its significance Leading scholars show not only how the colonies influenced metropolitan life and the character of German politics during the Bismarckian and Wilhelmine eras 1871 1918 but also how colonial mentalities and practices shaped later histories during the Nazi era In introductory essays editors Geoff Eley and Bradley Naranch survey the historiography and broad developments in the imperial imaginary of the nineteenth and twentieth centuries Contributors then examine a range of topics from science and the colonial state to the disciplinary constructions of Africans as colonial subjects for German administrative control They consider the influence of imperialism on German society and culture via the mass marketing of imperial imagery conceptions of racial superiority in German pedagogy and the influence of colonialism on German anti-Semitism The collection concludes with several essays that address geopolitics and the broader impact of the German imperial experience Contributors Dirk B nker Jeff Bowersox David Ciarlo Sebastian Conrad Christian S Davis Geoff Eley Jennifer Jenkins Birthe Kundus Klaus M hlhahn Bradley Naranch Deborah Neill Heike Schmidt J P Short George Steinmetz Dennis Sweeney Brett M Van Hoesen Andrew Zimmerman **Austria 1867-1955** John W.

Boyer, 2022-09-15 Austria 1867 1955 connects the political history of German speaking provinces of the Habsburg Empire before 1914 Vienna and the Alpine Lands with the history of the Austrian Republic that emerged in 1918 John W Boyer presents the case of modern Austria as a fascinating example of democratic nation building The construction of an Austrian political nation began in 1867 under Habsburg Imperial auspices with the German speaking bourgeois Liberals defining the concept of a political people Volk and giving that Volk a constitution and a liberal legal and parliamentary order to protect their rights against the Crown The decades that followed saw the administrative and judicial institutions of the Liberal state solidified but in the 1880s and 1890s the membership of the Volk exploded to include new social and economic strata from the lower bourgeoisie and the working classes Ethnic identity was not the final structuring principle of everyday politics as it was in the Czech lands Rather social class occupational culture and religion became more prominent variables in the sortition of civic interests exemplified by the emergence of two great ideological parties Christian Socialism and Social Democracy in Vienna in the 1890s The war crisis of 1914 1918 exploded the Empire with the Crown self destructing in the face of military defeat chronic domestic unrest and bitter national partisanship But this crisis also accelerated the emergence of new structures of democratic self governance in the German speaking Austrian lands enshrined in the republican Constitution of 1920 Initial attempts to make this new project of democratic nation building work failed in the 1920s and 1930s culminating in the catastrophe of the 1938 Nazi occupation After 1945 the surviving legatees of the Revolution of 1918 reassembled under the four power Allied occupation which fashioned a shared political culture which proved sufficiently flexible to accommodate intense partisanship resulting by the 1970s in a successful republican system organized under the aegis of elite democratic and corporatist negotiating structures in which the Catholics and Socialists learned to embrace the skills of collective but shared self governance The Oxford Handbook of Modern German History Helmut Walser

Smith, 2011-09-29 This is the first comprehensive multi author survey of German history that features cutting edge syntheses of major topics by an international team of leading scholars Emphasizing demographic economic and political history this Handbook places German history in a denser transnational context than any other general history of Germany It underscores the centrality of war to the unfolding of German history and shows how it dramatically affected the development of German nationalism and the structure of German politics It also reaches out to scholars and students beyond the field of history with detailed and cutting edge chapters on religious history and on literary history as well as to contemporary observers with reflections on Germany and the European Union and on multi cultural Germany Covering the period from around 1760 to the present this Handbook represents a remarkable achievement of synthesis based on current scholarship It constitutes the starting point for anyone trying to understand the complexities of German history as well as the state of scholarly reflection on Germany s dramatic often destructive integration into the community of modern nations As it brings this story to the present it also places the current post unification Federal Republic of Germany into a multifaceted historical context It will

be an indispensable resource for scholars students and anyone interested in modern Germany **The Price of Exclusion**
Eric Kurlander,2006-08-01 The failure of Liberalism in Germany and its responsibility for the rise of Nazism has been widely discussed among scholars inside and outside Germany This author argues that German liberalism failed because of the irreconcilable conflict between two competing visions of German identity In following the German liberal parties from the Empire through the Third Reich Kurlander illustrates convincingly how an exclusionary racist Weltanschauung conditioned by profound transformations in German political culture at large gradually displaced the liberal universalist conception of a democratic Rechtsstaat Although there were some notable exceptions this widespread obsession with racial community Volksgemeinschaft caused the liberal parties to succumb to ideological lassitude and self contradiction paving the way for National Socialism *Nazi Empire* Shelley Baranowski,2011 Examines the history of Germany from 1871 to 1945 as an expression of the tension of empire

