The Hands Of Innocence Black Dagger Crimes:

The Crime at Black Dudley Margery Allingham, 2025-01-01 The first novel in Margery Allingham's renowned series introducing the legendary aristocratic sleuth Albert Campion. Pathologist George Abbershaw is on holiday in Suffolk attending a social weekend at the remote Black Dudley manor. His friend Wyatt Petrie has organized a party to provide some diversion for his elderly uncle. With charming young Meggie Oliphant in attendance, George hopes to win her affections. But the lighthearted gathering soon takes a dark turn as the guests are caught in a deadly game. The group soon discovers that the house is under the control of hardened criminals and there is a killer among them. Now trapped, George must find a way to thwart their plans while getting himself and Meggie out alive. Luckily, one of the guests is Albert Campion, a notorious party crasher with a surprisingly good knack for solving mysteries.

The Crime at Black Dudley Margery Allingham, 2025-02-06T22:03:42Z George Abbershaw has been invited to a party at the gloomy old English mansion of a friend along with a few people he knows, a few he doesn't, and one he is sweet on. A suspicious death means George has to determine who can be trusted and who can't, including a bespectacled young man named Albert Campion who seems to have shown up at the party uninvited. When things take a decided turn for the worse, George and the rest of the guests have to band together in an effort to extricate themselves from an increasingly perilous situation. Although only a supporting player here, Albert Campion would be the protagonist of another sixteen novels and over twenty short stories, contributing to Margery Allingham being considered one of the four Queens of Crime along with Agatha Christie, Dorothy Sayers, and Ngaio Marsh. Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition. There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce, burlesque, even slapstick. A mix of entertainment with instruction is a tradition in English letters. English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction. And they are the humorists of the genre. This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable authors. What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs recurring incidents, devices, references. Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature. In crime fiction, one effect is intellectual pleasure at solving or attempting to solve a puzzle. Another is entertainment but with serious undertones. The Encyclopedia of Murder and Mystery B.
