The Kappillan Of Malta:

The Kappillan of Malta Nicholas Monsarrat, 1974 A novel about a priest living in Malta during World War II **The Kappillan of Malta** Nicholas Monsarrat, 2012-04-09 One of the most memorable characters of post war fiction Daily Express

A classic novel set in the siege of Malta 1940-1942 from the bestselling author of *The Cruel Sea* Father Salvatore was a simple lumbering priest a Kappillan serving the poor Valetta when war came out of the blue skies to pound the island to dust Now amid the catacombs discovered by a chance bomb he cared for the flood of homeless starving frightened people who sought shelter from the death that fell unceasingly from the sky His story and the story of Malta is told in superbly graphic pictures of six days during the siege Each of those days brought forth from the Kappillan a message of inspiration to keep them going the legendary tales of six mighty events of Malta's history which shone through the centuries and gathered them together in a fervent belief in their survival [The Role of History in Nicholas Monsarrat's "The Kappillan of Malta"](#)

Christian Schlütter, 2009-07 Seminar paper from the year 2004 in the subject English Language and Literature Studies Literature grade 1.3 A University of Siegen Anglistics Institute course Anglophone Literature in Malta 5 entries in the bibliography language English abstract Nicholas Monsarrat may be one of the most well known and most influential Anglophone writers of Malta especially when it comes to historical novels Books such as *A Cruel Sea* are known far over the borders of Malta As history is crucial to most of his novels and as *The Kappillan of Malta* makes use of it rather frequently my interest in this essay is laid on the role that history adopts in this novel To analyse the enormous amount of historical happenings that are dealt with in this book would be far too much work for one essay so the work had to be reduced to some important points The essay will deal with several points of the use of history within the book Means of influencing the reader will be observed and analysed and examples for adjustments to real events will be discussed I will try to outline in this paper that the use of history is crucial to the story of the book as well as to the message to the Maltese to never give up hope and to take measures into their own hands [Lonely Planet Malta & Gozo](#) Lonely Planet, **Lonely Planet Malta & Gozo**