Germany's Second Reich James Retallack,2015-01-01 Despite recent studies of imperial Germany that emphasize the empire s modern and reformist qualities the question remains to what extent could democracy have flourished in Germany s stony soil In Germany s Second Reich James Retallack continues his career long inquiry into the era of Bismarck and Kaiser Wilhelm II with a wide ranging reassessment of the period and its connections with past traditions and future possibilities In this volume Retallack reveals the complex and contradictory nature of the Second Reich presenting Imperial Germany as it was seen by outsiders and insiders as well as by historians political scientists and sociologists ever since *Remaking the Rhythms of Life* Oliver Zimmer,2013-02-28 The late nineteenth century marked a period of profound change in the German lands characterized by rapid economic growth increased migration ideological conflict and cultural innovation Throwing new light on a series of hotly debated topics Oliver Zimmer explores how people drew on their creative energies to find their place in the world

The Ashgate Research Companion to Imperial Germany Matthew Jefferies,2016-03-03 Germany s imperial era 1871 1918 continues to attract both scholars and the general public alike The American historian Roger Chickering has referred to the historiography on the Kaiserreich as an extraordinary body of historical scholarship whose quality and diversity stands comparison with that of any other episode in European history This Companion is a significant addition to this body of scholarship with the emphasis very much on the present and future Questions of continuity remain a vital and necessary line of historical enquiry and while it may have been short lived the Kaiserreich remains central to modern German and European history The volume allows 25 experts from across the globe to write at length about the state of research in their own specialist fields offering original insights as well as historiographical reflections and rounded off with extensive suggestions for further reading The chapters are grouped into five thematic sections chosen to reflect the full range of research being undertaken on imperial German history today and together offer a comprehensive and authoritative reference resource Overall this collection will provide scholars and students with a lively take on this fascinating period of German history from the nation s unification in 1871 right up until the

end of World War I Gustav Stresemann Jonathan Wright, 2002-10-10 Gustav Stresemann was the exceptional political figure of his time His early death in 1929 has long been viewed as the beginning of the end for the Weimar Republic and the opening through which Hitler was able to come to power His career was marked by many contradictions but also a pervading loyalty to the values of liberalism and nationalism This enabled him in time both to adjust to defeat and revolution and to recognize in the Republic the only basis on which Germans could unite and in European cooperation the only way to avoid a new war His attempt to build a stable Germany as an equal power in a stable Europe throws an important light on German history in a critical time Hitler was the beneficiary of his failure but so long as he was alive Stresemann offered Germans a clear alternative to the Nazis Jonathan Wright s fascinating new study is the first modern biography of Stresemann to appear in English or German **Modern Germany in Transatlantic Perspective** Michael Meng, Adam R. Seipp, 2017-10-01

Bringing together incisive contributions from an international group of colleagues and former students Modern Germany in Transatlantic Perspective takes stock of the field of German history as exemplified by the extraordinary scholarly career of Konrad H Jarausch Through fascinating reflections on the discipline s theoretical professional and methodological dimensions it explores Jarausch s monumental work as a teacher and a builder of scholarly institutions In this way it provides not merely a look back at the last fifty years of German history but a path forward as new ideas and methods infuse the study of

Germany s past **Purging the Empire** Matthew P. Fitzpatrick, 2015 While the fate of minorities under Nazism is well known the earlier expulsions of Germany s unwanted residents are less well understood Against a backdrop of raging public debate and numerous claims of a state of exception tens of thousands of vulnerable people living in the German Empire were the victims of mass expulsion orders between 1871 and 1914 Groups as diverse as Socialists Jesuits Danes colonial subjects French nationalists Poles and Gypsies were all removed under circumstances that varied from police actions undertaken by provincial governors through to laws authorising removals passed by the Reichstag Purging the Empire examines the competing voices demanding the removal or the preservation of suspect communities suggesting that these expulsions were enabled by the decentralised and participatory nature of German politics In a surprisingly responsive political system a range of players including the Kaiser the Reichstag the bureaucracy provincial officials and local police authorities were all empowered to authorise the expulsion of unwanted residents Added to this the German press civic associations chambers of commerce public intellectuals religious societies and the grassroots membership of political parties all played an important role in advocating or denouncing the measures before during and after their implementation Far from revealing the centrality of authoritarian caprice Germany s mass expulsions point to the diffuse nature of coercive sovereign power and the role of public pressure in authorising or censuring the removals that took place in a modern increasingly parliamentary Rechtsstaat

The Captivating World of E-book Books: A Thorough Guide Unveiling the Pros of E-book Books: A World of Ease and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in bookstores. The Kaisers Voters Electors And Elections In Imperial Germany Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Kaisers Voters Electors And Elections In Imperial Germany free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Kaisers Voters Electors And Elections In Imperial Germany free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Kaisers Voters Electors And Elections In Imperial Germany free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Kaisers Voters Electors And Elections In Imperial Germany. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Kaisers Voters Electors And Elections In Imperial Germany any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Kaisers Voters Electors And Elections In Imperial Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
